Update From The Potentate

Potentate Steve Hathaway

Can you believe it is October and summer has officially ended? The morning air is rather crisp these days. Football is in the air at OSU and the tailgate parties are going strong. Schools are back in session, and it won't be long before we will be raking leaves and putting the lawn mowers away for the winter.

The Divan traveled to Boardman, Ohio (Youngstown) for the Great Lakes Shrine Association meeting. Imperial Sir Mike Severe along with Imperial Divan Officers John Cinotto and Jeff Sowder were present. The presentations given were a combination of both membership and our hospitals. I was pleasantly surprised when the Imperial Sir stated that we need to once again promote FUN within our fraternity. I believe you may have heard that statement once or twice before. While we will not change our dedication to our children, we need to live up to the motto, "Shriners having FUN and helping children."

The Divan is continuing to visit with our various clubs and units. It is good to be able to renew old and create new friendships throughout Aladdin Land. I must give a special "thank you" to the Past Masters Unit who graciously changed their visitation date when it was found it conflicted with a visitation of another body I could not miss.

By the time you read this, the ladies will have returned from their trip to Chicago. Lady Betsy promised the ladies they would have plenty of time to shop. I guess this is Aladdin's way to stimulate the Chicago economy.

It is Halloween time and Circleville is once again gathering pumpkins for their Pumpkin Festival and Parade. I didn't know how many ways pumpkin could be incorporated into various foods. Pumpkin burgers, pumpkin chili, not to mention the pumpkin pies, pumpkin ice cream that are all on the menu. While we did not have all of the pumpkin items at our Halloween Weenie Roast at Circleville, a good time (FUN) was had by all.

Let us not forget, we will have a Ceremonial on December 3, 2011. This will be a good time for all the Nobles who were created at the Cold Sands to join us. See you there.

NEWS FROM ERIE

Consider Attending Hospital Education Seminar on October 29

If you are an officer, unit chairman, or hold a leadership position in your Shrine temple, you should consider attending the annual Hospital Education Seminar on Saturday, October 29 at Shriners Hospitals for Children® - Erie. The seminar will be held from 10:00 a.m. to 12:30 p.m. in the auditorium at the hospital.

The seminar will include important information about Erie's transition from an inpatient hospital to an ambulatory facility, focusing on ambulatory surgery, outpatient rehabilitation (physical and occupational therapy) and outpatient medical services through its Outpatient Clinic. Also speaking at the seminar will be Alan Stininger, Associate Director of Development from Shriners Hospitals for Children® headquarters in Tampa. Mr. Stininger will be talking about the various online giving opportunities available to Shriners, as well as online donor programs and other website developments. Dr. William Schrantz, pediatric orthopedic surgeon, will be giving a presentation on providing expert medical care for children at the Erie facility.

Following the Hospital Education Seminar, the hospital will be holding its Donor Recognition Luncheon at the Zem Zem Shrine Temple. Those who are participating in the seminar are invited to stay for the Donor Luncheon if they would like to do so.

Although these programs are free, reservations are required and may be made by calling Bob Howden at (814) 875-8782.

Hospital Using New Voice Activated Transcription System

New technology in use at the Shriners Hospitals for Children® - Erie includes the Nuance voice-activated transcription system.

Under Nuance, when the physician's dictation is accessed by a transcriptionist, the entire dictated document appears on the monitor for editing. Nuance transfers the physician's words into written text. The transcriptionist can read the document and edit content if necessary. This eliminates the need for the transcriptionist to listen to the physician's dictation and type out the entire report.

Hardin County

by Ken Rossman

Our regular meeting was held on September 21 at Veteran's Memorial Park Club House with 45 Nobles in attendance. Noble Ken Rossman opened our business meeting with a prayer and President Musselman led us in the *Pledge of Allegiance*.

We gave a big hand to our kitchen crew for a job well done.

Certificates of appreciation were presented to Nobles Morris Johnson and Ron Smith for their good work on Tabloid Day.

It was noted that the annual pool tournament at Kenton Masonic Temple will be starting soon. Notices are being sent out and players should note that the room has been updated and it is in great shape.

Noble Larry Weaver closed our business meeting with a prayer.

Then we ate a great meal prepared and served by Nobles Matteson, Garmon, Gilbert, Rice, Michel, Osborn, and Fitzgerald. Well done, Nobles.

We wish "a happy birthday" to Nobles Neal Good (83) and Ken Rossman (83). We wish the very best to both Nobles.

THE GAMES ARE ON

Dispatch Ice Haus, Nationwide Arena

Plans for the Eighth Annual Aladdin Sled Hockey Tournament are well underway. It will be held at the Dispatch Ice Haus in downtown Columbus on January 14-15, 2012.

Several new teams may be coming from other major cities and the best time for watching the young players will be Saturday noon - 5:00 p.m. and Sunday 10:30 a.m. - 2:00 p.m.

The schedule is not final but it is time for all Nobles and their ladies and friends to make plans now. Sunday is a good opportunity for clubs and units to come in mass and make this their January meeting. What a fun time it is to see physically challenged youth compete in a very fast moving game of ice hockey. Young children, ages 6-18, will propel themselves with two sticks, which they will jam into the ice to move across the rink, while seated on a three-runner sled.

The Aladdin Shriners Hospital Association for Children sponsors this tournament to bring therapeutic recreation to these youth. Be there to witness your good works.

Summer is now over; we had our first meeting after the summer break on September 22. I know our Director Dr. Keith Blair always has some wise words for us.

There is a lot going on at the Shrine Center. The Family Halloween Party is October 28. It is free but they require you to make reservations for you and your family so they will know what they will need. It is all on page 6 of this *Lamp*.

Mark your calendars for November 3; that will be our Potentate's visit. You will receive a letter about location and time. Mark it down and take your lady for a really nice night out.

On December 3, Aladdin's Ceremonial will be at the Shrine Center. We will man the first-aid room, so we will need some help.

I was told that on October 21, a long time ago, a kid by the name of David Dee Mowry was born. Happy birthday, Dee, and many more!

Until next month, every one stay well and attend your lodges, York Rite, Scottish Rite meetings, your unit or club meetings, and the Aladdin stated meetings. Also, read the *Lamp* so you won't be left out.

Ross County

by David Duckworth

Hello from Ross County! Our September meeting was attended by 41 Nobles. Big "thanks" go out to Chef Steve Davis and his crew for another great meal consisting of fried chicken, mashed potatoes, corn, green beans, and cake. President Morgan promptly brought the meeting to order with committee reports.

The Sunshine Committee reported the illness of Noble Jim Shreve. We wish Jim a speedy recovery. Also reported was the passing of Noble George E. Black. George will be sadly missed by all who knew and loved him.

There are several events in the upcoming months. Building Manager Noble Brad Burns is organizing a work day at the club for October 22 at 9:00 a.m. All able Nobles are urged to help. The more help we get, the faster we can get his list completed. Our stated meeting will be October 27 when we will have our election of officers. Don't forget the Halloween Parade on October 29. It would be nice to fill the float with Nobles. The float will be leaving the club at 5:00 p.m. You can also meet us downtown in the lineup area. After the parade, everyone is invited to the club for an open house. Please come and bring your family and friends. It's open to everyone and is a lot of fun.

We have two events in November. Our annual spaghetti dinner is November 3. Noble Burns is asking for volunteers. He reminds all Nobles to ask their ladies to bring a baked good. They are the big attraction at the dinner and a great money maker. Our Thanksgiving and Appreciation Dinner will be November 19.

Mark these events in your calendar and don't forget to call in your reservation for the next meeting to Secretary Dan Riddle at (740)773-7433.

First Lady Betsy Hathaway's Project

For the past several years, the Lady of the Potentate has sponsored a fundraising project to benefit the children in our hospitals. This year my project is to raise funds for the cleft lip and palate program.

Approximately 5,000 children are born with this deformity in the United States each year. This problem occurs when facial soft and hard tissues fail to fuse properly. This happens to one of every 750 live births causing conditions that affect, not only the child's appearance and self esteem, but the child's ability to speak, hear, and eat properly. In 2005, Shriner's Hospitals added this program which is a long-term commitment of care from birth to adolescence.

For a donation of $20.00, you may obtain my shooting star pin. By doing so, you help support this worthy project. *–Betsy Hathaway*

Gallipolis

by Frank Petrie, Jr.

It is always exciting to welcome a new member into the Shrine, and especially it is sweet when they join us at the Gallipolis Shrine Club. Therefore, you can just imagine how delighted we are to welcome FOURTEEN new Nobles. They are Noble Bruce Allen, Noble Merrill Baker, Noble Richard Clifton, Noble Christian P. Crawford, Noble Robin Fisher, Noble Mark Hager, Noble Sammy J. Howell, Noble Tyler Scott Lucas, Nobel Keith Robie, Noble Jeffery Taylor, Noble Robert Taylor, Noble James Codie Ward, Noble Tom Woodward, and Noble Nathan William Young. May each of you find a fulfilling event and continued good cheer here at our oasis. May you live 10,000 years and always ride a fast camel. Welcome, new Nobles.

We wish to thank Noble Melvin Craft for chairing the Gallia County Junior Fair Gate Project again this year. Thanks go to all the Nobles, wives, and widows who help us man the gates each year.

Our Road Runners have been busy this year with at least 16 trips to Shrine Hospitals. It is with much gratitude that we thank our local car dealers for contributing the vehicles for these many trips: Mr. David Mink, Gallia Auto Sales, Mr. Greg Smith, Smith Superstore, and Mr. Mike Northup, Norris Northup Dodge, Jeep. Thank you, gentlemen, for helping our children.

There are not enough superlatives to describe this individual. He makes the world a little brighter wherever he lands. You just can't help but smile when you meet him and shake his hand. Congratulations go to Noble John Nibert for celebrating his 90th birthday. May you continue to dance your way toward 100.

Don't forget those parades! Check with Noble Dave McQuaid for dates and times.

Nobles, we need your help at the Bob Evans Farm Festival on October 14-16. Be sure to volunteer – it's always a lot of fun.

Remember, Noble and Ladies, if you don't control your own destiny, someone else will. See you for supper, Thursday, at 6:30 p.m.

Provost

by John Rohal

The September meeting of the Provost Unit was very well attended and the buffet meal prepared by Catering By Design was excellent, as usual. For those who did not take the time to view our display case, you missed one of Mike VanHuss's better accomplishments. There are two lighted digital display photos, as well as some of our important memorabilia.

Some of the VIPs in attendance included Past Directors Jon Kinney (also, now a Divan Member), Bob Cannon, and Terry McLaughlin; Past Potentates Don Goodman, John Rohal, and Dan Stainbrook; our Divan Representative Mike Tyne, and Illustrious Potentate Steve Hathaway. Oh yes, even "old" Tom Charles was in attendance.

Our treasurer, Charles Linek, reported that the unit received all of its money due from the Memorial Tournament at Muirfield and the amount of monies paid out to the other clubs and units was $44,633.00. He reported that a check in the amount of $3,650.00 was received from the Nationwide Golf Tour and was forwarded to ASHAC.

Jim Rohal reported that we worked a total of 3,000 man-hours at Muirfield and 37 members worked three days or more during the tournament.

Director Gene Steineman reread the letter received from Hospitality Unit Director Jim Hoops concerning the need for a new roof top heat exchanger for our Temple. The unit approved a contribution of $2,500.00 to Aladdin Temple. Gene announced that the Temple hired Steve McKitrick, a member of our Clown Unit, to promote business for the Temple, and he has been doing a good job thus far. Gene recognized Tom Rice for his efforts with the Tabloid Day.

The members approved the restoration of Robbie K. Hartsell to active membership.

George Stowe thanked the members of his Picnic Committee for their assistance and announced the 2012 family picnic will be held at the same time and place.

There was a general discussion about our Ladies Night on November 8, including an appropriate gift to present to our ladies. Mike Gray informed us that his lady would prefer a basket of beer and cheeses. (We'll see, Mike)

Mike Tyne discussed the 2012 Imperial Council Session in Charlotte, NC. Aladdin will be housed in the Crown Plaza Hotel.

Our Potentate Steve Hathaway thanked all the members of our unit for all the support we have given to him and the Temple.

The only other discussion was by the "Shark," better known as Don Slemmer. He informed his dinner partners of his training of so many "old persons" while he was stationed as an instructor at the OSP Training Academy. He emphasized the "old" in his discussions of retraining of personnel.

Celebrating birthdays in October are Thomas J. Colburn, Kenneth W. Corder, Russell H. Duffy, James M. Liebherr, and Theodore R. Shaeffer.

Our ill and injured include Bill George who continues to recover from a stroke, Lady June Hobensck improving after her fall, Terry McLaughlin recovered from hernia surgery, and Cy Leonard who continues to recover.

Remember to visit our website for all information.

Brutal Brothers

by Ron Martino

Our September unit meeting went on without a hitch. Chief Bob Beymer called the meeting to order with a prayer and pledge to our flag.

There were 18 members present and the business was completed quickly.

Sunshine Report: Jim Carle is entering a rest home and would welcome members to come and visit him. Bo Williams has the info. Harold Linebaugh is still having back and shoulder pain and the shots he gets are not doing much good. A few shots of Black Velvet could be the answer.

Birthdays in October: Shawn Funk - 16, Larry Lott - 6, Dave Williams - 23. I may have missed some, but if your DOB is not in our roster book, I can't list it. Email me and I will get your special day listed.

November meeting will bring the election of new officers for 2012. Be sure to attend and there will be food. We enjoyed Philly Cheese Steaks at our October meeting and they were great as usual.

Our Ceremonial will be on December 3 and it will require all members to attend and help.

One week later on December 10, we will have our annual Ladies Party and Potentate's Visit. More will come on this next month.

The Circleville Pumpkin Parade is on October 21 and Jake will welcome drivers and riders.

Director Dave and his dad, Don, traveled to Buffalo, Wyoming so Dave could get himself a huge Elk. It is the biggest one he has ever seen and he brought it down with a bow and arrow.

Jim Carle's address and resthome location is New Albany Garden and Care Center, 5691 Thompson Road, Columbus, Ohio 43230. (East off North Hamilton Road) The best time to visit is 1:00 p.m. - 1:30 p.m.

Pipes & Drums

by Mark Melroy, Pipe Major

MacLean of Duart

If there is one thing that singles a person out as a member of a pipes and drums unit, it is definitely the kilt. This garment is proudly worn by anyone of Scottish descent or by anyone participating in "Scottish" activities. But that wasn't always the case.

The word "kilt" is actually a verb from the Celtic language which means "to pleat." The Feileadh Mor, or the Great Kilt, was a piece of wool material usually about 8 yards long and 3 feet wide that the Highlander would lay out in folds (or pleats), wrap around himself and hold the whole thing together with a belt. His "tartan" or the plaid pattern of his clan was generally decided upon by the clan weaver and whatever natural colors could be made from the local flora and fauna.

The Scottish Highlander, with his kilt and bagpipes, was looked upon by the population of lower Scotland and all of England as a barbarian, and he did little to change anyone's opinion on the matter. In 1746 after the last Jacobite rebellion, the Jacobites were the followers of the House of Stuart who had been dethroned in 1690. The wearing of the tartan by anyone except the military, speaking the Gaelic language, and even the playing of the bagpipes was punishable by death. In 1822, at the invitation of Sir Walter Scott, King George IV decided to hold court in Scotland. He was the first of the House of Hanover to ever visit Scotland. The King decreed that all members of court should attend wearing their former family or clan tartan. The weaving of the tartan had been outlawed 80 years before and this was quite a challenge unless you had a painting of an ancestor wearing it, or you had hidden a piece. For those who were not of Highland descent, the problem was even greater. They never had it to begin with. So, they made them up!

There are thousands of tartans registered with the Lord Lyon of Scotland, the officer appointed by the queen to keep records for that kind of stuff. The vast majority of the tartans did not exist before 1822.

The tartan worn by the Aladdin Pipes & Drums is that of the MacLeans of Duart. One of the older band members told me they choose this particular tartan because it isn't particularly popular even among the MacLeans. The Castle and lands of Duart are on the Isle of Mull. The most interesting chapter of history involving the MacLeans of Duart was the marriage of Lachlan MacLean to a sister of the Earl of Argyll (Campbell). Finding or suspecting his bride to be barren in about 1520, MacLean tied her to a rock off shore at low tide and left her to drown when the tide rose. He reported her death as being a misadventure. He traveled to Inveraray to pay his resects to her family and found her there flanked by stony-faced relations. She had been rescued by a passing fishing boat.

The Pipes & Drums have a busy month coming up in October with a wedding, a Kirkin (which is an old ceremony in the Presbyterian Church of blessing the tartan), and The Circleville Pumpkin Parade.

We meet every Tuesday, except the first of each month, on the lower level. Come and join the "Clan." If you would like to attend any of our events, just contact us and we will give you the details.

Dei dono sum quod sum. (By the gift of God, I am what I am.)

Chaplain's Corner

by Chaplain Zale Maxwell

By now, a lot of you know that one of my hobbies is beekeeping. I had an experience this past summer that I would like to take this opportunity to relate to you. It started with a simple phone call from a friend and went something like this.

"Hello, you do still keep bees, don't you? I have a friend who has bees in his house and he cannot get anyone to remove them. Will you help him?" Of course, I said yes because one cannot say no to helping a friend of a friend. Well, it turns out the friend was a contractor and had honeybees in a structure he was to work on and needed them removed before he could get any work done.

The little "Honeys" were flying in and out of an opening above a garage door and had built their comb back into the structure as far as my arm could reach. At one point, I had my arm reaching back into the building so that my shoulder was in the opening and my head pressed up against the side of the building. When I looked around I realized there was a cloud of flying honeybees blocking out the sunlight from behind me. I estimated their number in the 50,000 range, over five pounds of bees.

Fear and panic set in to the point that my kneecaps started to shake – on a ladder that is scary. After a short time, thirty seconds or so, I pulled myself together and got a grip on the situation. After all, I have been working with honeybees since 1963. I was wearing my bee suit with veil and gloves; and I have done this type of bee removal several times before. From that point on, the removal process went smoothly and as efficiently as could be expected. I did not receive even one bee sting, and aside from the hard work involved, I enjoyed the experience.

I am sure that many of you have not had this type of experience with honeybees, but, I am sure that you have experienced a sudden attack of fear or panic. I think it is why some of our brethren have not been to a Lodge meeting in many years or come to any of the Aladdin Shrine events. I have heard comments like, "I do not remember how to be admitted," or "the last time I went, I felt out of place." We all know what it is like to feel like an outsider, with a dark cloud hanging over our head – hopefully not a cloud of swarming bees! Reach out your hand to a fellow Noble at the next event you attend, welcome him, and make him feel at home. When you are part of the group, the good times roll and fun is had by all. Do not be afraid to join in. After all, you have been a Shriner how long?

Surely God is my salvation; I will trust and not be afraid. The Lord, the Lord, is my strength and my song; He has become my salvation. (Isaiah 12:2 NIV)

Tarhe Shrine

by David Mowry

Tarhe's September meeting was held on September 15 at Tammi Jo's in Lancaster. Our program was Mr. Fred Hower, host of the radio show, *Plant Talk,* and fellow Aladdin Noble. Mr. Hower provided an excellent program and answered members' questions about their gardens. "Thank you" goes to Fred and his wife Jo for attending this month.

Our October meeting will be held on October 20 at Tammi Jo's. The program will be provided by a representative of the Boy Scouts of America. Social hour will be at 6:00 p.m., followed by dinner at 7:00 p.m. Please make plans to attend. Remember, wives and guests are always welcome to attend. If you know of someone who might be interested in joining Tarhe, please feel free to bring him along as well. **It is important that we bring in new members, particularly in the last half of the year, if our club is to continue into next year.**

Reservations for all meetings should be made be the Saturday preceding the meeting. Reservations can be made by phone at 740-215-6849 or by email at tarheshrineclub@gmail.com. The cost of the meal is $15.00 per person.

Remember, if you have questions about meeting dates, you can check Aladdin's website to see club and contact information, as well as upcoming meeting dates. Please take a look at it at http://www.aladdinshrine.org/tarhe.htm. You should be getting reminder cards about all meetings in the mail. Kentucky Colonels

by Ron Fraser

President Bivins opened the meeting by asking Chaplain Dee Mowry, P.P., to give the invocation and to lead us in the Pledge of Allegiance. President Bivens asked for a moment of silence in memory of two of our Colonels, Larry Jarvis and Loren Divan. Our thoughts and prayers are with their families and friends.

The 33 members and guests enjoyed a great lunch. After lunch, President Bivens introduced the officers of the club and asked past presidents to stand and give the year they were President. President Bivens asked the two new members, Jim Newland and Jim Stevens, to come forward. Colonel Bill Estell, P.P., presented them with their Kentucky Colonels commission and Colonel Dee Mowry, P.P., initiated them in to the Aladdin Kentucky Colonels Club.

The business of the club was conducted. The need for having a fundraiser was discussed with several suggestions put forward for consideration. President Bivens announced that Colonel Jim Smith will assume the office of first vice president.

President Bivens introduced our guest speaker, Past Potentate George Kosbab. Kosbab began by asking everyone to stand and stretch, do some exercises, and ended with the club applauding and giving him a standing ovation. He proceeded to explain to the club about the Sled Hockey Program. The participants in the program are ages 6-18. The participants really compete and to see the joy on their faces is very rewarding. He also explained how they taped their legs to the sled to keep them from falling off and of the various places where they compete against other Shrine groups. Kosbab closed by asking Shriners to wear their fez and come to the Ice Haus to see what he is talking about.

President Bivens closed the meeting by asking Chaplain Dee Mowry, P.P., to give the benediction.

Worthington

by Bob Stevenson

Well, the year is about over for Worthington Shrine Club – just two events to complete President Noble Bob Nevel's year.

Our annual business meeting and election of officers for 2012 will be on November 3. This will be for Nobles only, and we hope for a great turnout to help move the club forward into another Shrine year. Watch for newsletter for details.

Our annual Christmas dinner at Brookside will be on December 1. As in years past, we ask you to bring an UNWRAPPED present or two for the kids at our hospitals. What a great way to begin the holiday season. It is always a great treat to see all the presents under the big tree, knowing they will be a bit of joy to kids all during the next year. The entertainment this year is Steve Ball, who will treat us to songs from the Civil War era. Since we look back to that awful time 150 years ago, it is important to learn as much as we can about this pivotal event in our nation's history. We also will install our 2012 officers and say "thanks" and "well done" to our 2011 leaders.

This is a great evening to bring a guest or a Master Mason who might be a prospective member. More details next month.

Licking County

by Franklin Boner

After a summer of intense club member activity, most of the Nobles of the club are enjoying the lapse in activity and enjoying the fall colors.

Our noontime, first Thursday lunch at the Grotto is still popular and gaining attendees who are interested in keeping abreast of Aladdin and club activities. We have three remaining, October, November, and December, before the club takes its annual hiatus during January and February.

Be sure to mark your calendar and plan to attend the Potentate and Divan's annual visit in December. Noble Bruce Thompson, son of Carl Thompson of Heath, became a member of Shrinedom and the Licking County Club.

As a member of the York Rite and recipient of the Knights Templar's monthly magazine, I was pleasantly surprised to note that Imperial Potentate III. Mike Severe was a guest editor and wrote a very interesting, full-page article for the magazine. Noble Severe wrote in part that each of the 325,000 Nobles of the fraternity probably has his own reason for belonging and that pride in our hospitals, the camaraderie of men full of the joy of living, men of hope, optimism and understanding, men who are loyal to the principals of Masonry and the Shrine are also identical with the principles of brotherhood and liberty embodied in the ideals of Americanism.

Reception Unit

by Don Owens

Potentate Steve Hathaway, with Lady Betsy and members of the Divan, visited the Reception Unit on Friday, September 23 at the Aladdin Shrine Temple. Steve spoke to the membership about the importance of distinguishing its original and continuing purpose – having fun from its great charitable cause – the Shrine Hospitals for Children. While we are all committed to supporting the hospitals, we must not forget to enjoy what we do. Steve went on to speak about the problems faced currently by the hospitals and the implementation of plans to overcome these problems.

The unit presented a check to the Potentate for the Aladdin Shrine Endowment Fund. Lady Betsy was presented with a check to help fund her project to benefit children afflicted with cleft palate. She made an articulate presentation in explaining her project, leaving no doubt in our minds about its worthiness and importance.

One last official parade remains this season– the Circleville Pumpkin Parade on Friday, October 21. Details will be forthcoming. Watch the weather forecast and hope for the best.

The next unit meeting will be held on Thursday, October 20 at the Aladdin Shrine Temple.

Unit members with birthdays occurring in October are Jack Davis and Mike Johnson. Happy birthday, guys. Belated best wishes to members with September birthdays: Richard Alexander, Charles Angles, Jim Hughes, and Steve Russo.

Bucyrus

by Gene Diller

The Bucyrus Shrine Club opened the meeting with prayer lead by President Noble John Miller. The Pledge of Allegiance to the flag was lead by President Noble John Miller.

Gus's Grill and Grog Restaurant Bucyrus catered the meal. The meal consisted of mashed potatoes, baked chicken, dressing, green beans, salad, chocolate fudge cake, cookies, and ice cream.

President Noble Kenneth Bell reported the Bucyrus Fire Department received the fire prevention items from the ASHAC donation. They hope to start educating in the schools soon.

The Sunshine Report stated that Noble Paul Kibler is in the Altercare Nursing home. Also at Altercare is Noble Richard Frederick. He is 104 years young.

The entertainment for the meeting was Mr. John Blue. He brought some racing pigeons with him. The pigeons didn't like the club serving chicken for the meal and called foul. The pigeons race for more than 200 - 300 miles. Interesting hobby!

The Bucyrus Shrine Club collects tabs from beverage cans. They are sending quite a collection down to Aladdin.

The next Bucyrus Shrine Club meeting will be October 24 and it will be the Potentate's Visitation, including the ladies and widows.

Kambri

by Dick Brixner

Your Kambri Shrine Club continues to remain active and we are working behind the scenes to transport persons to our Shriners Hospitals.

Recently, Nobles Sam Marteney and Elmer Bright made a trip to the Erie Shriners Hospital. Thanks go to Sam and Elmer for their service and time commitment for this trip.

If you would like to experience our Shriners Hospitals, sign up with Noble Ron LePage, and he will call you for our next trip. It is a very rewarding experience.

Our club's "Tin Lizzie Patrol" has been very active this summer in several parades in the area. Do you know who they are and what type of vehicle they drive?

Our next event is our annual steak fry, which is scheduled for October 20 at the Plumbers and Pipefitters Hall. Watch your mailbox for the flyer, and please plan to attend. We will have a program and an interesting speaker.

I hope you read the *Lamp*, and take advantage of the many programs available at Aladdin. There is a family Halloween Party on October 28, and a Ceremonial at Aladdin on December 3, just to mention a few.

Nobles, see you at the steak fry on October 20.

Pickaway

by Jim Willeford

It's been a while since we've been in the *Lamp*, but we're still active and maybe more active than in the recent past. We've added new members: Noble Bob Baranick, Noble Calvin Smith, Noble Dan Stainbrook, Noble Virgil West, Noble Paul Woods, Noble Tyler Cordle, and Noble Mark Hoffman. I hope all new Nobles can attend the full ceremonial at Aladdin on December 3. It's always a good time and a **moving** experience.

I'll play my six year old granddaughter now, "Grandpa, guess what?" Substitute Nobles for Grandpa and you know how our visits are. Well, the answer is our club has initiated a $500 scholarship. This is our first year and we had only two candidates, but it's a start. Our qualifications don't seem that tough, a relative with some Masonic affiliation, graduating this year. I wonder if the 750-word essay might be too much commitment for the students who currently communicate in the manner of BFF, OMG, and cul8er. Oh well, it's there if a student wants to apply for next year. This year's winner has been chosen, but not revealed yet.

Our club has been working hard on some much needed parking lot lights. Our Nobles are great; it's amazing what a club can do for free with good Nobles, if you just ask. Noble Charlie Galloway had some light poles and donated them. In addition, he donated the backhoe work and the concrete. Noble Ned Young fabricated the rebar supports, found the light fixtures, got the conduit, did the required drawings, and supplied know-how direction and labor to get this project rolling. Currently, we're looking for someone with equipment able to pick up these 1,200 pound poles and place them on the bases. How about it out there?

We bought a new commercial stove and were lucky to find a deserving area family that didn't have a stove. We gave the original stove to them and they expressed their thanks in a letter to the club.

President Noble Doug Cook has moved. I mean really moved – to BELIZE. He intends to explore Masonry and Shrinedom in this Central American country, as well as host every Aladdin Shriner for a vacation for the duration of the months of January and February. Well, maybe I made up the hosting part and the every Aladdin Shriner part, and maybe the January and February part, but he did move to Belize.

The Black Camel - Nobles Clyde Cook, Bob Smith, Bill Finch, Dick Tootle, and George Hamrick were called to rest from their labors.

Our illness report includes Noble Larry Riffle who's recovering at home from a recent hospital stay. Our current President Rex Emerick also needs to be remembered in our prayers. Let's remember these and all other ill Nobles.

Thea Court

by B. J. Gischler, PHP

Thea Court was busy in September. We had a visit by the Grand High Priestess of the Ladies Oriental Shrine of North America. Besides our meeting, there were some very nice lunches and dinners. We also had our trip to Great Lakes Unit Meet and Fun Night.

During the first part of the month we had our annual Fall Luncheon at the Montgomery Inn and the Licking County Ladies Luncheon was held at Olde Summit Towne Restaurant on September 18. Also, another fun night was held.

Our October meeting will be Friday, October 28, with lunch at 11:00 a.m and the meeting at 1:00 p.m. Come in costume or wear your fez.

Looking ahead to November, there will be a practice for the ceremonial on Friday, November 11, at 10:00 a.m. Our ceremonial and only meeting for the month of November will be on the next day, Saturday, November 12, at 10:00 a.m. Make your reservation with Betty Bell, 614-855-3502, for the ceremonial luncheon.

Aladdin's CAR CLUB

by Chester W. Van Horn, Jr.

Another successful Aladdin Shine Center's Classic Car Cruise-in and Chicken and Corn Roast has come and gone.

An excellent job of organizing the car show and collecting and organizing over 125 door prizes from local businesses and members was again done by Fred and Beverly Coventry. Don, Sheree and Dan Howard were in charge of registering our 64 entries.

Additional thanks go to the following:

- George Buttrick who selected the favorite classic cars for paint, engine and interior;
- Ron Brubaker who helped select the favorite forty cars;
- Betty Spencer and Gini for drawing and posting door prize winners;
- Sheree Howard and Dan Howard for passing out the door prizes to the winners;
- Steve Manion, our photographer;
- Bob and Chris Harter who brought magazines that were given away to entrants.

I wish to thank the following club members who came to support the show, many of whom brought their cars: Robert and Betty Spencer, Steve Manion, Elwood "Woody" Combs, Larry Bailey, Don, Sheree and Dan Howard; Fred and Beverly Coventry, Jack and Jane Van Gundy, Ron and Gini Brubaker, George Buttrick, Bill Ross, Bob and Chris Harter, Jerry and Carol Carsey, Louis Ardit, Dee and Kathy Mowry, and Tom Stauch.

Our Potentate's visitation was September 21 and was held at the Aladdin Room at the Aladdin Temple.

Past Masters

by Dick Bull

Two couples from our unit are planning trips to Branson, Missouri in early October – Gary and Gretchen Fortner and Dennen Leach and Dee Hedges. Dick and Ruth Ann Bull were in Florida for two weeks helping to celebrate their granddaughter's bot mitzvah in Boca Raton.

The wife of Joe and Joyce Palmer's son passed away from cancer at age 53. Also, Velma Canter's brother died as did John Price's brother. September has not been kind to some of our members. Our sympathies go out to all of these families.

Health issues are affecting several of us. Charlie Neff fell down stairs while working at Schoedinger Funeral Home and badly bruised his hip and several ribs. Sharon Justus fell in her home in Circleville and ended with 17 stitches in her head. Judy Cokonougher and George Finch are both recuperating at home following serious cancer surgeries. Ebby Brewer has been diagnosed with stage 3 esophageal cancer and is beginning chemo and radiation treatments. We hope and pray that all of our people with health issues will fully recover as soon as possible. As our unit ages, we hear of more and more problems and challenges.

Our unit will attend the Circleville Pumpkin Show Parade. Gary Fortner will have the van available for those who may not be available to march. We look forward to this annual event.

The next unit stated meeting is a dinner at the Shrine Center on October 24 hosted by our Ladies Auxiliary. Details will be for the coming in the unit's October newsletter. Harriett Allen is in charge of arrangements.

Many thanks go to Phil Clouse, Daun Knox, and Don Spriggs for assembling two new storage cabinets in the Shrine Center basement to store our blue jackets, fez, etc.

Just Clowning Around

by Wayne "Wayno" Shriver

A Nose, A Nose, My Kingdom for a Nose!

At the Reynoldsburg Tomato Festival, our beloved apprentice clown director realized he made a mistake normally done by rookies. Greg "POZI" Osborne forgot his NOSE! He tried to beg, borrow, or steal one from his fellow clowns, but none was to be found. Then he remembered, he had one, a foam nose, in his shoe. This foam nose was usually wrapped around his big toe to keep his bunion from hurting. I try not to imagine the smell.

Randy "CURLY" Bope, whose name normally doesn't appear in the article except for his birthday, made it this time. The clown bus leaves Shrine headquarters at a set time for all functions. Granted, we are all held at the mercy of the driver's watch. We never know if it's a few minutes fast or slow. Randy "CURLY" Bope was hoping it was slow, since he was running behind a few minutes. It wasn't. Poor CURLY was chasing the clown bus all the way to Reynoldsburg. Word of advice, pick up the phone and call; face paint does wash off cell phones.

With the season winding down, these Brother Nobles had worked hard all year long. I have missed being with them on their adventures, but Wayno is just about ready to join in all the fun.

My Brother Nobles, with a lot of lodges feeling the hit of the economy, they need your help more than ever. Show up for the stated meetings, volunteer for the fundraisers, or get in line if you haven't already been through it.

Marching with The Legion

by Dick Luckay

GREAT LAKES REPORT – The Great Lakes LOH gathering in London, Ontario, Canada was a good one – as usual. You can rest assured you will be treated like royalty if you venture north of the border. PC Bob and Barb Faber, PC Gary and Joann Bogart, PC Bob Ward and Lady Caroline and LN Jim Rock and Linda found that to be true once again. It was a great get-together with plenty of camaraderie and renewed friendships. As usual, the change-over dinner was the highlight of the weekend and the pomp and circumstance was carried out in the finest of traditions. It was a great trip and an enjoyable experience.

SPECIAL DAYS FOR SPECIAL PEOPLE – Another year added to the wedding memory list with a new one starting for: Gary and Irene Schleich (11/3), Cecil and Kate Potter (11/10), Jack and Lil Woodworth (11/22) and Bob and Nancy Krieger (11/23). May the coming year add to that memory bank with even more special occasions.

Add a candle to the cake for Barb Faber (10/25), Glenn Ferrone (10/31), Bev Powell (11/6), Mary Sue White (11/10), Gary Schleich (11/11), PC/ PP Don Powell and PC/PCGLSA Bob Wilson (11/15) and Elaine Leonard (11/17). May your day and the coming year be as bright and cheerful as the as the glow from that new candle. God Bless one and all.

WELLNESS REPORT – PC Bob Wilson continues his slow recovery from his motorcycle crash. Fred Kreutz spent several days in the hospital but is back home and doing well.

Everything else is pretty quiet on the news front – so until next time – PRESS ON!

Aladdin Shrine Band

by Dave Haney

Well, I managed to survive the attack by the Spartans. Those pesky bad guys from that state up north came down here and put one on us. We had them worried though. They thought they killed us. The problem was that the OSU offense let the water out of the ball. It never works when you do that. Lucky for me, I am a Cleveland Browns fan so I am used to that type of thing. Green Eyes said it is a stupid game anyway. Trying to chase and catch that football thing while dressed in all kinds of pads and helmets, doesn't make a lot of sense. Never was able to catch a mouse when I would wear a helmet. Got a point, I guess.

Did any of you varmints guess where the expression "It'll cost you and arm and a leg." came from? It is not your tax accountant either, you wise guys! Back in the day of George Washington, there were no cameras, I-Pads, blackberrys and etc. No! Nothin! One's image had to be either sculpted or painted. Usually Old George was shown standing behind a desk with one arm behind his back. The painters would charge, not only for the number of people, but how many limbs were to be painted. Painting all of those arms and legs would cost you more. Those things were harder to paint so they charged more – thus the expression! "Okay, but it'll cost you an arm and a leg." Fascinating, isn't it! So, now you know!

Just to set the record straight, remember Henry Wells, the creator of the first car accident (see last month's epistle)? He was not driving a Chevy Volt. Couldn't plug it in since his extension cord was too short. It was the Aston Martin that James Bond later used in Goldfinger. So there!

Important Schedule Stuff - As you are aware, the schedule for the fall dance was moved up so, by the time you get this, the fall rites for The Great Pumpkin will have passed. Maybe next year? I want you varmints to promise you will not lose another bass drum in Circleville - you sorry things!

November:

1 - It is voting day. Remember what they say in Chicago, vote early and often.
Band rehearsal 8:00 - 9:30 p.m.
8 - Band Rehearsal 8:00 - 9:30 p.m.
15 - Dance Band 7:00 - 9:00 p.m.
22 - No rehearsal. Start fasting for turkey day!
24 - Thanksgiving Day. If you're a turkey. hide! Food coma will commence about 5:30 p.m.
29 - Executive Board 7:00 p.m. Band 8:00 p.m. - 9:30 p.m.

December:

3 - Ceremonial
6 - Band rehearsal 8:00 p.m. - 9:30 p.m.
13 - Christmas Party - Casual dress. (I don't have one of those.) See the treasurer if you will need any bail money following the party. Time and place will be announced.

Somewhere in the middle of all of this, we will have "railroaded" in the officers for the next year. Stay tuned. You know how exciting that will be!

Next Month's Word Puzzle: Since winter will be upon us shortly, it is time to reflect on origins of the expression, "It is cold enough to freeze the ____ off a brass monkey!" I know you plumbers will have fun with that one and it is time you knew the truth! Tune in next month when we ask the historical question,"Who cares?"

Paraprodoskian: Artificial intelligence is no match for natural stupidity!
