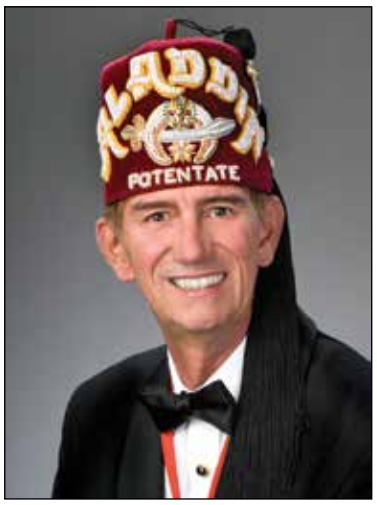
Potentate's Monthly Message

Imperial Session - A Successful Trip!

We all made it back from the 2014 Imperial in Minneapolis, Minnesota.



W. Garol Rogers, Potentate

Once again, "thanks" go to Doctor Keith Blair for seeing that everyone who travels with Aladdin is given excellent health evaluations when needed. It seems that sick calls, ambulance rides, and hospital consultations are becoming his normal Imperial routine.

Another "thank you" goes to Bob Cannon, Aaron Dominey, and the staff who made sure everything went as smoothly as possible. Everyone attending the Imperial had a great time, especially at the banquet held at the Van Dusen Mansion. With regard to the banquet, I need to also thank Rodney and his band of cohorts for the skit they presented; Dixie and I enjoyed it immensely. It was a real fireball of a show.

After returning from Minneapolis, we are on the visitation trail once again. It is always so nice to see those Nobles and Ladies we only have the opportunity to visit once a year.

The Chicken & Corn Roast/Cruise In and the Aladdin Stag Picnic are just around the corner; hopefully, you are planning to attend. Other upcoming events which the ladies should note are the Ladies Luncheon on August 17 and the Nashville trip September 25-28.

October 25 is just two months away; how many Masons have you talked to regarding the Shrine? Please, if you haven't, go to your Masonic Lodge and find a brother who you know would enjoy the Shrine and talk to him. Tell him why you became a Shriner and what you enjoy about the Shrine. It's never too late.

Remember, in all we do, We Do It All for KIDS.

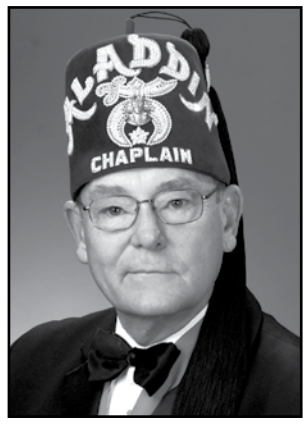
Chaplain's Message

by William E. Estell, P.P.



Reading in the *Book of Luke*, the 13th chapter, you will come across the story of a man who had a fig tree planted in his vineyard. The man came to the vineyard one day and found no fruit on the tree. He told the gardener that he had watched the tree for three years and it had done nothing, therefore cut it down. The gardener said to the owner of the tree, "let me work with it for a year and put fertilizer around it, and then if it does not produce fruit, it will be cut down."

This almost sounds like a pretty hard story, but it's a story of love. The man (God) knows that the tree (humanity) will never be able to be with him in its present state of imperfection. The gardener (Christ) is allowed to work with humanity to right its state and bear its imperfections so that humanity can once again be with God. It is a story of the love God has for his people. However, there is a warning that unless the tree after having been worked by the gardener bears fruit, it will be cut down.

"God so loved the world that he gave his only Son, so that everyone who believes in him may not perish but may have eternal life". *John 3:16*

2014 Marketing Campaign

Erie Focuses On Excellence of Physicians

by Bob Stevenson & Tom McNeil

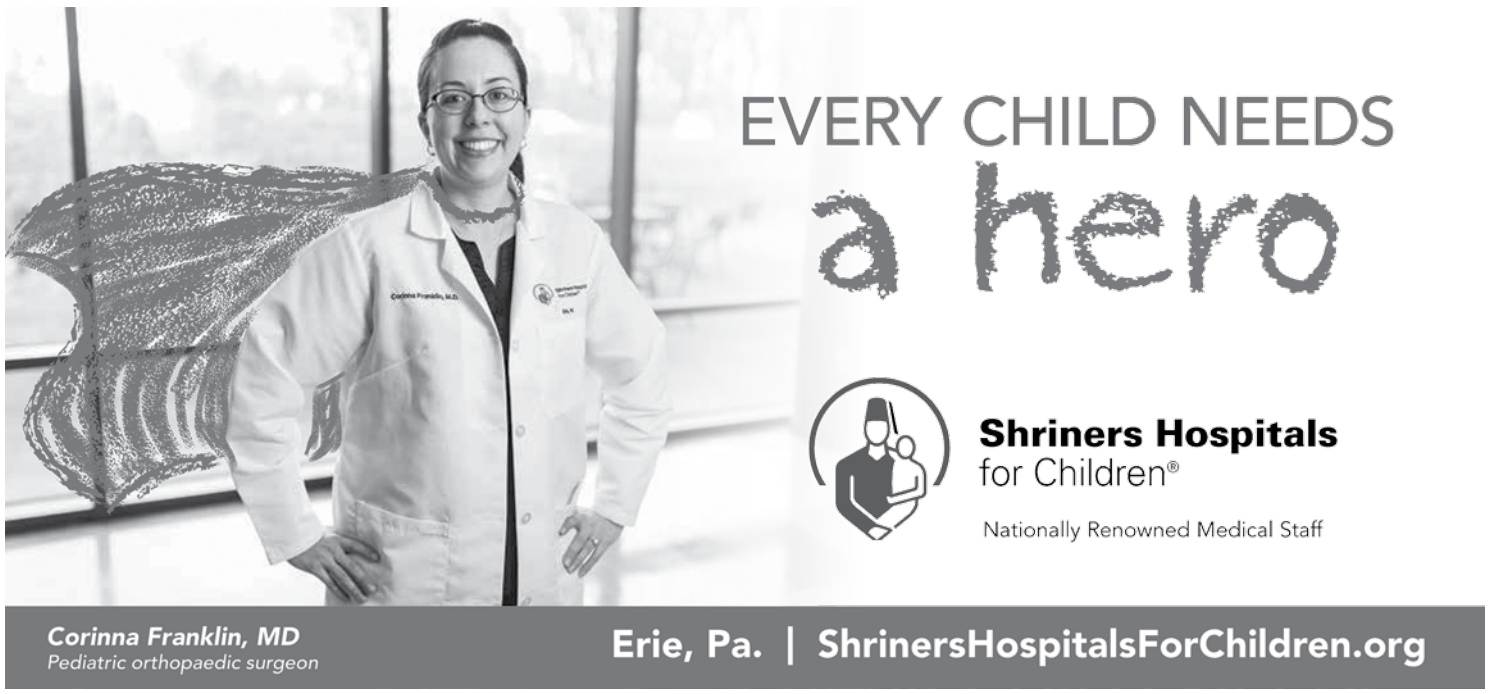
Two months ago we reported, among other things, that our Annual Community (and Fraternity) Day was truly a great success. In addition to weather that is reported to have been the BEST EVER for the event, the turnout was truly remarkable. For example, the antique car show had 85 participants, everything from a 1931 Rolls to that big, old '58 Buick to new Corvettes and custom rods. It was truly a great turnout.

Members of various Shrine Temples were in attendance seeing what is new in our facility and seeing old and making new Shrine friends. Joining those in attendance were two special guests — Douglas E. Maxwell, Chairman, Board of Trustees, Shriners Hospitals for Children and William S. Bailey, Imperial Captain of the Guard, Shriners International. It is always nice to have the most senior people in our organization take their time to visit and join in our celebration. It meant a great deal.

Part of their duties that day was to recognize a special group of Shriners. When we update you on the activities of your hospitals, we talk about the number of admittances, number of new patients and number of follow-up visits, I believe we take for granted you understand how that happens. Well, for those who might not, let me recognize a large group of generally unsung Shriners. They are known by many different names depending upon the Temple where they belong. In Aladdin, we know them as Aladdin RoadRunners! They truly are the glue that holds a lot of this together. We might offer the most miraculous health care solutions possible, but if we can't get the child to the facility, well, not much can happen. While our various hospitals can see many kids from their immediate area, so many come from areas far away. And many families just don't have the ability to travel. Steubenville to Lexington, KY or SE Ohio to Erie — just to name two examples. These men take this precious cargo into their care and deliver them to the help they need and bring them safely back home again. They do it at all times of the day. If a child in Columbus has a 10 a.m. appointment in Erie, they must be on the road at 6:00 a.m. or so. This means our RoadRunners are up much earlier. There are long days in all kind of weather. Having two Erie winters under my belt, I can attest to the tough conditions that are found getting there and back.

For this reason our honored guests from Imperial were on hand to recognize this great group of men who are a critical part of meeting the objectives of Shriners Hospitals for Children. Tom McNeil, my fellow Board of Governors member and a RoadRunner from Steubenville, accepted the recognition on behalf of all our Aladdin drivers. Thanks, Guys! By the way, if you have thought you might like to learn more about becoming a RoadRunner, contact Kim in our office (800-475-3850, Ext. 103) . We are always in need of Shriners to join this elite group. The main requirement is loving our kids and wanting to help the kids who come to us for the miracles we provide every day.

We hope summer is treating you well, enjoy and we'll bore you with numbers and statistics next month!



Cincinnati Hospital

by Bob Lazenby and D. Dee Mowry, P.P.

The July meeting of the Board of Governors of the Cincinnati Hospital hosted two special visitors, Imp. Sirs William S. "Bill" Bailey and Jim Smith. Imp. Sir Jim has been our Imperial Representative for the past three years and is now rotating out of this position and will be replaced by Imp. Sir Bailey who will be our new representative. Bill is from Orak Temple in Michigan City, Indiana. This name may sound familiar to some of our long-time members as his father Imp. Sir Robert B. "Bob" Bailey was the Imperial Potentate from July 1995 - July 1996. Brother Jim was President of GLSA. We welcome a longtime friend, Bill, to Cincinnati.

Your hospital is running somewhat over budget due to some acute and major body burns to some of our young patients. This overage is caused by the need for special treatment, equipment and personnel required for these patients. Imp. Sir Jim made the observation that this was the reason for our existence and that the overage is to be expected in cases such as these. It is very difficult to plan for all contingencies as no one can predict with accuracy when major accidents will happen.

Your hospital saw 94 intakes this month, five of these were acute cases and represented 22 Shrine Temples. The ages ranged from one week to 20 years of age.

The Research Committee presented Steve Boyce, Ph. D., who gave a brief explanation of the research he is doing at the Shriners Hospital, Cincinnati. Dr. Boyce has a major interest in "artificial" skin research. The skin being referred to is actually cells from the patient which are grown in tissue culture and placed on the burn site. About a credit card sized area of healthy skin tissue is removed from the patient which will grow to a square foot of skin generated from the patient's own tissue. This eliminates the "rejection factor" as their body recognizes the skin as "self" tissue. The process typically takes about one month to grow the new cells. Dr. Boyce has been with the hospital 20+ years and is a highly respected researcher.

Due to some major personnel changes in the operating room area, elective surgeries have been delayed during the month of August. Currently there are 246 employees at the Cincinnati Hospital. We have a very good working arrangement with the Cincinnati Children's Hospital and the University of Cincinnati Medical School.

Save the days of September 26 and 27 which will be Open House Days for your hospital. This would be a good time to make a visit to the hospital which is only about a two hour (or less) drive from Columbus following I-71. Either representative will be glad to provide directions.

Membership Memo

by Calvin Smith, P.P.

The June ceremonial was a success – 50 men became members of Aladdin. These men are listed below.

Aladdin congratulates these new Nobles and gives its thanks to those who sponsored them. Bill Dountz of Circleville and the Pickaway County Shrine Club was the leading sponsor with five new members.

Our work is not yet done. We need to continue to pay attention to membership as our year seems to be rapidly closing. Opportunities remain.

1. There are still 300 Nobles who have not paid their 2014 dues. If you are acquainted with one of these men, give him a gentle jab in the ribs and give him a reason to pay. If he needs financial help, tell us. Call Amber at the office and give her the details.
2. We continue to try to restore members who are suspended. The fee is only $50 and petitions are available from the office or on the website, aladdinshrine.com.
3. Our next Ceremonial is Saturday October 25 at Aladdin. The fee is $194 and includes a candidate's 2015 dues of $74. Let's not wait until the last minute.

Start getting that candidate registered. Checkout the *Lamp;* bring this candidate and his lady to the Chicken and Corn Roast - Car Show or a club outing or a unit get-together. You need only ask someone. Do it this week.

See you at the Cruise-in, the Stag Picnic and Clippers' Night. Have you considered the outing to *Tecumseh*? Hey, the Potentate is on top of things; get out and support him and Aladdin. Take a prospective member.

Tabloid Redux

by Thomas W. Rice, Tabloid Chair

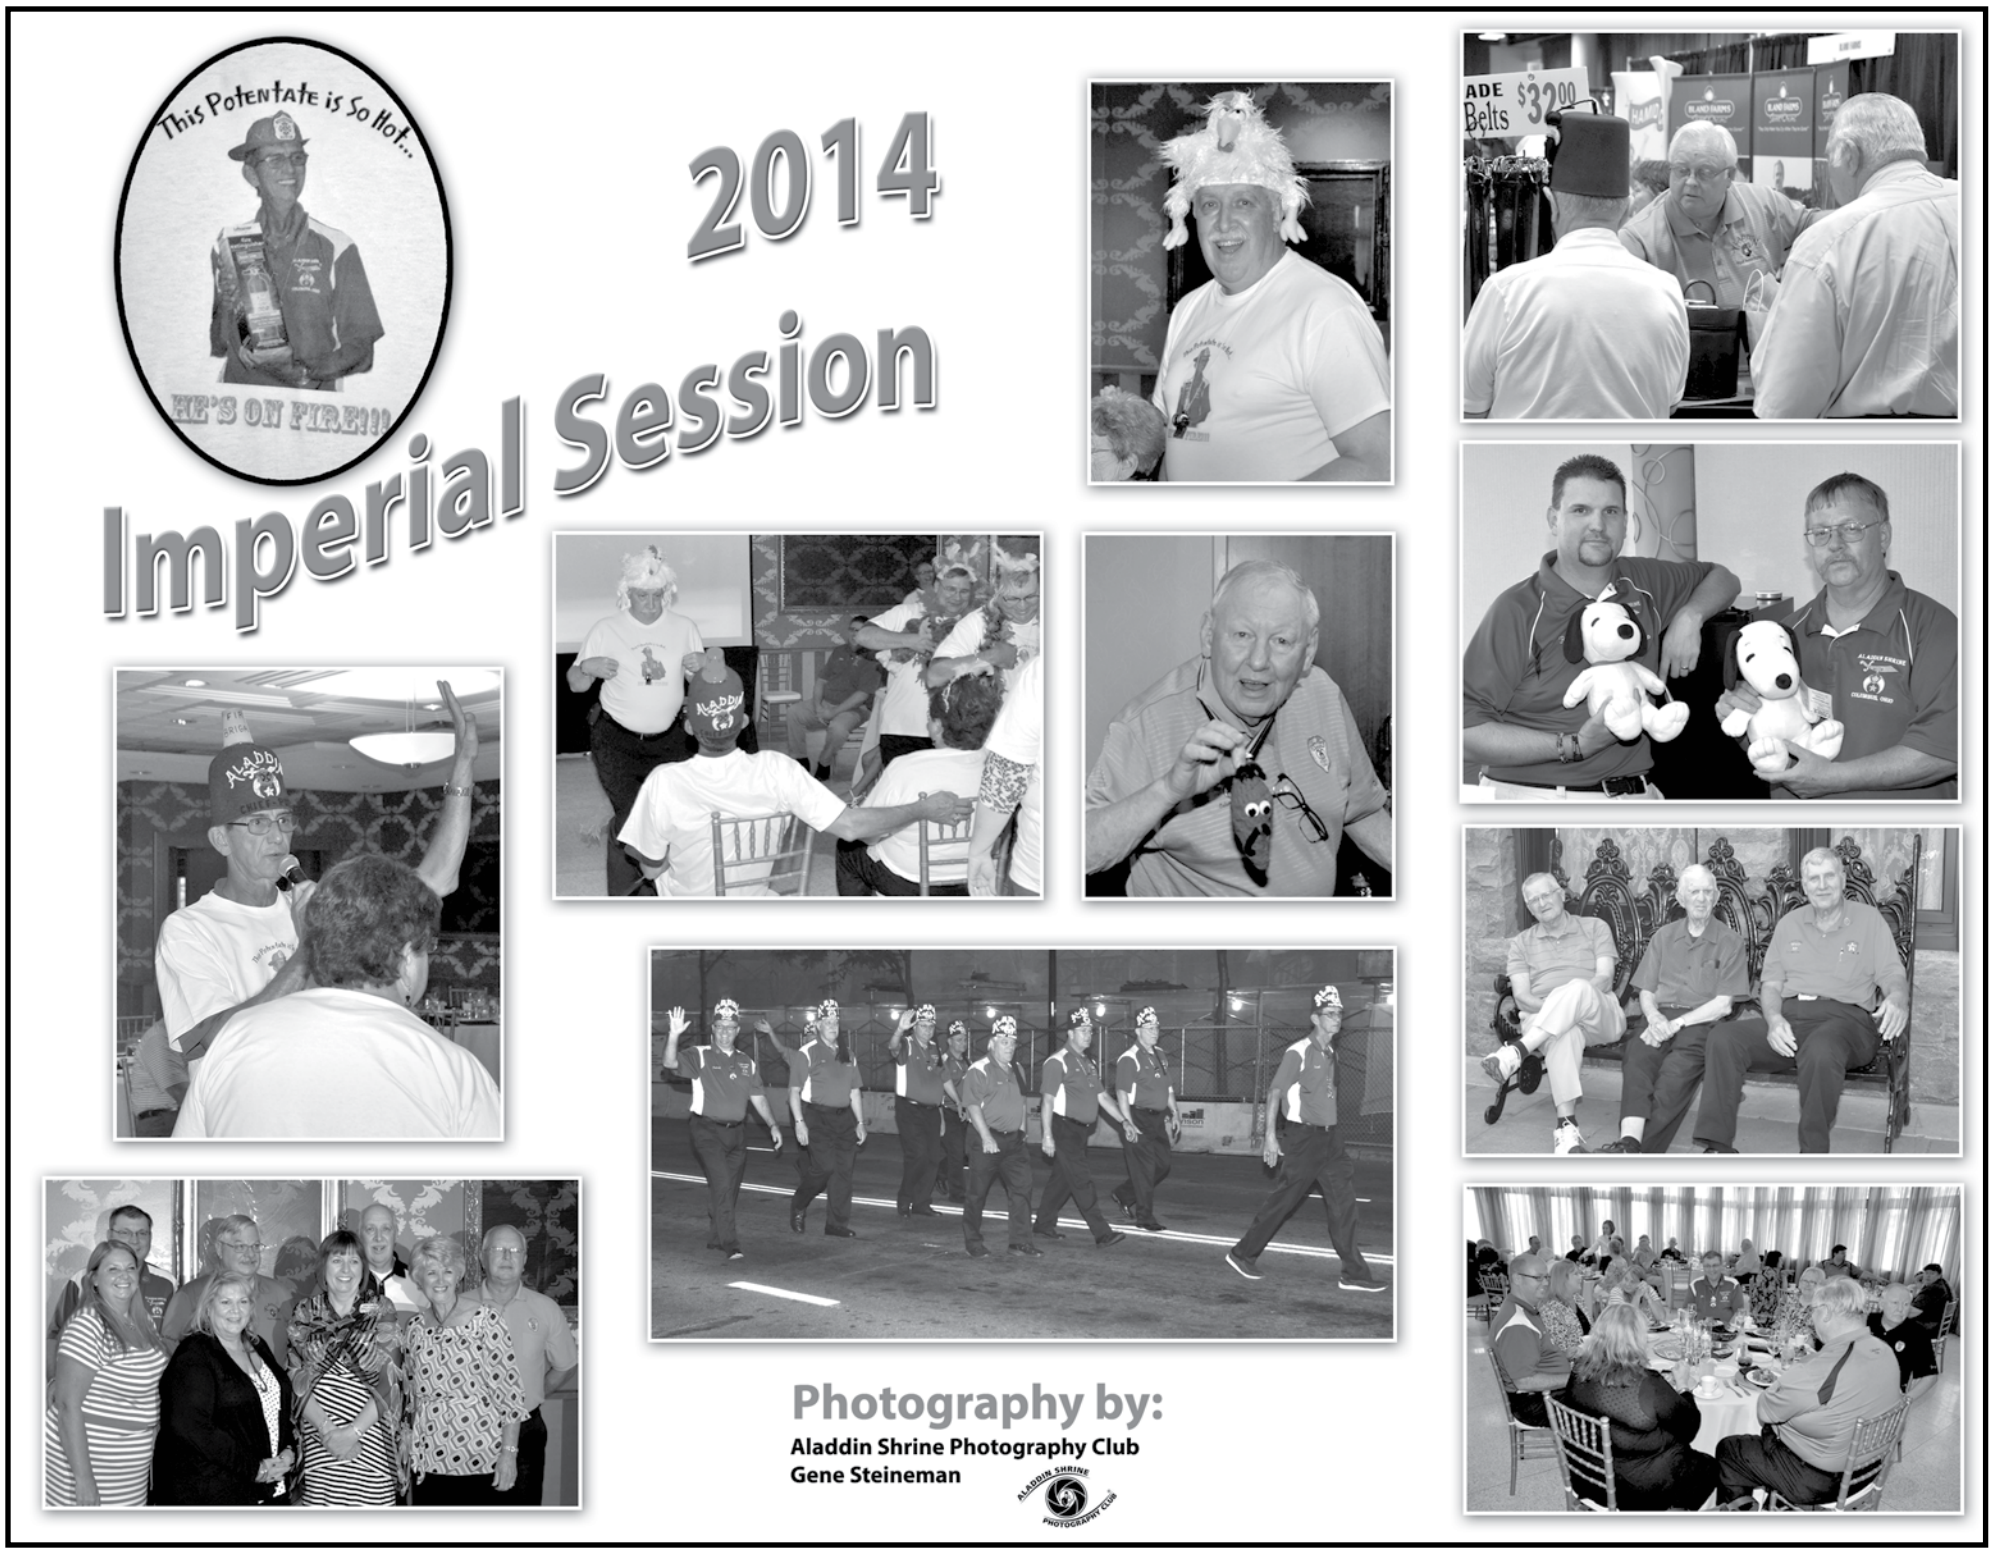
Our total Tabloid contributions to our three hospitals for 2014 will be approximately 15% less this year (including late funds - see below). The aging of our Nobles in general and a lack of participation in particular of some of our younger members contributed to fewer dollars for the hospitals and the children.

However, a great big "thank you" goes out to everyone who participated in this year's Tabloid campaign. Many Nobles work tirelessly throughout the year in their special projects, as well as hitting the streets and store fronts on their club or unit's Tabloid Days.

We again congratulate the Washington Court House Shrine Club for winning the Potentate's Plaque for total contributions and apologize for not recognizing Tommy Shields as the Tabloid Chair. Good job goes to Tommy and all the Washington C. H. Nobles. Your club continues to lead the way for other clubs to follow! We also need to thank the Utica Shrine Club and Tabloid Chair Bob Shaw for again winning the Potentate's Plaque for Per Capita contributions! Great job, Utica, you guys are going to be hard to beat!

With this year's Tabloid Day being so close to the cutoff date for submission of funds to Aladdin's Accountant, Elizabeth Shoemaker, several clubs failed to submit their contributions. Late submissions this year amounted to approximately $14,000.00. As a result of the significant amount of late funds, Aladdin Recorder Don Goodman contacted Tampa and we were granted special permission to submit these late funds. This helps our yearly total but we still fell short of meeting our goal or the amounts we have collected in the past several years.

Let us all start today to make a commitment to Tabloid. If your club or unit does not have a Tabloid project that runs throughout the entire year, develop one. If you think others will carry your load on Tabloid Day, change your thinking. It's not going to happen. If you no longer can work the streets, do something else like water the troops, count the money, help cook or serve lunch afterwards, sit in front of a storefront. Don't have a storefront? Develop one. Ask the owner. You will be surprised at the response. Can't work the streets or sit in front of a store, carry water, cook or serve? Throw your change in a bowl for one year and write a check for $365.00 to the Dollar-A-Day Shriner Program. This year more members joined the $/Day Club but there are many members who have yet to make that a personal commitment. There are many ways you can help. Just make the decision to do it!



First Lady's

Heritage Fund Project

by First Lady Dixie Rogers

The Potentate's Lady sponsors a fundraising project each year. This year I am raising funds for the Heritage Fund Project which will support Aladdin Shriners who need a helping hand to pay their membership dues.

I am selling a wood replica of the Aladdin Shrine Building known as a Cat's Meow Collector's Item for $20.00 each. There is also a patriotic cat pin known as "Casper" that will be sold for $5.00 each to those who want to wear a pin in support of the 2014 project.

Membership is a very important part of Aladdin Shrine and once a person becomes a member it is important that the member stays active. Hardships come to all ages, so this fund will be there to pay the way for those members who might be having a difficult time paying their dues. Members encounter job layoffs, medical bills, medical needs, prescriptions and many other things that no one expects to happen.

The Heritage Fund will be administered by the Recorder and Membership Committee. Any Aladdin member who needs a little help may contact one of these resources for assistance.

Special Awards for Potentate's Choice and Shriners' Choice

Flying Nobles

by Lee McKelvey

The Oshkosh trip will be over when you read this and I hope everything went as planned. We thank David Ray for making the plans for the trip.

I wanted to go but I had knee surgery and it wasn't healed enough to do any walking. I know I missed a nice trip. Don't know if the opportunity will come again. PC Terry Kitchen just had back surgery and is getting back to normal.

Our Chaplain, Jim Paddock, just had his 96th birthday in June. Jim wants to be with us but he has slowed down just a little bit.

Because of my knee I missed all the nice weather we had in June and July. There was beautiful flying weather in both months.

The Potentate and the Divan and their ladies will be visiting the Flying Nobles on September 16 at the Shrine Center. Potentate Garol and Chief Rabban David Wolfe are members of the Flying Nobles and our Deputy Commander, PP Steve Hathaway, was Potentate in 2011.

Try to attend the Potentate's visit and meet these good men who are working to keep the Shrine an active fraternity.

Our next meeting will be on October 11 at the OSU Airport. We meet in the building south of the old control tower. We will be there for our November 8 meeting when we vote on new officers for 2015. Commander Don Shartzer can't believe his year has gone so fast, so we might get him to sign on again for another office.

Since we didn't have any meetings during the summer there wasn't much to write about. We are having a Shrine Ceremonial on October 25; so if you have any potential candidates out there, get them ready.

I hope everyone is staying well because it's rough being down.

Keep your airspeed up and I hope to see you next month.

Marching With The Legion

by Dick Luckay

SPECIAL DAYS FOR SPECIAL PEOPLE –Those wedding bell memories will ring out again for PC Gary and Joann Bogart (9/15) and PC Dick and Nancy Ollila (9/23). May they ring in another year of joy, happiness and togetherness for you all. Happy Birthday wishes from all of us to Janice Van Horn (9/4) and Nancy Krieger (9/22). Another candle will just light up the day and the year for both of you. Congratulations to one and all! God Bless.

PROUDLY WE SERVED – Jim Keenan is a relatively new member of Aladdin's Legion of Honor – but he has stepped right up and accepted responsibilities for our current and future activities. He joined the United States Navy on June 15, 1960, at the age of 17. He managed to overcome the rigors of boot camp at Great Lakes Naval Station, Illinois and was assigned to the *USS Interceptor* (AGR-8) based in San Francisco, California. His ship was an old liberty ship hull that was converted to a Radar Picket Ship. During the Cold War, he would spend 25 to 45 days at sea patrolling the West Coast in support of NORAD, spend two weeks in port to refurbish supplies and upgrade the ship, then back to sea, keeping watch for Soviet ships or aircraft.

After two years of that he decided he'd had enough and separated from the Navy as an MM3 (E-4) in 1963. But he reconsidered that decision a while later and re-enlisted for six years as an MM2 (E-6). He was assigned to the *USS Goldborough* (DDG-20), a brand new ship home ported in Hawaii ("tuff" assignment). His ship had two tours of duty off the North Viet Nam Coast, supporting the aircraft carriers at Yankee Station in the Gulf of Tonkin. The *Goldborough* also provided gunfire support for our troops in South Viet Nam. Between the Tonkin tours the ship made an R & R to Melbourne and Sidney Australia. He was awarded two Navy Good Conduct Medals and a Viet Nam Cross of Gallantry for his service aboard the ship. He was promoted to MM1 and re-returned to civilian life after he finished his tour of duty. Thanks for your service and welcome aboard the *Legion*, Jim.

Athens

Our Green Corn Dinner was a success again this year as it always has been in the past. When everyone works together, things get done! Jerry Robertson got the tables set up, Jim Brooks swept the floor (hope his wife doesn't find out), Larry Hines picked up the corn and helped cook on the grill, Jeff Linscott helped cook on the grill, and Skip Robinette and Ronald Holland helped with the preparation of the food.

The greatest, most amazing thing I saw was our own Noble Bob Mingus, World War II Veteran, 90 years of age, shucking corn and working the door selling tickets along with Treasurer Danny Kasler. Noble Danny has done an excellent job over the years keeping our records in order. Dwight West also helped shuck corn. A big "THANK YOU" goes to all of our other Nobles who worked to make this event a success.

We missed the Cooley brothers, Nobles Bill and Royce, for not being able to make the wonderful salad they always make.

The Black Camel called Noble Robert McIntosh.

The Parade of the Hills is coming; let's all get out and make ourselves known.

Nobles, "keep your tailgates up!"

Hardin County

by Ken Rossman

Our regular meeting was held on July 16 at Veteran's Memorial Park Golf Course Clubhouse with 36 Nobles present. Noble Rossman opened our meeting with a prayer. We then were led in the Pledge of Allegiance by President Ridgeway.

Noble Don Doll gave a good report on our recent onion sale and we gave him a hand for all his work on this project.

Noble Rossman noted that we need help with our Cans for Kids Project since Noble Latham will be out for some time. If we cannot get enough help, our project will be gone. Members can contact Nobles Bob Holmes or Craig Leeth to be explained the procedure. Also, Noble Leeth gave a talk on our Cans for Kids project and how vital it is for us to get someone to help with this project.

Our committee reviewed the project to purchase a vehicle for the YMCA. In their report they recommended we do not purchase this vehicle. End of project.

Noble Rossman gave a final Tabloid Report and compared the results to our results of last year.

We voted to recognize the Cessna Township Officials. They gave us lots of cans.

Noble Leeth gave a full report on Noble Latham. Noble Latham has had several heart procedures and is still in the hospital in Marion, Ohio. We will pray he will get better soon and wish him the very best.

We had our picnic on August 1 at Wilcox Woods. Noble Larry Weaver closed our meeting with a prayer. We gave a big hand to our kitchen crew in anticipation of good meal. We then dined on our meal prepared and served by Nobles Osborn, Michel, Garmon, Hinebaugh and Wagner. Well done, Nobles.

We extend our sympathies to Noble Gene Good and his family on the recent death of his wife, Sharon.

Bucyrus

by Steve Bowman

The Bucyrus Shrine Club held its annual Ladies Night Steak Fry on July 28 at the Crawford County Fairgrounds. Sixty eight nobles, their ladies and widows turned out for a great event. This event has turned out to be the highlight of the year for the Bucyrus Shrine Club.

Club President Wayne Erwin asked for a moment of silence for the service personnel serving our country and followed it with a recitation of the Pledge of Allegiance.

The meal consisted of steak, corn-on-the-cob, salad, baked potato, rolls and for dessert, cheesecake with a variety of toppings.

Rob Zaebst and Rick Miller did a superb job barbecuing the steaks, while Rick Zaebst boiled the corn-on-the-cob. Noble Tracey Achtermann ably assisted Rick with the corn. Noble Steve Bowman made sure that finished food made it to the roasters to be served to the hungry members.

President Noble Erwin introduced our newest member, Gary Wier, and his lady and welcomed them to the club. He told those assembled that the Bucyrus Shrine Club offered a great deal of entertainment and that's why Noble Wier chose to join us. Welcome goes to Gary and his lady.

Noble Ron Sands provided information about the Annual K of C and Shrine Golf Outing to be held in August. He is getting together list of interested Nobles who would like to participate.

In the Sunshine Report. Dean White is still in the hospital after being involved in an auto accident. We should all keep Dean in our thoughts as he has had quite a time so far and has a challenging road to recovery ahead.

Noble Ed Wise told about the Shrine Band that participated at Aumiller Park and those who attended. Several of the Nobles present at the concert passed the hat and the money that was collected was given to the band and sent on to Shriners Hospitals.

Upcoming Dates: August 15 - Bratwurst Festival, August 18 - Special Meeting at Aladdin regarding the new Temple, September 22 - Regular meeting.

Gallipolis

by Frank Petrie, Jr.

Congratulations go to Noble Melvin Craft on receiving his 50-year Shrine pin. This year Noble Melvin has also been awarded the Scottish Rite Valley of Gallipolis Meritorious Service Award. We wish to thank Noble Melvin for his many acts of service during all his years of membership. May you have many more years of service.

Thanks go to all the Nobles who have turned out for our parades. We have kept the old fire truck busy. Noble Jeff Goble chaired another successful golf tournament. "Atta boy," Noble Jeff. Many Nobles helped with Tabloids this year. All their time and efforts are greatly appreciated. We are fortunate to have the help and support of the Gallipolis Lady Shriners and their nice donations. Our club members are always glad to do their part.

Our Fishing Derby was a huge success thanks to Noble Bob Donnett, his family, Noble Eddie Fife, his family and a whole host of Nobles. There were approximately 300 moms, dads, and grandparents who turned out for the event. There were miles of smiles all around.

Welcome goes to our newest Nobles: Noble Roger Rothgeb and Noble Clarence Hill. May you live 10,000 years, always ride a good camel and find peace and tranquility here at our oasis.

The Black Camel has stolen through our midst. It is with a sad and heavy heart that we say farewell to long-time active member Noble Charlie Bailey. Noble Charlie was very active until health problems slowed him down. He will be sadly missed by friends and family.

Remember, Nobles and ladies, you can tell more about a person by what he says about others than by what others say about him. See you for supper, Thursdays at 6:30 p.m.

Just Clowning Around

by Mike "BucketHead" Clark

This is P.N.C. BucketHead signing on.

CLOWNS IN THE BARREL -We made the trip down to the Cincinnati Shriners Burns Hospital's Camp Ytiliba at the YWCA Campgrounds down by Mason, Ohio. Traveling were myself and my daughter Abbadini [Abby] and from Syrain Clown Unit, Andy "Chillie Pepper" Mellman. Now CP, who lives a very short distance away, missed the exit that he was supposed to take and took the next one instead. Then CP, who was wearing his clown outfit (pants and vest with wild pattern of brightly colored hot peppers on a black background, black shirt and shoes, tramp face with a painted bright red nose and red gloves, black helmet and sunglasses)and was riding on his purple motorcycle proceeded to get lost in the winding hills and hollers of the area. He was so lost that he had to stop at the Fort Ancient gift shop and ask for directions. If he had just gone another mile down the road, he would have been at the camp. Can you imagine the looks on the people's faces when he walked into the gift shop? But all and all, we had a really great time with those amazing kids! Looking forward to going down again next year!

In a past article I had mentioned that Hobo Freddy received some donations and I did not have all of my facts straight. This is my attempt at setting the record straight. It was at the Aladdin's Children Christmas Party. The $10 was given to Hobo Freddy by seven different people. The money was then given to Aladdin's Hospital Fund. Hobo Freddy thanked the people who gave him the money and told the people that the money would go to the Shrine Hospital Fund. The sign around Hobo Freddy's neck read "feed the poor."

OTHER CLOWN ESCAPADES

In August, either we headed or will be heading to Canton for the Football Hall of Fame parade, then it's the Bucyrus parade, the Reynoldsburg Tomatoes Festival and the Cruise-In and Chicken and Corn Roast.

The Crone and Colitis event was attended by Toots, Skates-Hip-Hip, Pozi and me. Another event was the Good Guys Hot Rod Car Show attended by Toots, Skates-Hip-Hop, Pozi, Nutt, Brushes, Tuitt, me and JACK BOPE! Jack needs a pat on the back for he did his first face painting! Good Job, Grumpy… I mean Jack!

CRACKING THE SHELLS FOR HATCHDAY

Unless I misread the log roll, there were no shells to hatch in the month of August. If I did… OOPS!

SUNSHINE REPORT

Please keep the following clowns and family members in your thoughts and prayers: the old and lovable Irv Denune, Tootles, Heine, Babbert, Barton, Shriver, McKitrick, Sore Paws Cee-Jay and, of course, our faithful leader, ever so delicate area, Nutt. Once again, if I miss anybody…. OOPS-A-DAISY!

Please remember to pray for those who are serving on the battle front, either here or abroad, defending us and even protecting us with their blood, sweat, and lives! Take time when you see one of these brave souls and greet them with a strong handshake or even a hug. Say to them "Welcome home; thank you for your service and all the things you have done for our country's freedom. Thank you and may God bless you."

P.N.C. BucketHead reporting off and May God bless you all!

Kambri

by Dick Brixner

On Thursday, July 24, we had eight Nobles, including Event Chair Noble Ron Lepage, show up at Southeastern Med's Annual Health Fair at our city park. This event took place in the large pavilion. The theme this year was "hit one out of the park," and was opened to 3-11 year- olds and their families. Our club shared the Shrine Hospital's message and passed out this year's Tabloid newspaper. We also gave away two bicycles, one to a lucky boy and one to a lucky girl. A good time was had with plenty of safety, education, and food for all.

Your Kambri Shrine Club held their annual fish fry on Saturday, July 19, with the Freeport Lodge hosting the event. Kenny Warnock, Lodge #415, opened the evening with a welcome and offered the prayer.

Thanks go to our cooks, Nobles Dave Black, Buzzy Ferguson, Ron LePage, Ron Herman and Dick Bates who prepared 50 pounds of fish filets and hamburgers and hot dogs. We also had enough covered dishes to feed the nearly 100 members and guests. Nobody left the building feeling hungry. Freeport Lodge also provided provided gifts for 20 the attendees. Nobles, you missed a great event, great food, and great fellowship with members from Kambri, Freeport Lodge #415, Lodges #66, 415, and members from OES #211 and 319. We ended up with "standing room" only.

Nobles, I had some wrong dates in my last article and for that, I apologize. Here are the correct dates. Our steak fry will be Thursday, October 9 at the Plumbers & Pipefitters Hall; our annual election of officers for 2015 will be held on Thursday, November 20 at the Deep Cut Tavern; and our annual Christmas party will be Thursday, December 11 at the Plumbers & Pipefitters Hall. Mark your datebooks and calendars now!

Nobles, we are still looking to increase the number of "Tin Lizzies" and drivers. If you are interested in buying a car for parades, please see Nobles Lynn Weekley or Frank Potts. It is parade season and the activities will begin.

Nobles, did you see the Tabloid dollar results in the *Lamp*? Our club raised $5,819.00. Aladdin's total was $225,244.45 – a decrease from the year before. Our club had 21 Nobles on the streets. If we had more Nobles on the streets, it stands to reason we would raise more money for our hospitals. Please plan to help next year to include sending in your donations. Thanks.

Nobles, watch for coming events at Aladdin which includes the stag picnic on Saturday, August 30. (10:00 a.m. - 2:00 p.m.). On Tuesday, August 19 it is Aladdin Night at the Columbus Clippers. You should have received a mailing from Aladdin with additional information.

Follow the move of Aladdin and offer your input. There is a meeting forthcoming to vote on proposed locations. A letter was sent from Aladdin.

Keep up to date on the hospital activities at our Shriner's Hospitals in Erie, Cincinnati and Lexington.

Nobles, as you have heard before, this is your club – come out and enjoy the events. It is always food, fun, and fellowship. If you have any ideas for an activity, let your club officers know. We need to get more Shriners and their families involved.

Aladdin Shrine Band

by Steve Titus

I'm always having to make corrections as I'm new to this job. Two months ago, I forgot to mention Tommy Dale's wife in the article I wrote about him. I'm so sorry, Pat. You are such a sweetheart and Tommy is a lucky guy. I'm glad you share your time with us.

Happy "end-of-July" and on to August already.The Dance Band played a nice gig in Marion at McKinley Park. We had a huge crowd which is nice for getting the Shrine name out there.

The Band picnic at Wallers was a great success. We had 45 members attending for good food and great company. If you missed it, try to come next year. Clyde Compton cooked and I salted and peppered the burgers.Tough job for me! His wife Connie helped set up the other pot-luck dishes that were brought. Thank you, Connie and all the others, who helped with the preparation. BTW - We have a black serving spoon with the name Betty Crocker on it. As far as I can tell, we don't have a Betty Crocker on our roster. A small cookie sheet is also looking for its home. Talk to Clyde at 614-309-8729 and be ready to show adoption records.

THANK YOU TO ALL WHO HELPED TO CLEAN UP AT WALLERS !

When you read this the concert at the Masonic Home will be history as will the Bucyrus Parade.

The Portsmouth Parade is August 30 with lineup at 10:00 a.m. The Worthington Street Fair is on September 20. That's all there is to report at this time of year.

Our Band President was invited to the Aladdin Shrine Circus 2014 Awards Dinner at the Montgomery Inn in Dublin on Monday, July 21. Clyde came in second in Advertising Sales by selling $940 and he got second place in ticket sales by selling $1,400. That gave him a combined total of $2,340 which earned him the top spot in the Red Jacket Club. He was awarded a beautiful red sport coat with a "Red Jacket Club" patch on it. Maybe he'll bring it to a band practice to show it off. Great job, Clyde. See you at practice.

BAND BIO: This month I'm featuring Nelson Foucht, one of our Ohio to Florida "snowbirds." Nelson is originally from Zanesville. He went to the Navy for four years, one year at Great Lakes, then to Washington D.C. and then to Cuba. On he went to the University of Cincinnati Conservatory of Music for four years. He studied under Ernest Glover. He started the UC Jazz Band as Director. and he has played professionally ever since. He subbed in the Cincinnati Symphony.

He wanted to stay in Cincinnati to teach but could not so he went to Milroy, Indiana for one year. Next he was off to Zanesville for three years. He entered the Columbus School system at Mohawk Jr./Sr. High for five years, off to Indianola Middle School for three years and then to Beechcroft for ten years.

During this time he subbed with the Columbus Symphony and played with numerous bands that came through town such as Doc Severinson, Myron Floran and Chuck Selby. He played with the Barnum and Bailey Circus and the Jazz Arts Group for several years. Nelson was Coordinator of the Shrine Bands of North America (SBANA) for ten years. He has been a member of the Shrine since 1982.

Today, he directs with the Shrine Concert Band and is Director of the Dixieland Band. Nelson wants me to mention that he propped up Tommy Dale while they were out on jobs. I think I'll stay out of that one. Everyone likes to kid him and he is always a good sport about it.

His wife, Peggy, is a trained singer who has a beautiful voice and personality to match. We always enjoy having her at our functions.

Ross County

by Randy Davis

The Ross County Shrine Club held its meeting on July 24. A good evening was enjoyed by all that Thursday night as the weather couldn't have been better for a cookout. Noble Mike Haller grilled hamburgers and brats for all. Nobles Bob Baranick, Ron Miner and Dan Riddle helped serve potato salad, baked beans, cole slaw, cake and ice cream to the 43 in attendance.

At this mailing, the Ross County Fair will be over and we would like to thank all the Nobles who helped with the ice booth and melon booth. We wouldn't be able to do it without our dedicated members.

A moment of silence was given for the passing of brothers George Sparks and Wayne Mallow. Our condolences go to their families .

Get well cards were sent out to Donald Strausbaugh and Neil Smith. We hope to see these Nobles at the next meeting.

Dan Riddle spoke about the steak dinner fundraiser they held. "Thank you" goes to all who made it a success!

Under new business, Noble Bob Jones asked about using our building in February for the Grand Masters Reception of the 7th Masonic District. February 14, 2015 has been set for this event. The only thing that is not confirmed is the menu that they want us to serve and cost. A committee was formed for this event with Ron Miner, Dan Riddle, Mike Haller and Randy Davis.

Noble Haller would like to know how many Nobles would be interested in going to visit the Shrine Hospital in late fall. He will check on a date and put the trip together.

The meeting adjourned at 7:58 p.m. We hope to see you at the next meeting. Bring a Friend !

Provost

by John Rohal

The Provost Unit was dark for the July monthly meeting, but our Imperial Council Session in Minneapolis was very well attended by our members, including Robert and Mary Jo Albright, Richard Aldridge, Barnitz and Fran Hayman, Howard Beane, Harold Nairn, John Bivens, Gary Hamre, Jeff Brock, Bob and Ann Cannon, Dale and Katie Cline, Aaron and Judi Dominey, Denny and Sue Feyh, Dick and Ginny Fogt, Don and Kris Goodman, Steve and Betsy Hathaway, Jon and Cindy Kinney, Bob and Judy Laird, Charles and Laura Linek, Russ and Nancy Miller, John and Mary Rohal, Bill Selsam, Gene and Betty Steineman, George and Peggy Stowe, and James and Joanne Wray.

The annual "celebrate Howard's pizza birthday party" was the usual success even though "chef" Charlie Linek had to substitute cupcakes for the usual birthday cake.

Celebrating birthdays in August are Christopher J. Baer, Kenneth D. Bethea, Dennis E. Campbell, William P. Fieger, Michael P. Gray, M. David McDonald, Donald Shartzer, George H. Thompson, Mark J. Ulloa, Michael D. VanHuss, Herbert A. Wise, and David Zeis.

Our Sunshine Committee had no reports of anyone with new problems, so let's hope it stays that way. See y'all at the family picnic and the Temple activities in August.

Reception

by Don Owens

It seems a shame, with such comfortable weather for this time of year, that the Baltimore parade was cancelled. The Bucyrus Bratwurst Festival parade was able to keep going. We can only hope that the weather pattern continues to be so favorable for marching, or riding, if you prefer the 8-man golf cart.

The next big event for the Aladdin Shrine will be the special meeting to take place on August 18 to vote for a new Temple site. We have all been notified of the four sites under consideration (see Potentate Garol Rogers' letter of July 22, 2014). Please take the time to develop some knowledge of these locations and discuss them with other members. It is important to set our personal interests aside, respect the work of the site selection committee, and vote in the best interests of the fraternity.

The Reception Unit has returned to its accustomed position as number one in advertising sales for the 2014 Aladdin Shrine Circus. This is due largely to the efforts of Jim Hughes, Jack Bonn and Charlie Harger. Well done, Nobles.

As reported in Facebook postings, Charlie Harger has completed a rail and bus tour out west, visiting Glacier and Yellowstone National Parks. Judging by the photos, he had a great time.

Noble Frank Swiatek and Valerie have been blessed with a grandchild, their first, named Frank Michael, III. Our congratulations go out to them and to Frank, Junior and his wife.

Member and Past Potentate Dan Stainbrook and Lady Ann were spotted at Delaware's Blast From The Past car show with their beautiful 1940 Ford coupe. Perhaps we will see them, and it, again at the Annual Car Cruise-In/Chicken and Corn Roast on August 16.

It is worth mentioning that we have no new medical problems among the membership to report this month, unless we include birthdays as medical problems. Celebrating an August birthday is Noble Harry Webster, along with our departed Quartermaster, Bill Compton. Happy birthday, Harry and Bill.

Past Masters

by Dick Bull

Our unit is looking forward to the annual Potentate's visit at York Golf Club on Friday, September 5. First Vice President Doug Hoover is in charge of all arrangements. We are expecting a good turnout since Garol Rogers is an honorary member of our unit.

We participated in the Bratwurst Parade in Bucyrus on Friday, August 15. In September we will attend the Canal Winchester Labor Day Parade, the Marion Popcorn Festival Parade and the Jackson Apple Festival Parade.

Our annual summer picnic was held on Sunday, August 3 in the Eagle Pavilion at Fryer Park, Grove City. Assistant Director Neil Elam arranged the location and Second Vice President Bruce Kinsey was picnic chairman.

Congratulations go to our own P. P. Gary Parks upon being designated an Emeritus Member of the Colorado Corporation at Imperial Session in Minneapolis recently.

Also, congratulations go to Ol' Vern and Dottie Freeman on 65 years of marriage.

The Black Camel took John Canter in July and our heartfelt sympathy goes out to his widow, Velma. We continue to remember and pray for recovery for George Finch in Arizona (elevated cancer indicators), Dottie Belfrage (broken leg), Mona Lee Trego (foot amputation), Jim Krinn (setbacks from stomach problems) and Suzy Stevens (cancer).
