Shrine Offers Diverse Range of Activities and Fun

by Ronald "Ron" Leonard, Potentate

Last month we talked about how hot it was; now we are concerned with all the constant rain. Hopefully, none of you experienced any flooding as did the folks down in Louisiana. Ironically, the western states cannot seem to get any rain. I am sure that Louisiana would love to give the west all they get! We have not heard anything yet from Imperial as to any Shrine Centers being flooded.

By the time you read this edition of the *Lamp*, the Divan will be getting ready for its annual trek to the Great Lakes Shrine Association meeting which will be held in Indianapolis this year. Ill. Sir Bill Amspaugh, PP, currently the 3rd Vice President, is anticipating being elected to the position of 2nd Vice President. Best of luck, Ill. Sir Bill!

Those who are going on the Potentate's Trip to Colorado will be leaving the day after we return from Indy. We will report on that trip in the October *Lamp*. Nobles, it bears repeating what I said last month; if you have never taken any of the Potentate trips that are planned each year, you need to do so. They generally go places you can only dream about. The trips are well-planned and you can visit places that are once-in-a-lifetime experiences. I am still receiving very favorable comments about our recent trip for the Danube River Cruise and stay in Munich. I call attention to the 2017 Potentate's trip that is listed on page six of this *Lamp*.

The Southeast Shrine Club had another fantastic fish fry on August 5. If you have never been there, you need to make plans for next year and the price is right for an all-you-can-eat meal. The Hardin County Shrine Club Visitation was a joint visitation with *Continued on page 2*

Zenobia Shriners from the Toledo area. The Grand Master of Ohio and several of his Grand Officers were in attendance. MWB Rob Rill, Jr. is a member of Zenobia Shriners. The Potentate of Zenobia Shriners is Charles Murphy, a Past Grand Master of the Grand Lodge.

Activities for September include our Stated Meeting on the 19th. Be sure and make your reservation for dinner either through Local Level Events (www.localevelevents.com, username: aladdin) or by calling Amber. The Grove City Parade steps off on the 17th and the Jackson Parade on the 24th. The Divan and several Nobles and Ladies will visit several clubs and units. The First Lady's trip to Oglebay Resort begins on the 30th. More about that in October.

Looking ahead to October, we are bringing back the Halloween Party together with a Tailgate Party as OSU plays Northwestern at 5:30 p.m. There are lots of TVs in the Oasis and Aladdin Rooms to so you can watch the game. See details on page 12 . The Circleville Parade will take place on the 21st.

I would like to point out the Divan traveled to Lexington, KY at the end of July and presented our Tabloid and ASHAC contributions of $161, 859 for Lexington Hospital. In August, we traveled to Cincinnati to present our Tabloid contributions to the Cincinnati Burns Hospital and we will do likewise in October for the Erie Ambulatory Center.

On August 28, we had a work session in the garage to move a number of items to the mezzanine and reorganized the various items that were left following our move last year. We also painted the four columns that were encased with concrete to protect the columns from errant vehicles. This opened up additional parking areas for Shrine vehicles. Thanks go to all who came out and assisted in this endeavor. Big thanks goes to our HP & P, Rodney Holdren, for organizing the work parties.

Membership is important to all organizations and that includes ours. See the membership article below . Several of our Nobles still have not paid their dues, but you need to let us know if you are having some type of health or financial problem. We cannot help you if we do not know what the problem is.

The time is NOW to start lining up candidates for the December 3 Ceremonial. *~ Ronald "Ron" Leonard, Potentate*

What's It All About, Nobles

by Mark Froehlich

Many of us can recall the 1966 hit song "What's It All About, Alfie." This is a question that all Nobles should readily know the answer. Hopefully, we all can come up with a lot of good reasons why each of us became a Shriner. Being an Aladdin Shriner is so much more than carrying a new gold plastic membership card or wearing a fez in the heat of summer while participating in a mid-day parade.

It's about fellowship and being around and involved with men who share the same values. It's about helping and giving to others especially through fundraising efforts in support of our Shriners Hospital for Children® and having a lot of fun doing it. What's the cost for all this? Not very much. Shrine membership is one of the best values in all Freemasonry.

What's it all about? It's about participating in a club or unit. It is about asking a fellow Mason to join. It's about asking a Brother Mason to rejoin the Aladdin Shriners and to be active again. We have a fantastic new facility with a tremendous outside area. We have monthly events for Nobles as well as for family and friends. If it's not a free event, it is an event well below-market price for admission. A Noble's dollar goes a long way when attending an Aladdin Shrine event.

What's it all about? It's about getting an excellent value for the annual dues paid. The real value however is sharing our fun and fellowship with others. The date to do just this is getting near. The Fall Ceremonial on December 3 is approaching fast. As Shrine-Masons we need to continue to go out to our respective Blue Lodges and ask "1 2 B 1," a takeoff on "2 B 1 Ask 1." We all know this slogan that is used to promote Masonic membership. As Masons already we can directly ask these Lodge Brothers to join us. Aladdin Shrine membership is not only awesome, it is priceless. We all just need to ask a Mason to join because sharing the Shriner experience is indeed what's it all about, Nobles.

Tabloid Times

by Bob Stevenson, Tabloid Chair

*You may delay, but time will not. – **Benjamin Franklin***

Welcome to fall! Yep, it's here again. The Buckeyes are on their way to another great season, the Shrine year works its way to the year's end and Tabloid 2017 is under way.

A word about 2016—no, we did not make $200,000 but we came very close. Aladdin still raised a lot of money to be split among our hospitals in Cincinnati, Erie and Lexington. And believe me when I tell you, every dollar is appreciated by them.

> *Now we need to begin the process of finding new, different and better ways of raising funds for Tabloid.*

As a hint, let's look at Madison County Shrine Club. Noble Randy Lintz made contact with two local non-profit organizations about making donations to Shriners Hospital for Children®. One was the local Eagles who wrote a check for $5,000. The other, the local VFW, contributed $1,000. As Randy reported at the Aladdin Stag, these organizations need to contribute half of the income from "games" to charity. Why not Shriners Hospital for Children® via Tabloid?

Many of you Nobles are also members of these and other organizations. Find out who you can talk to and get your group in line. There is no question that "hitting the streets" is about over for us. Age of Nobles, municipal regulations and other constraints like weather, make it harder to do this. Also, more large business groups are enforcing "no solicitation" rules for their stores. Another issue is the smaller communities are more involved with things like Shriners Hospital for Children® than major metro areas like Columbus. The small towns make it personal; folks know each other and support each other. We need to take advantage of that.

Some years ago we featured different clubs/units that had success raising funds and letting you know how they did it. We are going to do that again this year. If you want more information about what Madison County Shrine Club did, give Randy a call. He'll be glad to talk with you.

We can all either get started on doing things differently than in the past or we can watch opportunity pass us by. Think about old Ben—he knew time doesn't wait and we can't wait either.

Thanks for all you do!

Cincinnati Hospital

by Bob Lazenby & D. Dee Mowry, P.P.

The July meeting of the Board of Governors was the usual picnic meeting—that is, NO neckties. What a novel idea that was especially when the temperature was in the mid-nineties!

The research committee is moving along and searching for two new researchers—one in biomedical engineering and one in stem cell research. The hospital research laboratories are in the process of being updated in order to attract top-notch researchers. The research presentation was given by Dr. George Babcock who is currently working on phage therapy. As our current arsenal of antibiotics is becoming less and less effective, "new" modalities of attacking pathogens are being investigated. You will notice that "new" is set off by parenthesis around it because this process has been around nearly 100 years. A phage particle, or more properly a bacteriophage, is a virus which phages or parasitizes a bacterial cell and destroys the cell. Phages are very specific and work only on specific bacteria. This work is in conjunction with the United States Navy at their laboratories near Washington, D. C. The importance of zinc levels in the system is another area of research by Dr. Babcock.

At the regular board meeting, a check in the amount of $25,000.00 was presented by the Toyota Company of North America. Your hospital has raised $1,210,397.00 from 1,707 donors to date this year and has a yearly target of $2,200,000.00.

On the patient side, earlier in the current week,the hospital had 14 beds full including one patient from Canada and one from the Ukraine. Negotiations are ongoing with the country of Columbia to receive patients from that area.

The Divan Days event was held August 27 beginning at 8:00 a.m. with a hot buffet breakfast for all and followed by hospital tours and presentations. A hot buffet lunch was served for all guests, also in the Atrium. The regular board meeting was at 1:00 p.m. as well as more hospital tours.

Chaplain's Chat

by D. Dee Mowry, P.P.

Chaplain D. Dee Mowry, PP

"Tis the season" is a phrase often heard around the Christmas season, but it is somewhat appropriate at this time of year as well. "Tis the season" for fresh garden tomatoes, sweet corn and a whole array of goodies produced from local gardens and by local farmers. Early indications point to a banner year of corn, beans etc.

However, we must be careful of what we plant as Job noted in chapter 4, verse 8 (RSV,) "As I have seen, those who plow iniquity and sow trouble reap the same." What are you planting in your garden? Psalm 126, verses 5 and 6 give this perspective. "May those who sow in tears reap with shouts of joy! He that goes forth weeping, bearing the seed for sowing, shall come home with shouts of joy, bringing his sheaves with him."

Psalm 78 is another example of the Supreme Architect providing food for his people, although God was somewhat provoked with his people as they wandered in the desert and were questioning God and mockingly asking, "Can God provide a table in the wilderness? Can He also provide bread and meat?" The anger of the Lord was provoked, yet he commanded the skies above and opened the doors of heaven and manna rained down upon the people.

In Psalm 1:2-3 (NKJV) we find these words, "He shall be like a tree planted by the rivers of water, that brings forth its fruit in season…"

Let us remember our blessings by this prayer from the book, *Encouraging Prayers for Morning and Evening*. "We come to you this morning, meditating on Your Word. That is our living water. You are the quencher of my thirst: You provide everything for me. As I go through the activities of this day, may your hand be upon me. To Your good and great glory, Lord, amen!"

Meet The Imperial Potentate

Imperial Potentate Chris L. Smith

Chris L. Smith, of Olive Branch, Mississippi, is currently serving his 11th year as a member of the Boards of Directors for Shriners International and Shriners Hospitals for Children®. Smith was elected Imperial Potentate, part of the 12-member body that helps govern the Shriners fraternity, during the Shriners' 2016 Imperial Session – held in Tampa, Florida, July 3 - July 7.

As Imperial Potentate, he is the highest-ranking Shriner in the world and serves as President of the Board of Directors of Shriners International, chairman of the Board of Directors of Shriners Hospitals for Children, and a member of the Board of Trustees of Shriners Hospitals for Children.

Grateful for the Opportunity

"Ethel and I thank you for your amazing, heartfelt outpouring of support during Imperial Session. We thank you for being with us on the long journey to the offices of Imperial Potentate and First Lady of our great fraternity. And we thank you for entrusting us with this opportunity and responsibility to lead and guide; we promise to do the very best we can to strengthen and enhance Shriners International and Shriners Hospitals for Children," said Imperial Sir Smith.

Working to Strengthen the Fraternity and the Philanthropy

As Imperial Potentate, Smith plans to emphasize continuing the long-range plans that are in place, strengthen the programs that promote membership in Shriners International and raise awareness of the fraternity and philanthropy, and put new efforts in place as needed.

"These are critically important, long-term issues that can only be solved with ongoing, consistent effort, and with the commitment of every noble, staff member and volunteer to work together, unified by the importance of the missions of our two great organizations," said Smith.

He will stress the importance of fraternal involvement in Shriners Hospitals, and said, "We need the red fez in the hospitals. Our Nobles can make a real difference to our health care system." In terms of the health care system, Smith said it will be important to be prepared for the constant changes in the health care industry, and be ready and able to adapt quickly and appropriately to changes.

"We've got to be ready, flexible and nimble," Smith said.

There are always leadership changes following Imperial Session and Imperial Sir Smith has asked that everyone be supportive and remember we are all working toward the same goals.

A History of Service and Commitment

Smith was raised a Master Mason at Whitehaven Masonic Lodge #599 at the age of 21. Smith is a member of the Memphis Scottish Rite and York Rite bodies of Mississippi. In 1978, Smith was made a 32nd degree Scottish Rite Mason, and later a Knight Commander of the Court of Honour.

Originally, Smith became a member of Al Chymia Shriners in Memphis, Tennessee, but later became a member of Wahabi Shriners in Jackson, Mississippi, where he served as the temple's Potentate in 2004. Smith is also an active member of the Olive Branch Shrine Club, where he served as president. He has also served as president of both the South Central Shrine Motor Corps Association and the Dixie Shrine Motor Corp Association. Smith began his Masonic journey when he joined the Order of DeMolay at Whitehaven Lodge in 1969.

At the national level, Smith served on and as chairman of the Buildings and Equipment, Salary and Personnel, Special Purpose and Fundraising and Public Relations Committees. He also served on the Membership Committee. Smith attended the State Technical Institue in Memphis and Ferris State University. He is in the heating and air conditioning business, and is a member of the American Society of Heating, Refrigerating and Air-Conditioning Engineers and the Refrigeration Service Engineers Society. Smith is a native of Memphis. He and his wife, Ethel, have two children and four grandchildren, who also live in Olive Branch.

The Sky's The Limit - First Lady Ethel Smith's Fundraiser

Helping Children Become Confident and Independent Confidence. Self-Assurance. Bravery.

Imperial First Lady Ethel Smith

When you have these things, you can believe in yourself—and in your dreams—and do amazing things. In fact, The Sky's the Limit.

How can we instill these qualities in children, especially children who are living with complex medical conditions? One way is through enjoyable, experiential programs—like camps.

"We all want children to be confident, self-assured and unafraid. To help make this possible, we want to ensure that more patients of Shriners Hospitals for Children® have the opportunity to go to camp and have some fun, make new friends, and build their self-esteem and confidence in the process," said Ethel Smith, First Lady of Shriners International.

Building Confidence and Self-Esteem

Shriners Hospitals for Children is noted for providing excellent medical care. Our patients receive individualized treatment that may include surgeries and a variety of occupational, physical and other therapies to help them recover to the fullest extent possible.

Our concern for their well-being does not end there. Because of the nature of many of the conditions we treat, our young patients often face a long road to recovery, and must learn to adapt to new ways of managing the challenges of everyday life. Helping them develop these skills, as well as other more intangible inner strengths, such as self-esteem and confidence, is also part of the work and mission of Shriners Hospital for Children®.

Our health care system offers a variety of programs to help our patients develop a wide range of psychosocial skills. Many of the efforts are in the forms of "camps," which may be held onsite at the hospitals, or somewhere in the local community. Activities range from therapeutic horseback riding to skiing adventures. Some programs are designed to encourage patients coping with a specific condition, such as spina bifida; there are also camps for those with hand deficiencies, burns and spinal cord injuries.

These camp experiences provide unique and valuable experiences for our patients and, like all services and programs at Shriners Hospital for Children® – are provided regardless of the families' ability to pay. But that doesn't mean there is not a cost involved for our health care system. In fact, they can be expensive to operate, and most are funded by donations.

Ensuring More Children Experience Camp

First Lady Ethel believes that encouraging our young patients to have new experiences will help them discover inner strengths, while having a lot of fun. Her program, The Sky's the Limit, will augment funding for Shriners Hospitals for Children's special camp programs, which provide these opportunities, and include a wide range of fun-filled activities.

For a donation of $40, contributors will receive a beautiful bracelet with a bead representing a hot air balloon, indicative of the program's theme, or a gorgeous scarf; donors will receive an elegant gentleman's tie for $30. To learn more or to place an order, please visit support.shrinershospitals.org/FirstLadyEthel or contact a Lady of the Divan at your temple.

Patient Revisits Hospital

Because of the love and care of Shriners...

Wyvitta became a patient of Shriners Hospitals for Children — Lexington in 1961 when she was diagnosed with arthrogryposis at 1 year of age.

Over the course of her care at Lexington Shriners Hospital she underwent 16 surgeries. Today, she has returned to the hospital that provided her hope and healing to inspire other patients.

"I do not know how they did it! All I know is that my mom was told I would never walk, that is until she brought me to Shriners," said Wyvitta. "Shriners took me in and not only did they help me walk, they helped me become the person I was created to be. I am independent today because of the love and care I received from Shriners. God bless Shriners Hospital for Children®!

Former Patient Now Ambassador

Lily Silverstein was born with fibular hemimelia, meaning she did not have a fibula, the outer thin bone that runs from the knee to the ankle, in her right leg. She underwent a Syme's amputation, which is an amputation done through the ankle joint that helps to preserve the heel pad, and she received her first prosthesis a few months later. When Lily was 3 years old, she became a patient of Vishwas Talwalkar, M.D., pediatric orthopaedic surgeon at Shriners Hospital for Children® — Lexington.

Lily has worn a prosthetic leg for most of her life and has been through five surgeries to straighten what is left of her other leg. Despite this, she is, and has always been, just a typical kid. She played soccer for six years, danced for eight years, played piano for 12 years and completed two triathlons. Moreover, she is taking classes at her local community college while still in high school and attended the Kentucky Governor's Scholar Program this summer.

"I am never embarrassed of my leg because I was never taught to be, not by my parents and not by my hospital," Lily said.

Now 16, Lily serves as a patient ambassador for the Lexington Shriners Hospital which celebrated its 90th anniversary in May, 2016. "Shriners Hospital for Children® has helped me to not see my leg as a handicap, and instead to look at it as a challenge," she said. "Because of Shriners Hospitals, I wake up every morning thankful for two legs instead of regretting that I only have one. I love it here and wish I never had to go anywhere else for medical care. I am proud to have one leg; I am proud to only face the limitations that I give myself; and most of all, I am proud to be a Shriners kid."

The Meritorious Service Award (MSA) was presented to Larry Sneatham. (Photography by: The Aladdin Shrine Photography Club)

The meeting was called to order at 7:30 p.m. by President Chuck Vandine. Prior to the meeting we were treated to hot dogs, corn on the cob, cantaloupe and, of course, assorted beverages. We opened the meeting with the pledge to the flag and prayer was given by our chaplain. We had 19 Nobles present at the meeting.

The report of the sick included Noble Russ Barker's wife, Donna, and JoAnn Williams. Please keep them in your prayers.

The Motor Patrol reported on the bikes and repairs they are making to them. There are not many parades scheduled at this time.

The Shriners kids drivers reported 17 trips to Erie Hospital so far this year with two more trips scheduled next week. Starting soon all driver's will be issued ID badges. A large donation has been made. There have been 82 surgeries done so far this year. Also scheduled is a Board of Governor's Meeting. The last meeting of the Governor's report included the need for repairs to the roof. They are getting two or three estimates.

The Tabloid Committee wants to thank everyone for their help with the recent collection at Walmart. The next collection point will be at Reisbeck's in Toronto on September 3 at 8:00 a.m.

The Building and Grounds Committee wants to thank Ken Porter for all the grass cutting he has been doing. There is a water leak from the main building to the shelter house. A temporary line needs to be run until repairs can be made. We are also looking into a new software program for finances. That's all for now, folks. Be safe! May God bless!

A Slam Dunk

Erie Shriners Jammer Season

Shriners Hospital for Children® — Erie's Wheelchair Basketball Team, Erie Shriners Jammers, have wrapped up their six-week season and participation has been outstanding.

The program, which began over 10 years ago, allows physically challenged children the opportunity to compete on the court against a team from the Erie community. The patients who participate in this program recognize many benefits including increased self confidence, learning to be part of a team and learning to play by the rules. One parent commented "My child benefits from the socialization and being around other kids who are similar to him. His self confidence has soared!"

The team has played against members of the Gannon University Football Team, McDowell High School, Lund Martial Arts, Behrend Student Nurses, and the Eerie Roller Girls. The final game is followed by a party and awards ceremony.

Aladdin Car Club

by Gary Parks, PP

Well, the Aladdin Car Club continues to be very active and busy. Two members, shown in the photographs to the right, recently showed their cars at national and international events and won. Congratulations go to both Jerry Carsey and Woody Combs!

The club just wrapped up our annual car show on Sunday, August 21 and if you weren't there, you missed a good time. The chicken and corn were great and we had 128 cars that were registered.

We gave out 75 door prizes with a total value of well over $1,500 plus we had two additional door prizes: a tool box (value of $100) donated by club member, Fred Coventry, and a $600 battery booster that was donated by Mitch Schott of MT Truck Enterprises. Thanks go to everyone who donated prizes.

Many of the car owners informed me that this was one of the best shows they have ever attended. Plus, we presented top 25 awards, the President's Trophy, the Potentate's Trophy and one "Special Trophy" (I don't have any other way to explain it) for the top hillbilly car. (Yes, they did get their cars judged).

A good time was had by all and if you missed the show of outstanding cars, be sure you attend next year which will be on August 20 (third Sunday in August). Please tell any of your friends who own classic cars.

Jerry Carsey showed his 1977 Oldsmobile Cutlass Supreme Brougham at the National Oldsmobile Show in Kingsport, Tennessee and won first place in his class plus an "Award for Excellence."

Woody Combs showed his 1985 Buick Riviera at the International Owners Association held in Williamsburg, Va. This Association has members from New Zealand, Canada, Austria and is truly International. Woody won first place in the 79-85 class.

We had our club picnic on August 28 and will have the Potentate's visit on September 21. All the details will be in the monthly newsletter.

I would like to thank all our club members and ladies for their time and efforts to make this car show a great success. They all tell me they had fun doing it and I hope they did. I know I did—especially trying to find spaces for 128 cars to park when we planned for 75 cars. But we got them all parked. Also, thanks go to Fred Gischler, our club's photographer and a member of the Aladdin Shrine Photography Club, for taking the photographs shown above plus additional photographs of the car show that appear in the *Lamp*.

Provost

by Joey Brooks

The Aladdin Temple was a sea of tangerine on August 6 as the Provost Unit held its annual family picnic. Our own Illustrious Potentate Ron Leonard and Lady Elaine, along with several other members of the Divan, attended.

The chefs did an outstanding job—the food was plentiful and delicious. The bartenders did a great job of spreading the cheer. Many nice door prizes were awarded to those fortunate enough to win. Special thanks go to George and Peggy Stowe for all their hard work putting together another fine event and to all the members and ladies who helped with the preparation, setup, and activities.

The Provost Unit was back to work August 8 – 15 (and on the extra day of play later) providing parking and security for the U.S. Senior Open Championship which was held at the Scioto Country Club in Upper Arlington. The week long event was a lot of fun to work despite everything Mother Nature tried to throw at us. A week that started sunny and became steadily hotter eventually culminated with heavy rain. The rain forced suspension of play on Sunday which resulted in the event being extended an extra day. Even though the rain shut down one of the major parking areas, requiring us to improvise a bit on the final day of play, those people were successfully redirected to alternate parking with no delays. Special thanks go to Dave Peters for all his hard work and preparation for this event. Finally, we learned that Howard Beane loves coffee; Fred Rake and Dale Cline don't like lawn sprinklers; and the C5 guys like mud running.

The Sunshine Committee reports Bridget, lady of Jim Roberts, was hospitalized. Please keep her in your prayers.

Celebrating birthdays in September are Flaveon E. Augg, Jerry H. Benson, Donald E. Campbell, James E. Cooper, Warren H. Davies, James Dearth, Jerame D. Dixon, Charles A. Dozer, Mark S. Froehlich, Marvin L. Jose, Derek M. Martin, Robert M. Michel, David A. Peters, Dwight E. Radcliff, Kelley Raines, Phillip J. Short, Daniel E. Stainbrook II, and George E. Stowe.

Hope everyone had a great summer. I am looking forward to seeing everyone when we resume our normal schedule in September.

On August 5 our annual fish fry and corn roast was held at the American Legion on South High Street. We had a great turnout and everyone enjoyed the food. Our "casual chefs" did a great job preparing all the food and had a great time doing it.

We would be amiss without mentioning the great help given by our ladies. They were there doing everything from preparing the fish to fry, to scrubbing pots and pans and there for cleaning the final mess. In addition we want to thank the ladies for all the fine desserts they prepared for us to sell. THANK YOU VERY MUCH!

I would like to list all the names of the Nobles who helped shucking the corn and cooking it, as well as the ones who cooked the fish and zucchinis, but I would not want to miss anyone so I will thank all Nobles who helped.

Thursday, September 22 will be our annual picnic which will be held at the American Legion shelter. All club members are invited along with their ladies and any guests they would like to bring. Each Noble should bring his favorite dish to be shared with others. The meat will be furnished by the club. You should give us the head count so Pete can purchase the proper amount of meat. Pete will be sending out a letter giving further details.

We still have a number of members who are ill; we hope you are feeling better and will be back with us soon. That is all for now. SO LONG

Pickaway

by Roger Fausnaugh

The meeting was called to order by President Rocky Arledge at 7:00 p.m. Opening prayer and the Pledge of Allegiance were given by Noble Mick Riley.

Minutes of the June meetings were read by Noble Rocky and a motion was made by Noble Bill Dountz and seconded by Noble Jeff McClanahan to accept the minutes. The financial report was given by Noble Jim Willeford and a motion was made by Noble Asa Elsea and the second was made by Noble Rusty Green to accept the report. All Nobles voted in favor of both.

Donations were made to the Aladdin Shrine Temple of $1,000 for collections from Tabloid Day and a $50 donation to sponsor a hole for the Shrine KC Golf Outing.

Noble Carl Hemming reported that the annual Shrine KC golf outing date will be September 17 and that we need sponsors. If you are interested in playing in the outing or like to sponsor a hole, please contact Noble Carl or Noble Roger Fausnaugh.

President Rocky reported on the building rental stating we have five rentals over the next three weeks. He also reported that a worksheet would be sent out for help during the Pumpkin Show.

Under new business it was decided to donate one free day rental of building to Heber Lodge #501 for a fundraiser at a consignment sale September 17.

For the good of the order, Noble Asa will have top soil delivered to the building to fill in areas around the grounds.

There were a total of 12 Nobles at the meeting. Meeting was closed at 7:30 p.m. by President Rocky and closing prayer given by Noble Mick.

Pictured above are President Jim Conrad and Fred Gischler manning one of six gates.

As I write this our last money maker of the year, the Hartford Fair, is in full swing. Turnout for working the six gates at the fair has been good. Again, Nona Bounds has kept all Nobles well fed.

The baseball tournament held every weekend in June was a success, however a clear total of profit is not available as yet.

While several of our brother Nobles have had health issues this past summer, all appear to be on the mend and getting back to their old routine.

Will try to give you more info next month after next year's officers are set. That's all for now.

Reception

by Don Owens

Director Jack Bonn called for a pizza-fueled social gathering on July 26 in the Oasis room. Some 14 members and wives responded on fairly short notice—Mike Johnson, Arthur Baz, Ralph Vaughn, Bob Adams, Clyde Yarnell and Bobbie, Don Owens and Joyce, Jim Paul and Carol, Bob Tustin, Jack Davis, Jack Bonn and Donna. It was a pleasant get-together which served to break up the long, dark summer as we anticipate the fall season which starts soon. Thanks go to Hospitality Unit Director John Luft and Noble Cecil Moore for continuing to open the Oasis Room every Tuesday evening, making impromptu gatherings like ours possible.

We have not yet completed firm plans for the coming year but the annual Potentate's visitation to the Reception Unit on September 22 at 6:00 p.m. in the new Temple provides a place to start. Beyond that, we are planning to make plans—suggestions are always welcome.

Director Bonn uses his computer as his most frequent communication tool, so be sure to read your email daily. If this leaves anyone out in the cold, please let me (Don Owens) know and I will be in touch by phone as necessary. In the meantime, please be sure that the we have your current email address. That could be why you haven't been receiving meeting notices.

Lowell Robinson reports that he is recovering from a heart problem that has caused him to be hospitalized twice in recent months. Lowell has recently moved. Give me a call and I can provide his new address His phone number remains the same. Arthur Baz is recovering from his second knee surgery as he demonstrated with his presence at our most recent unit's get-together.

Steve Russo continued to inspire our admiration this year by participating in the Pelotonia—his own health problems notwithstanding.

September birthdays have rolled around again for Past Potentate Dan Stainbrook as well as Nobles Steve Russo, Richard Alexander and Jim Hughes.

Best wishes to all.

Thebes Temple

by Sylvia Ann Bast, Queen

Photography by: The Aladdin Shrine Photography Club

On Wednesday, August 17, Thebes Temple No. 87 was privileged to welcome Her Supreme Majesty Cathy Carol Rose for her official visit. She was presented an honorary membership in Thebes Temple and she expressed her pleasure on becoming a member. We initiated two new princesses: Courtney Kutschbach, our exemplifying candidate, and Patricia Wade at the ceremonial. We welcomed these new princesses. Following the ceremonial we enjoyed a delicious banquet prepared by the Turnerettes of the Luther B. Turner Masonic Lodge. One of our own Past Queens, Janet May, prepared this banquet and all the Turnerrttes, Sara Jane Ermalovich, President, provided a memorable dinner for all of us. Thank you very much for all your hard work and smooth handling of this huge task; the event was very special for us.

Past Potentates of the Aladdin Shrine Center and their ladies, Nobles, Worshipful Master of Luther B. Turner Masonic Lodge, Past Queens of Thebes Temple, honored guests from other temples, officers and members of Thebes Temple were introduced.

The Worshipful Master of Luther B. Turner Masonic Lodge, John Rumor, spoke to our members and honored guests, He expressed his thanks to the Turnerettes and the Daughters of the Nile for their part in the smooth operation of the Lodge and for the work they perform in support of the organization. He also thanked us for the courtesies of the evening.

Potentate Ronald Leonard, Aladdin Shrine Temple, addressed the group with an inspiring message of appreciation to the Daughters of the Nile and their work performed to assure the Shriners Hospital for Children® have the support for its needs. In honoring Her Majesty Supreme Queen Cathy Carol Rose, Illustrious Sir Ronald Leonard expressed his appreciation for her diligence in visiting the hospitals and for the large donation she presented on behalf of the order.

Her Majesty Supreme Queen Cathy Carol Rose greeted all honored guests and members. She spoke of the work the Shriners perform to support Shriners Hospital for Children® all over the United States, Canada, and Mexico. To date she informed us that she has visited 12 of the 22 hospitals. She told us of the privilege afforded her to present the check for $2,000,000 the Daughters of the Nile earned toward this goal of caring for the children. Her theme this year: "We have FUN - So the kids can RUN.

The Mistress of Ceremonies, Mary Jo Daugherty, Past Queen, thanked everyone for attending and hoped they enjoyed the evening. The benediction was given by Sally Fields, Past Queen, and everyone departed for their homes.

Thebes Temple's annual sub sale is underway. The subs are $5.00 each. The choice is Italian/ meat and cheese or turkey. Orders must be placed by Tuesday, September 20. Place orders by contacting Gerre Slane, Princess Badoura, at 614-504-5150 (H), 614-406-9014 (C) or email: porkys58@aol.com. Subs will be ready for pick up on Wednesday, October 5..

Senior Shriners

by Bill Wirsching

On August 17 we had our meeting at Berwick Party house with 60 present. The meeting was called to order by President Bob Neff. Berwick offers a "five buck lunch" and is the best deal in town. After lunch we had a meeting and discussed the finances. It was noted that some of the stocks that the club had were slow movers and we voted (with a majority of the vote) to change the stock portfolio.

The Potentate was present and presented Jim Stelzer with the Meritorious Service Award.

With the absence of John, Rohal, PP it was mentioned he was in the hospital for surgery and we wish him a speedy recovery and we "miss your fez."

We had some entertainment of some 50s and 60s music by the Terri Christinsen Quartet.

The meeting was closed in due order. Our next meeting will be on September 21 starting at 11:00 a.m.

Thea Court

by Violet Dubros, PHP

The leaves are beginning to change colors and many are falling to the ground, creating that never ending chore of raking and bagging. It has been an amazingly hot summer and I am sure we are all ready to enjoy cooler weather. This means that we are ready to attend our meetings and have fun together. With this in mind please remember that Thea Court will hold its next meeting on September 16, 2016, at the Aladdin Shrine Center in Grove City. We will meet at 11:30 a.m. for lunch in the Oasis Room followed by our meeting at 1:00 p.m. in the Aladdin Room. This meeting is being held one week earlier than usual because all of our performing units will be attending the Great Lakes Unit Meet (GLUM) in Frankenmuth, Michigan the weekend of September 22-25.

GLUM is a fun event for all of our units to perform and also see the performing units from the other courts in the Great Lakes area. The friendships made at these unit meets are priceless. Frankenmuth is known as Michigan's Little Bavaria—a fun town. I am sure we will be shopping at Bronner's Christmas Wonderland and all the other little shops for Christmas ornaments and gifts. No doubt we will be enjoying a world famous chicken dinner while there.

All of our sewing sessions this summer were well attended and we accomplished so much. We enjoyed having the Masonic Lunch Bunch join us for lunch at our sessions in July and August. Keep us in mind next summer when we have sewing again as it was fun being with all of you. We invite anyone who likes to sew or stuff to join us; it is such a fun way to help bring joy to the children at the Shriners Hospital for Children®.

If any lady would be interested in becoming a member, please contact High Priestess Lady Ginny Conrad at 740-763-3875. She will be pleased to tell you all about the work we are so honored to perform for the great philanthropy at the Shriners Hospital for Children®. We have a lot of fun while working!

Just Clowning Around

by Mike "P.N.C. BucketHead" Clark

We had just a few events going on in August. Normally, on the first Saturday of August, we're up in Canton, Ohio for the Pro Football Hall Of Fame Parade. This year we did not go because we couldn't get our normal hotel rooms for some reason or another nor could be get them at other places. It was the first time in 13 years the P.F.H.O.F. Parade did not have The Great Aladdin Shrine Clowns marching in it. Sad, strange but true! Now we are taking steps to make certain we will be there next year.

On August 19 we marched in the Bucyrus Bratwurst Festival Parade on August 20 we were at the Reynoldsburg Tomato Festival twisting balloons.

September is going to be a busy month for us with G.L.S.A. in Indianapolis and a couple parades.

Our meetings are on the first Monday and the third Tuesday of each month.

Our four apprentices are doing well—still hanging in there. In addition we have a couple more possible prospects nibbling on the line. This could add some more experience to our group as far as balloon twisters and as established clowning.

We are always looking for new "Red Nose" candidates to join the Aladdin Clown Unit. If you feel like letting your hair down and cutting it lose, like being a little kid again, come join us. That is what we are all about—big, little kids having fun!

Our next meeting is on the 16th at Jimmy V's Grill & Pub, 1788 W. 5th Avenue, Grandview, OH.

Please keep in your prayers those who are in need of support and comfort. Many of us or our loved ones are struggling with daily happenings and life.

Please keep our front line defenders in your thoughts and prayers as well. They do a lot that you don't even know about on a daily basis (24-7) to maintain our freedom and safety!

God bless goes to all! Be on the level. Be on the square. Be a good Mason. Be A good Shriner and be good to all! P.N.C. BucketHead is reporting off!

Past Masters

by Dick Bull

Regretfully, our unit and the Steubenville Shrine Club have had to cancel a work meeting scheduled for September 24 at Steubenville Masonic Temple. There was a conflict with the Jackson Apple Festival on the same day which made "Big Red" unavailable for transportation use. No other dates worked out for the Shrine Club. We will try again next year.

The Black Camel took long-time reserve member, Ed Komraus, recently. He was a Past Master of Reynoldsburg Lodge #340. He was 82 years old. Our sincere sympathy is extended to his family.

John Sanborn, one of our executive board trustees, went to the V. A. Clinic for a podiatry appointment and ended up getting a pacemaker. He can tell you the whole story.

Our first unit meeting of the full season will be Monday, September 26 at the Aladdin Shrine Center. Executive board meets at 6:45 p.m. and both the men and ladies have their stated meetings at 7:30 p.m.

We will be participating in the Jackson Apple Festival Parade on Saturday, September 24. Gary Fortner will be driving our unit's van in the parade.

Several of our members are experiencing heart issues including Phil Clouse, Daun Knox and Kermit Sawyer. John Jones is scheduled for prostate surgery and Ruth Ann Bull is scheduled for hip replacement. Jim McGarver has completed radiation treatments for prostate cancer. We wish them all speedy and successful recoveries.

Marietta

by Larry Coler

On a hot night in July, the Marietta Shrine Club hosted the annual pool party for over 120 participants. We had an evening barbecue at our house and then moved next door to the Marietta Recreation Center's pool for our exclusive use of the pool. Shriner families and especially grandchildren had a great time in the pool, on the water slides and the lazy river.

We had two parades in August and are now moving into fall activities.
