Still Rolling with The Pote!

by Daniel E. Stainbrook II

It is with great sadness I am reporting to all Nobles that Illustrious Sir Richard E. Goudy, P. P., passed on July 2. Ill Sir Goudy was the oldest living Past Potentate of Aladdin Shrine. I realize that everyone probably has been informed of this throughout Aladdin land by now. Please take a moment to remember him for without him Aladdin would not have this great facility we all enjoy. He was a man with a vision to the future.

It seems every month appears to get busier than the month before. All who participated by working in the Memorial Tournament, here is a great big "thank you" for your hard work and effort! Since the Aladdin Provost Unit got its foot in the door for security the very first year, it has expanded throughout the years with other units, clubs, and guests. Without them doing their part, I do not believe it would be as successful through the years. It just goes to show we can work together and have fun toward a common goal.

I want to thank Corky Talbot for the great job of planning our fishing trip on June 14-5.

Congratulations go to the Chanters for their first place win in chorus and their first place win in quartet at the Imperial in San Antonio. I want to congratulate the Dixieland Band for their superior rating at the Imperial.

In talking with Nobles from other Masonic Districts, it appears that the One-Day Masonic Class was successful throughout the state. I believe Aladdin had 48 who went through the Ceremonial on June 26. There was much comaraderie in the Oasis and on the patio after a great dinner and the Ceremonial. What a wonderful time it was. *Continued on page 2*

Thanks to Shriners - Life is Good

Early March 2009, Mary Gatelin's life was turned upside down.

A house fire destroyed her home and seriously injured two of her children. Within hours, Mary's family was on the road to recovery when they were transported to Shriners Hospitals for Children in Cincinnati.

"My boys were both very sick," says Gatelin, a resident of Winton, NC. "If it wasn't for the firefighters who saved my sons and Shriners Hospitals, I don't think we'd all be here today."

And that day was a "discharge party" for seven year-old Malik and 11 year-old LaKyle. The celebration recognized their hard work in recovery

and their plans to go home by Memorial Day weekend. The boys sat outside their hospital rooms and opened a flurry of gifts, as music blared from a CD player proclaiming, "Bye, Bye, Bye, Bye."

Malik and LaKyle were first admitted to the acute care unit at Cincinnati Shriners Hospitals for Children, where they were listed in critical condition for several weeks. Their surgeries and physical and occupational therapy progressed well and they were eventually transferred to the pediatric burn rehabilitation unit, where they attended school and continued their therapy.

"Mary did a remarkable job helping both boys cope with their injuries," remarks Allison Root, child life specialist at the hospital. "The boys really perked up when their aunt and sister came to visit. You could see them working even harder. I think they all found strength that they didn't know they had."

MEMBERSHIP ON THE MOVE

by Calvin Smith / Membership Marketing Director

It's July and it's hot! We've celebrated the nation's birthday in grand style and Aladdin has returned from the Imperial Session in San Antonio. The NFL is in camp and our campuses are preparing for their football schedule. If I were spending less time watering my flowers, all would be perfect.

Aladdin held a ceremonial on June 26 and 48 men joined our fraternity. Their names appear on page 3. If you see any of these Brother Masons in your community or at Aladdin, greet them warmly make them feel comfortable. It's all our fraternity.

Still Rolling with The Pote!

Continued from page 1

It has been my idea to try something new or different during this year to hopefully get Nobles out to various Shrine functions. However, it doesn't seem to work very well because we always get the mainstay Nobles who participate in just about everything that goes on at Aladdin. I hope we (all Nobles) will make an effort to greet and welcome the new Nobles and any Nobles you know or see at a meeting, dance, etc. Please greet and encourage them to join a club or unit at Aladdin if they are not already in one. As I have preached before, encouraging Nobles to join a club or unit increases our chances of retaining Nobles.

Now is the time for you to be looking for candidates for the Fall Ceremonial which is both the first and second sections. Also, the new Nobles are more than welcome to participate in the second section in the fall.

There was a Stag Picnic on June 20, but to be honest, attendance was not that great. I feel there were just too many other things going on, and consequently, few Nobles attended. However, the Nobles who did attend had great food (some take-home) and won more than one door prize.

The Chiller donations now stands, as of 06-30-2009, at \$41,620.00. We are still accepting donations and will throughout the year and even longer.

Remember to read your Lamp so you don't miss an event or other function that you want to attend.

Let's Roll Again!

Hilltop Shrine

by Ray Pendell

Happy summer to all! We had an enjoyable session at the Muirfield Tournament. A big "thank you" goes to all who helped and a "special thanks" goes to Noble David Ray who organized us for this event.

We are saddened with the loss of our past president and current treasurer, Bill Hartman, who was taken by the Black Camel on June 21. He was the backbone of our club for many years and did an outstanding job tending our treasury. Our sympathy and support goes to his family and many friends. We will miss his timely counsel.

Our next planned meeting will be the Potentate's visit in September. Arrangements have been made at the J P Rib Party House at Bolton Field and details will be in your August newsletter.

Plan to attend, if you are able, the many events at Aladdin Shrine Center. The Corn, Pork, and Chicken Roast in August is a great gathering and the car show is a bonus. Details for this party are on page 16.

Keep any officer informed of all distressed or sick members by way of a phone call. We will support them in every way possible but we need to be informed. Thanks for listening and have a happy summer.

WANTED BUS DRIVERS

Aladdin needs some additional bus drivers.

We are always looking for Bus Drivers to add to our shrinking list of Shriners qualified to drive Big Red and the Provost Bus.

Eligible drivers should have a CDL - B with a passenger endorsement.

If you qualify and think you would enjoy driving Shriners to parades, special events, etc., please contact one of our transportation chairmen: Ed Roberts - 614-560-1952 or Jim Conrad - 740-763-3875.

Ed and/or Jim will be happy to talk to you about Big Red and what is involved.

REGISTRAR

by Buck Boyd

Last month, I had the pleasure of representing our unit at the Memorial Golf Tournament as a volunteer. I worked from 7:00 a.m. to noon on Thursday and Friday – the first two days of the event. These are not long hours, and to tell the truth, they seemed like only minutes.

As I stood at my assigned post, people from all walks of life passed me on the way to watch the tournament. Most smiled, some spoke, and all had that excited look of anticipation of great things to come. They were on their way to watch a major sporting event with the best that golf has to offer from all over the world. An event that other cities would love to host, the Memorial is considered by many the world's fifth major. It is easy to understand why I was excited to be part of such a great tradition.

As I took stock of my surroundings, I noticed that there were people, such as myself, stationed at almost every corner and parking lot encompassing the entire course. I was surprised to learn that our unit has been volunteering since the tournament began in 1974. But the bigger picture is our unit is not the only Shrine unit that fills needed slots throughout the tournament with volunteers. Working in a variety of jobs, the needs of the tournament and its success are always first and foremost.

Being a volunteer was a lot of fun. With people asking for help and directions, gate information, and all sorts of questions, it was kept interesting and the time flew quickly. The Memorial and the Little Brown Jug Race at the Delaware County Fair are just a few of the wonderful events our members volunteer for each year. Parades, special events, hospital and retirement home visits, to name a few, are great fun and rewarding to those who help, as much as those who are helped. So, I ask you, **when was the last time you offered to help?**

The Registrar Unit is always looking for people who are interested in helping others and having fun doing it. If you would enjoy receiving great rewards in esteem and self satisfaction for investing time in helping others, join us. We will make you feel welcome.

By the way, I took my wife, son and daughter to the Memorial Tournament on Saturday and had a great time. Thanks go to the many volunteers we encountered that day.

Bucyrus Shrine

by Gene Diller

The Bucyrus Shrine Club opened the meeting with prayer lead by Noble John Miller. The pledge of allegiance was lead by President Noble Tim Miller.

Noble Dave Crum's Palmer House catered the meal of Salisbury steak, mashed potatoes, banana salad, and pie.

A moment of silence was given for the United States forces.

Sunshine reported Noble Paul Leonhardt had a hip replacement and Noble Scott Hastings had surgery.

President Noble Tim thanked the Nobles for the Tabloid help. The Bucyrus Shrine Club collected \$11,220.22. The Bucyrus Shrine Club thanked Noble Tim Miller for all the work he did on the Shrine Tabloid fundraiser.

Noble President Tim Miller made a plea to get more officers for next year. Bucyrus Shrine Club needs to keep the club going. The younger Shiners need start taking charge.

Noble Don Hieber gave presentation of pictures and account of his visit to Egypt and Jordon.

JUST CLOWNING AROUND

by Matt "Nutt" Knight

We need your help.

In the accompanying photograph, there is a missing monkey. We haven't seen the monkey in some time. If you see the monkey, please have him give us a call because we miss George a lot. We are not sure but the person in the picture next to George may have been the last person to see him. The guy looks awfully shady doesn't he?

I would like to take a moment to give a big "thank you" to Bob Barton and his Lady Elwanda. They hosted the Clown Picnic and did a real bang up job. Everyone I spoke with said that they did an excellent job. I would also like to thank Mr. Dick Wallers for opening his home to us and allowing us to have our picnic there.

I would like to mention that we had three clowns go over to Indiana to the Red Skelton School last month. It was a four-day event where they said they learned a great deal. The three clowns were George Mather, Mike Clark, and Greg Osborne. They are going to share some of what they learned with us in our up coming meetings. They said it was a very productive experience.

We have a few events on our calendar I would like to mention. We performed at the Good Guys Show on July 11-12 and at the Cincinnati Shrine Burn Hospital on July 15. The next event will be our Clown Ladies Party. It will be held at the Winking Lizard on Bethel Road on July 17 with social hour at 6:00 p.m. There is a patriotic theme this year.

Have you heard that our website is back up and running? The web address is aladdinshrineclowns.org. Please take the time to visit it and let us know what you think.

Last, but not least, I would like to say "happy birthday" to Jeff "CeeJay" Carter 7-14 and Fred "Hobo Freddie" Gischler 7-15. Some thought they were twins but I told them their birthdays are on different days. They look a lot alike but Jeff is a few years older than Freddie.

God bless!

Patrol Marches On...

The Memorial Tournament is once again history. The Patrol did a great job in volunteering and recruiting new volunteers. We had some great new volunteers this year and they enjoyed it. Don't forget if you volunteered and haven't sent your reservation in for the Appreciation Get-Together on July 13, please call Jan, 614-861-5943, or email jadoss@sbcglobal.net. We don't want to leave anyone out.

The Potentate's Visitation was canceled because of the Patrolmen's busy schedules.

Captain Arlan appreciates the small, energetic group who turned out for the June Ceremonial. "Thank you" goes to Mike Clevenger, P.P., Lt. Tom Byers, Lt. Leo Stacy, C.E., Neal Dorsch, and Bill Dumbauld and to Larry Bailey, C.E., supporting the Patrol from the sidelines. Once again, "thank you."

The Black Camel has taken another patrolman, Ray F. McVay, captain emeritus and past president of S.P.A.N.A. Ray was 85 and had been living in Haines City, Florida for the past 27 years. Ray was also affiliated with many other organizations in the Shrine. Ray was our own David E. Wolfe's uncle. Our heart-felt sympathy goes to his Lady Charlotte and all of Ray's family.

The Patrol and Aladdin Shrine Center has another great loss. Richard Goudy, P.P., passed away on July 2. Dick was a member of the Patrol and a Past Potentate of Aladdin. The Patrol's heart-felt sympathy goes out to Dick's family. He will be greatly missed!

As always, this is your article; please contact Captain Arlan with anything you would like to have in the article: email - kst7act8@att.net, phone - 614-475-7366.

See you on the Square.

Chaplain's Message

Here am I. Send me. ~ Isaiah 6:8

by Chaplain William R. Stump

"We are little wieners," sang the six year old boy as he stood facing the congregation. He was part of a group of children from the preceding week's vacation Bible School. After the service, he found out that everyone else sang, "we are little gleaners." He didn't know what a gleaner was. Why would he refer to himself as a hotdog? Who knows? I don't, even though I was that little boy (does that surprise you?) about 70 years ago.

It's a lesson in understanding the meaning of words. In religious services, songs, books, and the Holy Bible, not all know the definition of some words. How many can define atonement, propitiation, justification, reconciliation, rapture, or redemption?

Let's delve into the wonderful hymn, "Redeemed." The words were written by Fanny J. Crosby. The chorus begins, "Redeemed, redeemed, redeemed by the blood of the Lamb." Realizing the importance of this should make us want to shout the words.

Fanny Crosby probably thought of this verse from Ephesians. "In Him (Jesus) we have redemption through His blood, the forgiveness of sins, in accordance with, the riches of God's grace." (1:7 NIV.)

To redeem, you must pay a purchase price to release another person from danger or slavery. Therefore, a redeemer had to pay an appropriate price. Being "justified freely by His grace through the redemption that came by Christ Jesus." (Romans 3:24 NIV.) This verse indicates your release as a slave to sin.

How, and at what price were we redeemed? Leviticus 25:47-55 discusses a Kinsman-Redeemer. "One of his relatives may redeem him: an uncle or a cousin or a blood relative in his clan may redeem him." (48a-49a NIV.) The person qualified to redeem us must be a close relative. (Read the Book of Ruth.)

Jesus Christ created everything. "For by Him (Jesus) all things were created: things in heaven and on earth, visible and invisible, whether thrones or powers rulers or authorities; all things were created by Him. He is before all things, and in Him all things hold together." (Colossians 1:16-17 NIV.) Also read John 1:1-5, 10, and 14. As a human being, Jesus shed His blood on the cross thereby establishing His right to act as our Kinsman-Redeemer. He paid the price for our sins with His own blood.

"Since the children have flesh and blood, He, too (Jesus Christ), shared in their humanity so that by His death He might destroy him who holds the power of death, that is, the devil, and free those who all their lives were held in slavery by their fear of death. For surely it is not angels He helps but Abraham's descendants. For this reason He had to be like His brothers (fellow Jews) in every way in order that He might become a merciful and faithful high priest in service to God, and that He might make atonement for the sins of the people. Because He himself suffered when He was tempted, He is able to help those who are being tempted." (Hebrews 2:14-18 NIV.)

"Redeemed—how I love to proclaim it! Redeemed by the blood of the Lamb; Redeemed through His infinite mercy, His child and forever, I am." (Verse 1.) Praise God!

PICKAWAY

by Bill Dountz

Greetings from Pickaway County!

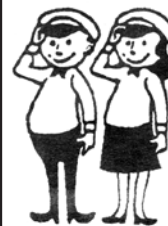

The meeting was opened with our business meeting. Afterward, the Ladies Auxiliary joined us for a covered dish picnic with a nice turnout and a lot of wonderful food. The evening was enjoyed by all.

After the picnic, the ladies held the raffle drawing which was a big success. They were able to present us with a very generous check. "Thanks, Ladies."

Our 2009 Pickaway County Fair is over (first county fair in Ohio for 2009) and our food both was a great success. We are hoping to keep our money pot growing. Ask Provost member, Bob Cannon, about the raffle.

Athens Shrine

by *Fred Stanley*

Another year has come and gone for Tabloid Days. In these trying times, maybe we could apply for a stimulus package, since the government has given billions to the auto industry with no hope of recovery. We could use the money to help our Shriner Childrens Hospitals.

We served a steak dinner to all the Tabloid workers and combined it with Family Night, which enabled our Nobles to have their ladies and families attend.

A Tabloid check in the amount of \$21,900 was presented to 1st Ceremonial Master Garol Rogers, our Aladdin representative. High Priest and Prophet Mike Tyne, Aladdin Divan member, was also present and thanked the club for his invitation. We were pleased to have Garol's Lady Dixie and Mike's Lady Rebecca present. Our club had the largest attendance in a long time for a regular meeting (67).

A special "thank you" goes to Skip Robinette and Larry Hines for grilling the steaks, and to my Lady June, my daughter, and grandsons for preparing the meal and cleaning up afterward. "Thanks" go to those who helped get the Shrine ready for this occasion and to Bill Cooley for donating the "Split the Pot" money (\$80.00) back to our treasury.

A special "thank you" goes to the following: all Nobles who worked extended hours (10-12 hours.) for Tabloid Days – Jerry Robertson, Steve Kane, and Marvin Taylor along with myself; to the Nobles of the Forked Run Gun Club; to Billy Cougar for the money he collected on the Pomeroy parking lot during River Festival (apx. \$1,000). Thanks so very much! The great success of our Tabloid Days could not have happened without the combined efforts of all the Nobles from our club. Good job!

Our new alarm system has been installed to protect our building and contents. Special appreciation for seeing this project through goes to Noble Skip Robinette.

Special thanks go to Noble Buddy Brooks for keeping our grounds mowed and in "tip top shape" during this hot, rainy weather.

REMEMBER our Green Corn Dinner Thursday, July 23, 6:30 p.m. We need all the help we can get from our club's Nobles to prepare food for this event!

CHANTERS

by *Brent Wilson*

This has been a pretty nice summer so far, not too hot, not too cold, not too wet, not too dry, not too windy, not too... Flowers and gardens are looking great and all the little critters are doing well. Life is good! Well, maybe there is one little problem. BASEBALL!

Yep, that's right, baseball. Month before last, I mentioned how Roger Nelson, betting on the Pirates, lost money last year and is losing money this year to Jim Hackett, betting on the Reds. Well, Roger told me, in no uncertain terms, how WRONG I was. He claims that Hackett paid him off last year and that Hackett owed him money so far this year. I don't know what the bet is, but I know when I looked in the paper this morning, the Reds were in third place and the Pirates were in sixth place in the National League Central Division. It's been like that most of this season. I can only say one thing, "Roger, how did you do it?" By the way, I will update you from time to time on the progress of this THING!

There's not too much going on for the Chanters this summer. But, here's a little bit of STUFF! Singing, of course, at the Imperial, our golf outing July 12, and the Chanters Picnic on August 16. The other important events are the Baltimore Parade on August 8 and the Nelsonville Parade on August 22.

We were honored, as always, to sing at the June Ceremonial and, of course, our own John Iben turned in another remarkable performance as the Prince of Morocco. Thank you, John. Ralph Hughes was the honoree for this new class of candidates. A terrific honor for Ralph, to be sure, and very well deserved. Ralph has always been a very loyal, active, hard working, dedicated Shriner. Congratulations, Ralph!

Some of our fellow Chanters are having some health issues and can use your thoughts and prayers. Ralph Hughes is having some back problems and may require surgery. Ralph, talk to Tom Colburn, he's had many of them. Don Filmer's Lady Linda had a heart procedure that got somewhat complicated, but I understand that everything worked out okay. And don't forget Jack Harris who has put up with more health issues than anyone should. Get well quick to one and all.

Please remember our Chanters and their Ladies in your prayers, and don't forget our military who lay it on the line for us everyday. God Bless them all and God Bless America.

Flying Nobles

by *Lee McKelvey*

The Flying Nobles gathered at Urbana Airport for our May meeting. The morning clouds moved out and we had a blue sky. There was a big crowd for the pancake breakfast with a lot of planes flying in from cities throughout Ohio.

Our club had four planes fly in, three motorcycles, and Bob Cahill drove in from Raymond. It was good seeing Bob again since he hasn't been around for a while.

Mike VanHuss and Terry Kitchen flew in from Fairfield County with Garol Rogers in the Cherokee 180. Del Kopp flew his Cherokee in from Delaware, PC Wayne Williams flew in from OSU, and I flew in from Bolton. Commander Beymer rode his motorcycle in with two friends.

They are rebuilding a B-17 in a hanger at Urbana and it will take several years to complete. You can visit there anytime you're in the area.

We thought we were secure in our meeting place at the OSU/MedFlight hanger but Commander Beymer got word that we can't meet there anymore. So, PC Wayne Williams went to work trying to get us another location at the airport. We will be meeting at the white administration building near the OSU tower. You will need to enter from Case Road and parking should be plentiful for us. Thanks to Wayne for making the arrangements with the airport manager.

We thank Medflight for allowing us to meet in their room for the years we held our meeting there. Everyone was always friendly and helpful to us. I remember at one of our meetings at Medflight, this real young, blond girl come in to get a cup of coffee and someone asked her if she was a nurse and she said, "No, I'm a pilot. They keep getting younger."

David Ray has the plans made for July, 2010 for the trip to Oshkosh. He has air conditioned rooms which is rare in Oshkosh.

We had a good time at the Shrine Stag Picnic. I counted at least seven Flying Nobles in attendance. It was good seeing PC Del Johnson and PC Tony Bachman there – two good men we don't see often enough.

Lacy Toothman, "Get well so you can be with us again."

Everyone do your best to stay well and I'll see you next time.

Gallipolis Shrine *by Frank Petrie, Jr.*

Tabloid collection days have come and gone and we wish to thank each and every Noble who helped. It is hard to realize how many kids may be helped by your efforts. Most of us can't shell out large sums of money, but it makes us proud to be a part of this great organization where, together we can contribute so much.

Congratulations go to Past President Noble, Carl DeWitt who was presented with a nice plaque and received a standing ovation for his great year. However, we do wish Noble Carl would shorten his acceptance speech just a bit.

I was informed that we sold 610 bags of those delicious Vidalia onions. This has been a very good money maker for many years. We wish to thank Beni Kedem Shrine Temple in Charleston, WV. for their help with this project. We wish to thank Nobles Bill Johnson, Rodney Fulks, Clarence Tucker, David McQuaid, and Charlie Meadows for delivering those onions. From the stories we heard it sounded like they had quite an adventure.

We certainly appreciate all the Nobles who turned out for the Centerville and Gallipolis parades. Thanks go to Noble David McQuaid and his assistants for keeping the old fire truck rolling.

We wish to welcome new Noble Ronald Wright to our humble oasis. May you always ride a good camel, live beyond your means, and have 10,000 wives.

I'll try to tell you about the Fishing Derby and the Golf Outing next time. Remember, Nobles and Ladies, don't be embarrassed to change your mind. No one should have to live with a bad decision. See you for supper on Thursdays at 6:30 p.m.

Pipes & Drums

by Jim Bradham

We were honored to have Potentate Dan Stainbrook, Lady Ann, and the Divan spend the evening with the band for our annual visitation. Dinner was followed by the presentation of the Haggis, which was piped in by Mark Melroy, Ken Spaulding, and Bob Parsons.

The band is happy to welcome three new members this month, Charles Cruikshank, Tom and Tim Corbin. It's great to see father and son join together, along with Bob and Rob Parsons. The new members all want to learn the pipes, which will fill a much needed place in the band.

This month the band marched in the Annual July 4th Parade and will be followed by a cookout on the July 18.

The Bucyrus Parade was canceled, but we still have Baltimore on the schedule for August. We should all be wearing our new military uniforms by then.

The Band will not be at the Imperial this year but we are looking forward to Toronto next year, and again being part of the Mass Pipe Bands that made the Guinness Book of Records in 1989. The record was for the largest number of pipers and drummers assembled at one time. I understand they are trying to beat the record next year. If I remember correctly, it was close to two thousand.

We will take a short break in July with no practice until August 4. Hopefully, I'll get some time to spend at the lake on my boat.

Life is a song. Love is the music. Enjoy each moment.

Steubenville

by Anthony Violi

The June 4 meeting of the Steubenville Shrine Club was called to order by President Noble Jim Halstead at 7:30 p.m. in our own clubhouse. The minutes of the preceding meeting and the treasurers report were accepted as presented. Prayer was offered by Noble Robert Moffatt.

Reported ill were Noble Danny Davis and Clara Morris, wife of Secretary Noble Leonard Morris. As of this date, she is in Trinity East. May the Lord watch over them and grant them a speedy recovery.

The Black Camel visited our club taking Nobles Herb Utzler, Glen Sneathen, and Past President Noble Harry Reynolds to their eternal resting place. Condolences were extended to the families.

Noble B.J. Johnson informed the Nobility that, because of the economy, several hospitals in our area are in dire need and may close. He said if this occurred, it will create a serious problem for our club to transport children to the various hospitals. Special concern would be the increased mileage from our club to the hospitals.

Noble Gene Groves was recognized and applauded for his special effort in collecting funds from several business to supplement Tabloid Day.

Building Chairman Jim Halstead said the two grass cutting tractors were overhauled by students from JVS and are now working well. Before the repairs, he and Noble Dave Hunt used their own equipment to cut the grass. A local business was acknowledge for donating a 4-cycle gas trimmer to our club. He also reminded the Nobility that work is being done on the bandstand. Help is still needed.

We were sorry to hear, that because of unavoidable responsibilities, Noble Joe DeArdo had to resign his position as first vice president. Second Vice President Wes Darling agreed to move up to the position. Noble Dave Hunt volunteered to accept the position of second vice president position until the end of the year.

A discussion was held, concerning the possibility of having a Halloween party for the children. Only children would be in costume.

Noble Bob Leas celebrated his 82nd birthday on June 5. Congrats! Noble B.J. proudly informed me his granddaughters, Nicole Kelly, was sworn in the Columbus Supreme Court as an attorney and Marcy Lawrence, is in her last year of medical school. Congratulations are in order to the young ladies.

Date to remember: LUAU-July 25.

A closing prayer was given by Robert Moffatt asking God to watch over us and grant us wisdom in all our endeavors. Delicious refreshments were available.

Fellowship followed. GOD BLESS AMERICA!

Past Masters

by Dick Bull

At least eight unit members and their wives attended Imperial Session in San Antonio. Charlie Neff and Jim McGruder drove the van.

We participated at the June Ceremonial in "Evolution of a Shriner" and provided candidate escorts. "Evolution" was performed with a slightly smaller cast because some members attended the Special Olympics.

On July 17, we will participate with the van at the Plain City Steam Threshers parade and we are looking forward to the Ambassadors Club Golf Outing at St. Albans on August 4.

In August, we will participate in the Baltimore and Nelsonville parades. Bucyrus parade on August 21 has been cancelled because of downtown storm sewer construction.

Jim Bontrager recently had serious back surgery to remove a tumor. Betty Parks had a portion of her thyroid removed and is progressing well. Bob Diehl, Lyn Marsh, Dick Rogers, George Finch,

Jim Brenot, Carl Diederich, Ed Holter, and Joe Palmer continue to battle with serious health issues. Our thoughts and prayers are with them.

Our assistant Director Emeritus Bill Hartman was taken by the Black Camel on June 21. He had been under hospice care at his daughter's home in Grove City. In addition to his multiple myeloma, he had recently been diagnosed with leukemia. Bill was a dedicated and hard-working Mason who volunteered much time and effort for the ideals of our Order and for the good of others. He will be deeply missed. We are all better for having known and worked with Bill. Our sincere sympathy is extended to his family.

The annual unit's picnic will be at Shelter House #1 in Liberty Township Park, 7761 Liberty Road, Delaware County on August 9 from 1:00 - 5:00 p.m. We will eat at 2:00 p.m. with bingo to follow. Details will be in our next unit newsletter.

Kambri Shrine

by Dick Brixner

Kambri Shrine had its day, June 6, on the streets for our Shriners Hospitals with 22 Nobles on the streets in Cambridge, New Concord, Caldwell and Byesville. We had beautiful weather and a successful day. Our morning started with a hearty breakfast at our lodge. A big "thank you" goes to the cooks and servers. A "special thanks" goes to the 22 Nobles who took their time and helped raise these important funds, and to the six Nobles who counted the money.

If you have never been on the streets for Tabloid Days, you are missing a great experience. I had four different drivers stop, give money, and thank Shriners for helping their children.

Kambri Shriners, if you were unable to help on Tabloid Day, but you still want to donate, feel free to send a check to Noble Treasurer Tom Fisher. It is never too late to donate.

On June 11, Kambri Shrine took part in the Southeast Ohio Regional Medical Center's Health Fair, held at our city park. We had six Kambri Nobles participate and had three Aladdin's clowns, led by Don Tootle, entertain the kids. The clowns were loved by both the old and the young. You are never too old to laugh. Our Shrine club gave away two bicycles; one to Riley Ruggles of Lore City and the other to Aaron Hardy of Cambridge. This was a very successful event.

On Saturday, June 20, we held our annual golf scramble at Wildfire Golf Club in New Concord. The weather was perfect for this outing, and, of course, yours truly took the credit for the same. We had 13 teams participate and the winning team shot a 61, which is 10 under par. This team, John Scurlock, James Scurlock, Matt Wright, and Keith Carpenter, won with a scorecard playoff. The second place team consisted of Ron Harding, Lynn Bell, Ted Neptune and Bill Neptune. We had skill prizes with 5 closest to the pins and three long drives. The following winners of the above follows: closest to the pin on #1 - Bill Neptune; #5 - Matt Wright; #7 - Brad Williams; #12 - John Miller; and #14 - Kenny Paden. The long-drive for women was won by Peg Bryan. The long drive for men under 64-years was won by "Big" John Scurlock. The long-drive for men over 65 was won by Ted Neptune. Thanks go to local donators - nearly everyone walked away with a door prize. Thanks go for all the support. A special "thanks" goes to Noble Joe Spilker for the prep of the steaks and to Noble Dave Black for cooking. Also, thanks go to Noble Lew Smith for the use of his propane grill. We heard nothing but positive comments on the taste of the steaks and the fact that you could cut them with plastic utensils. Great job!

Senior Shriners

by Charles McLeod

The Senior Shriners held a meeting on June 24 before going "dark" in July and August. Noble President Dick Logsdon opened the meeting. Chaplain Don Pendell gave the prayer and led the pledge.

Following a delicious meal, Second Vice President Noble Jimmy Bontrager introduced speaker, Mary Jane Bates LPN, LSW, the I-CARE service coordinator for our district. She told of one 93 year-old man who, when contacted by the I-Care coordinator for his lodge, said, "Call back when I'm old!" I-CARE Program provides independence through coordination of community and government services and links Masons, wives, widows and Eastern Star members to community resources. This is offered by the Masonic Senior Services of Ohio and began in 2002 by the Grand Lodge of Ohio so that the elderly could have independence and live in their homes as long as possible.

Golfers, mark a date for next year's outing - Saturday, June 19, 2010. It will be at the same place, same time, and same menu.

Did you read last month's *Aladdin's Lamp*? If so, you saw President Ron's photo with Potentate Dan Stainbrook. Also, you saw several other photos taken during the Potentate's visit to Cambridge.

Nobles, please mark your calendars for our coming events. We will have our annual fish fry with Freeport Lodge #66, and Kambri on Saturday, July 25. This event will be held at the Plumbers and Pipefitters Hall in Cambridge beginning at 6:30 p.m.

Our annual steak fry will be Thursday, October 22, at the Plumbers and Pipefitters Hall, beginning at 6:30 p.m. Our ladies are invited to join the Nobles for an evening of fun, fellowship, and great food.

Our Christmas Party, with Santa, will be December 10 at the Plumbers and Pipefitters Hall, with fellowship at 6:30 p.m and dinner at 7:00 p.m.

Did you know that you can order the fez owner's manual? This booklet is available with a #10 self addressed stamped envelope sent to Membership Development, P O Box 31356, Tampa, FL 33631.

Over the next several articles, I am going to include the names of our Kambri Shrine Club presidents. If I leave a year with no name, please feel free to provide us the name. The following have served your club:

1945 - Unknown	1953 - Walter R. Fairchild
1946 - Unknown	1954 - Unknown
1947 - Vern F. Ross	1955 - Robert Sollinger
1948 - Unknown	1956 - Unknown
1949 - Unknown	1957 - William Hartlet II Jr.
1950 - Unknown	1958 - Unknown
1951 - Lyman "Bing" Shafer	1959 - Walter Jefferis
1952 - Unknown	

Watch next month's article for our club presidents of the 60s.

Now, for more history. Did you know that since 1922:

- More than 865,000 children have been treated at our orthopaedic, burn, and spinal injury hospitals.
- In 2008, it cost \$2.263 million dollars everyday - or \$26.19 every second - to provide the best pediatric specialty care available to children.

Kambri Shriners, this is your club. Come out and get involved. It is well worth the time and your support will make Kambri Shrine much stronger.

President Dick opened the stated meeting introducing the following members: Past Potentates of Aladdin Shrine - Noble Harry Reissig and George Kosbab; Past Grand Master of the Grand Lodge of Ohio, Noble Jack L. Allen. He introduced the 33° Degrees present: Nobles Harry Reissig, Jack Allen, Dick Bull, and Chuck McLeod. He asked the past presidents of the Senior Shriners Club to stand and introduce themselves with their year of service if they could remember it. The following introduced themselves: Nobles Dick Phelps, 1992; O. K. Waters, 1995; Chuck McLeod, 2003; Bill Pratt, 2004; Hal Kittrell and Dick Logsdon.

Our next meeting will be Wednesday, September 23. See you then! The meeting was closed in peace and harmony.

Provost

by John Rohal

Regular unit reporter, P.P. John Rohal, and his lady Mary are traveling again but it's a justifiable trip to Helena, Montana to attend his grandson's high school graduation.

The Muirfield detail consumed most of our June meeting with many deserved compliments for Provost members. P.P. Don Goodman, who was one of the primary Muirfield supervisors, reported he has not received the first complaint. That is something to say when you consider the numerous duties performed by our unit members and the members of the other units, Shrine clubs, and Masonic lodges. Don stated all unit members did a great job and all who worked deserved a "job well done." Following Don's remarks, Director Kinney thanked everyone who worked and especially the three primary supervisors – Dale Cline, Don Goodman, and Jim Rohal.

As always, the A-lot trailer was the nerve center of the detail and it was reported that things at the trailer had some rough going the first three days when last year's A-lot trailer supervisor, John Rohal, was there messing up things. When he left for Montana the report is that things greatly improved and the nerve center operated smoothly under the supervision of Jim Rohal.

Another confirmed report was that one of our unit chauffeurs may have to undergo driver training after attempting to remove a parking sign with the back of his vehicle. How about it, LEO?

Over the years some of our food transporters have had some beverage problems, especially with coffee. This year was not an exception. Just ask Hobe Hobensack and Ben Owens. Also, guess who had his photo taken with the Marilyn Monroe look-a-like when she visited the tournament.

Bob Cannon reported the unit has a decent number attending the Imperial. Russ Miller reported that Wendel Webb has resumed his treatments and Fred Rake reported Bob Steele is doing okay but did not feel up to attending this meeting. (Editor's Note: Noble Steele was visited by the Black Camel after this article was written.)

Director Kinney appointed a committee to review our unit's by-laws and operational procedures. He charged the committee with recommending any needed changes. He emphasized the committee should focus on membership and individual participation requirements as well as unit finances and have their report ready the regular meeting in September. He appointed Mike VanHuss chairman with the following committee members: John Bivens, Don Campbell, Jay Devoll, Jerame Dixon, Dick Fogt, Mike Gray, Charlie Linek, Terry McLaughlin, Russ Miller, and Gene Steineman.

July birthdays include Rob Albright, Howard Beane, Mike Bowers, Don Cox, Frank Edwards, Chris Fannin, Heber Fellure, Gary Hamre, Charles Law, Herb Leadingham, Harry Lewis, Bud Light, Jon Rhoades, John (Sweetens) Rohal, Corky Talbot, Bill Vangundy, and Art Williams.

This was our last unit meeting until September.

Brutal Brothers

by Ron Martino

Special Remembrance

On May 8, the Brutal Brothers lost a special member, Tom Ruggles. Tom was a member of Lancaster # 57 F&AM and became a regular member of the "The Unit" in September of 1980.

From the start he was very active. Tom served "The Unit" as secretary, chief '91, and director '95, and then for many years he wrote the news for *Aladdin's Lamp*.

Tom traveled to almost all the SDAs through the 80s, 90s and into the new century. We traveled many miles together, along with Bob Collier, Harold Linebaugh, the late Jack Willard, and Bob Snyder.

Tom was always ready to help build anything to give the new candidates a lasting impression of their trip across the "hot sands." There were several times I got a dose of his creations.

Tom was always ahead of the rest of us with his GPS, computer, and camera gadgets and was forever telling us where we were as we went down the highway.

After he retired he did a lot of traveling over the eastern USA, never missing an air show, along with all the other things he was interested in even though he battled his ailment for over twenty years. He never gave up fighting and was due to get a bone marrow transplant, but alas, he became too frail to continue.

Everyone who knew Tom had a special feeling for him. He will be long remembered by all who met and knew him.

Events

The Muirfield Golf Tournament is now history and from all reports it was another very successful year for all of us.

The Ceremonial on June 26 was held without hot sands, so come out on October 17 and see what "The Unit" is all about when we put on the "Second Section" in full form.

Mobile Equipment is still going to all the parades each month, so try and attend as many as you can. Jake and Larry will welcome all of you. Parades coming up in August are Baltimore, 8/8, Bucyrus 8/21, and Nelsonville 8/23. So don't say you forgot.

Our annual steak fry was held and is the reward for all those who worked during the year. It is also a time to see those of us who are not as active as we once were. The steak was good along with the sweet corn, baked taters, and salad.

Don Williams is close to having the new jackets for all who ordered them.

September 1 will start us out again having monthly meetings and planning for the Fall Ceremonial. It is not too early to sign up a couple and/or bunch of new members for our great Shrine fraternity.

This is my first attempt at reporting the Brutal Brothers activities and as we all have different writing skills, mine will be somewhat different. So, as the ole saying goes, "If you can't say something nice... shut the heck up." Comments and news are always welcome at jestron@outdrs.net, so send me some.

Greetings, Nobles! Finally, we are feeling the warmth of summer. We started with the celebration of veterans on Memorial Day, and we are at the mid-way point.

Our meetings continue to be attended with great enthusiasm and we appreciate the visitors, Jim Smith and Mark Wright, this month. Of course, we couldn't do without fantastic meals. Our thanks go to May and June cooks: Noble Mike Haller, Noble Bobb Baranick, Noble Dave Patterson, Noble Graham Thompson, Noble Mike Haller, and Noble Jay Morgan. We really appreciate all who prepare and serve us meals.

At May's meeting, there was a moment of silence for the passing of Noble Robert Waller. Several "get well wishes" were sent to Jack Theabold, Harley Thomas, and George Black. It was good to see Noble Jack at the June meeting; glad he is doing better.

A few dates to mark on your calendar: July 18 - our Potentate's visit, September 12 - Ladies and Widows Night. See if you can attend these special events. Any questions about reservations, call Jay Morgan.

The final total for the Tabloid this year - \$15,949.40, Bob Anderson did a great job and a big "thanks" goes to all who got those donations for the kids. We are looking for a new Tabloid chairman for next year, so please let us know if you are interested.

Nobles, a great deal of discussion concerning the club and some possible new ideas were brought up at the last two meetings. More discussion will take place at the next few meetings. Your attendance and input will be a greatly appreciated and remember, it's your club, so let's try to attend and let your ideas be heard.

I want to let you all know that I had my right hip replaced and all went well. I'm not running yet but modern medicine is truly a blessing and I'm doing quite well. Thanks go to all for the prayers and concern.
