## Potentate's Monthly Message

# Our Journey Has Been A Good Adventure!

Where does one start? There are so many irons in the fire, so many "thank yous" and so many ...

Before we get too far along in this last article, I want to thank all of you for your friendship to Glenda and me as we have been on our journey in Aladdin Land for the past seven years. It has truly been an experience that is full of stories, both good and bad; but that's what makes a good adventure.

Moving right along, thank you, thank you to all who helped and gave up a few hours to days to meet our move schedule from Stelzer Road to our new facility in Grove City. It is not complete yet, but we are looking forward to the Hospitality Christmas Party on December 13 to be one of the first events.

Yes, there have been a few meetings there but they were scattered and somewhat disorganized as we step out in a new era for Aladdin Shrine and new era is correct. We will all find an adjustment to take place as we regroup, rebuild, rethink and reorganize how Aladdin operates. As we quickly approach 2016 and anticipate Ron Leonard as the new Potentate, he and the rest of the Divan will need your help and will have to step up and really lead Aladdin into the next quarter of a century.

regarding the move. Mike did a wonderful job as chairman of the move (Thank you, Mike!) and has written a thank you to all who participated ) page 4). I as well, thank all who volunteered.

In closing, Glenda and I wish you Happy Holidays, Merry Christmas and Happy New Year. ~David E. Wolfe, Potentate 2015

David E. Wolfe, Potentate

We had the regular stated meeting on Monday, November 16 and attendance was up (for those of you there... plates were down) but everything seemed to go along okay with only a couple of concerns.

The highlight of the meeting was the report where I told the Nobility that we had given the keys for Stelzer over to Morso and had received the balance owed to Aladdin. In return the Nobles attending the meeting voted to take the necessary steps to pay off our line of credit at the Huntington Bank which we have used for the renovation of the Grove City property.

Please take the time to read Mike Johnson's article regarding the move. Mike did a wonderful job as chairman of the move (Thank you, Mike!) and has written a thank you to all who participated )

## Leadership Seminar and Installation

by Ron Leonard, Chief Rabban

Be sure to mark your calendars for the Leadership Seminar and Installation of Officers on January 9, 2016. All Unit Directors, Assistant Directors, Unit Officers, Club Officers, Past Potentates, Divan members and Ladies are invited.

The day will begin at 9:30 a.m. with registration and the opening begins at 10:00 a.m. We are planning a keynote speaker from one of our Shrine Hospitals, the Cincinnati Burns Hospital. Lunch will follow at 11:45 a.m. for those who have a reservation. At 12:30 p.m. the Ladies will meet with the First Lady and the other Divan and staff Ladies for an afternoon program while the Nobles have their officer breakout sessions. All officers are encouraged to attend, especially all club and unit treasurers. There is a lot of information that needs to be disseminated and discussed.

The Aladdin Annual Meeting will commence at 4:00 p.m. followed by a social hour for all in attendance. A cash bar will be available. The Installation of the Divan and club and unit officers will begin at 5:30 p.m. followed by dinner. Each Noble will be allowed two tickets at no cost but extra tickets will be \$20.00. Only those who have reservations will enjoy a delicious meal. If you have any special dietary needs, such as vegetarian, please note that when you make your reservation.

All tickets for meal reservations for lunch and/or dinner will be available at "Will Call" at the Shrine Center on that day. Please note: we can accommodate about 400 people for lunch and 350 for dinner. When the reservations reach that number for either meal, the reservations will be closed. Call the office at 614-475-2609 to request reservations.

We look forward to seeing you on Saturday, January 9, 2016.

# Erie ASC-OSCC

by Bob Stevenson & Tom McNeil

*Tom McNeil, Associate Member of the Board of Governors at Shriners Hospitals for Children-Erie, and Bob Stevenson, Secretary of the Board of Governors, present two checks totaling \$138,054.35, on behalf of ASHAC and the Aladdin Tabloid to Robert Anderson, Vice Chairman of the Board of Governors at Shriners Hospitals for Children-Erie. It is to be applied to the purchase of new radiology equipment and snow safety equipment.*

By now your Thanksgiving bird is a memory or maybe leftovers in the freezer. Either way we hope yours was a wonderful family event and one of many wonderful memories. But now we are on to Christmas. With that in mind, this month we will skip numbers, activities and all the other things normally reported. Instead we are reprinting a letter from our young star, Emily Mellish. We wrote about her last month and you'll agree she is one very special young lady.

At the September BOG meeting Emily, her mom, and two young sisters came to say thanks for all we do. It was in the form of a letter that Emily wrote and, as her mom says, with no help needed or wanted from anyone. As we move into this season of giving and giving thanks for all the gifts we are given, Emily's words are a perfect frame for the gifts we give and more importantly, the blessings we receive in return which are so much greater.

"Thank you Shriners for all your help. All the other doctors said 'no I can't fix your leg.' They wanted to take my leg away. But not Shriners. They took my leg seriously. You made my leg so I can run and play with the other kids. Thanks to Shriners. It is going to take a year for my leg to get longer but it is worth it. Do you know I will have this longer leg for the rest of my life. So really a year is not really that long. You have inspired me to never give up on myself. When I grow up I want to work just as hard as you do to make people smile. I learned it takes rain to make a rainbow thanks for giving me my rainbow.

Love,  
Emily Mellish"

As you drift off to sleep, think about the last line of Emily's letter. What was that about "from the mouths of babes?"

# Tabloid Times

by Bob Stevenson, Tabloid Chair

*"I've learned that it takes rain to make a rainbow. Thanks for giving me my rainbow"*  
*Emily Mellish, 10 Years Old*

For this month's article, I'll ask you to read the Erie Hospital article (above). (More information about Emily is in last month's Erie Hospital report.) In this season of Christmas, the arrival of the Christ Child and the gift of hope and light He brought to the world, I believe the simplicity of a child, a Shrine child, sums up what giving is all about. Receiving the gift of her thank you is as grand a present as you will ever have under your tree.

I thank you for all you do for Tabloid and ultimately Emily and all her Shrine kid brothers and sisters. Know that your effort is appreciated and received with gratitude all year long.

Best wishes to you and yours from Marj and me for a blessed Christmas and a very Happy New Year.

# Paying Your Dues

## READ CAREFULLY!

Your 2016 dues notice will be mailed this month from Shriners International headquarters in Tampa, Florida. This is being done at their request. It's a first!

- For most of us our dues will increase by \$15. This is a HEADQUARTER'S increase, NOT ALADDIN'S.
- The move to Grove City is completed, it is **suggested the dues payment be mailed to 1801 Gateway Circle, Grove City, Ohio 43123** to return your dues payment. If payment has already been sent, the mail will be forwarded. You may, of course, still pay your dues via a credit card by calling Aladdin's office.
- Beginning December 1, 2015, Shrine Headquarters will mail Aladdin dues payers their 2016 dues card. It will be plastic; Aladdin will mail you a thin paper one to use until your more durable one arrives.

- ➤ You cannot personally pay your dues at Aladdin.
- ➤ You must pay your dues using the provided return envelope or by phone and then only for use of a credit card.

# Cincinnati Welcomes Director

Shriners Hospitals for Children extends a warm welcome to the new director of marketing and communications, Mashayla Colwell. Mashayla is a seasoned marketing professional with extensive experience in strategic communications and marketing. She came to Cincinnati Shriners Hospital after spending several years working in Cincinnati's Mercy Health System.

"I was looking for another opportunity in healthcare when I found out about the position at Shriners," Colwell said. "I knew that Cincinnati Shriners Hospital treated pediatric burns, but had no idea about the complex plastic surgery and reconstruction we do. Since I started working at the hospital, I learn something new every day."

"Everyone I have talked to has said what a hidden gem this hospital is, and my number one goal is to make sure Shriners Hospitals for Children—Cincinnati is not a secret anymore,"

Colwell said. She added, "I want everyone to know about the amazing work we do here and the amazing people who make it happen every day."

Colwell has an interesting background in marketing and communications, having worked in the casino industry for eight years, three of those spent in Las Vegas; and then later worked at Cincinnati Bell.

A few years later she realized she wanted to have more meaning in her job. "You can take marketing and communication skills and transfer them into any industry if you are adaptable enough. I fell in love with health care and the genuine compassion you see from health care workers. They change lives." Also on her list of goals is to create a comprehensive communication plan to build patient volume and get employee involvement. She will also work closely with the Board of Governors and local Shriners.

Colwell is settling into her position and her passion is evident. "It is exciting to have the opportunity to spread the word about Cincinnati Shriners Hospital locally and regionally," she said. "I am looking forward to getting to know the people who work here and the Shriners and let them tell their stories about this amazing hospital."

## Cincinnati Hospital

### October Meeting

The October Meeting of the Board of Governors hosted a distinguished Shriner at its monthly meeting. Imperial Sir Jim Cain, our Imperial Representative, brought greetings from Tampa and the other Imperial Officers.

At the beginning of the meeting representatives of the Harmony Star Chapter of the Order of Eastern Star and from Mt. Orab F & AM presented a gift to the hospital in the amount of \$1,650.00 which resulted from motorcycle rides sponsored by the entities. Their contributions from these events over the years total more than \$10,000.00.

Your hospital saw 85 intakes this past month including burns and non-burn patients. To date this year your hospital has seen nearly 700 patients from 24 states and 3 international patients. Fortunately, the number of severe burn cases has diminished—good news. The bad news is that the ones your hospital is seeing are very severe burns.

On the fundraising front, \$163,000.00 was raised this month; the yearly total to date is \$1,342,164.00. Another plaque was dedicated this morning for a family who had just donated \$250,000.00. Long time fundraiser, Vanessa Mosely, has taken another job. There are five finalists for her job, one of whom will be selected before this hits the *Lamp*.

The top management of the hospital has completed a two-day seminar on leadership and leadership techniques. Town Hall meetings are continuing to be held in various departments to assess various needs/wants and concerns of the hospital and employees.

On the research front work is progressing on the engineered or cultured skin. There have been a few bumps in the road with this project with the patents being sold and resold, government regulations, legal issues, etc. Clinical trials are ready to begin following Dr. Alexander's work in nutrition and diabetes in the burn patient. A SWOT analysis has been conducted by the research department highlighting the strengths, weaknesses, opportunities and threats. This is a major undertaking as your hospital currently has 240 employees.

The search for Chief of Staff has been narrowed to two candidates who will appear for the final interview in the very near future.

Your hospital is looking for Nobles (or ladies) who would be willing to be speakers for the hospital. Training will be offered for anyone interested. You may contact either representative.

### November Meeting

The monthly meeting of the Board of Governors met one week earlier due the Thanksgiving holiday. A special guest to the Research Committee meeting was Ray Novak, PhD, who directs the Imperial Shrine Hospital research effort. Dr. Novak brings a wealth of knowledge and experience to the Shrine research program as he comes from an academic background where he was head of

# Chaplain's Corner

by William R. Stump

*Here am I. Send me. Isaiah 6:8*

As Shrine-Masons we confess our belief in the immortality of the soul. Where does this immortal soul go? As your Chaplain this year, I can't be politically correct when it comes to the eternal destiny of our souls. God will hold me accountable at the Judgment. Jesus said, "But whoever disowns me before men, I will disown him before my Father in heaven." (Matthew 10:33 NIV.)

We may have fun and fellowship with other Shriners which is part of the joy of belonging. But we can not cease believing in our Creator who loves us and our families.

We recall 2 Timothy 3:16 which says, "All scripture is God-breathed (inspired)." 2 Peter 1:20 tells us, "Above all, you must understand that no prophecy of Scripture came about by the prophet's own interpretation. For prophecy never had its origin in the will of man, but men spoke from God as they were carried along by the Holy Spirit." (NIV.)

This is the Christmas season. What does the Bible say about Jesus the Messiah?

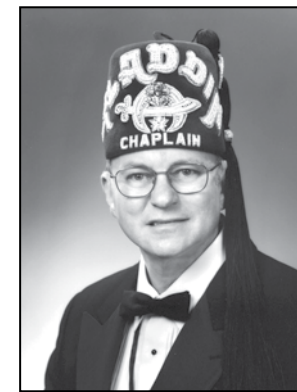

An excellent summary is found in the letter the Apostle Paul wrote around 63 A.D. while in Rome to the church at Philippi.

"Your attitude should be the same as that of Christ Jesus: Who being in very nature God, did not consider equality with God something to be grasped, but made himself nothing, taking the very nature of a servant, being made in human likeness.

"And being found in appearance as a man, he humbled himself and became obedient to death—even death on a cross!

"Therefore God exalted him to the highest place and gave him the name that is above every name, that at the name of Jesus every knee should bow, in heaven and on earth, and every tongue confess that Jesus Christ is Lord, to the glory of God the Father." (Philippians 2:5-11 NIV.)

God bless you and have a wonderful Christmas. Do not forget the reason for the season. This article is my last and is my Christmas present to you.

the medical research program at a major mid-western university. Your hospital researchers have received, or will receive, about \$3,000,000.00 for the research effort this coming year. Research is a VERY important function of the hospital function in order to stay "ahead of the game." Dr. Novak, along with a panel of very qualified reviewers, oversees the grant function of the Shrine system. The Shrine follows closely the National Institutes of Health (NIH) guidelines for grant funding. Our research program is very interested in translational research, that is, research that can be applied directly to the healthcare of our patients.

From the Human Relations Committee, it was reported that, at the current time, our inpatient census is half burn patients and half plastic surgeon patients. Currently, we have an employee vacancy rate of 6.47% and the hospital is looking for qualified employees to fill the various positions. Retirements, change of jobs, etc. keep the HR Department always on the job. The HR Committee is also charged with evaluating employee performance, job training, leadership training including items such as Health and Wellness Benefits Fairs and salary recommendations.

A major event of the November meeting was the appearance of a delegation from our own Pike County Shrine Club plus a number of Waverly area 4-H Club members. This local 4-H Club held a fundraising event for the Cincinnati Hospital where they raised almost \$500.00. The Sinking Springs Community Church presented a check, as

they have done for the past 15 (+/-) years. The Pike County Shrine Club presented their check in support of the hospital. Your Aladdin representatives to the Cincinnati Board of Governors are certainly proud of one of the premiere clubs of Aladdin.

The next meeting of the board will be one week earlier (December 16) than usual due to the Christmas holiday.

# 2016 Circus Update

by C. J. Carter

The circus is closer than you think. Nobles, I am here with my fez in hand hoping to mobilize the troops. The circus is a big operation and it needs lots of help.

**The first step is advertising.** I know selling ads is a hard thing to get out and do. I need you, Nobles. If I can get many of you to pick up an ad contract and get someone to sign on, that would be an amazing help to the circus. Over the past few years, ad sales have dropped off. Some of our best sales folks have passed away or have gotten to the point where they just can't get out. Will you help pick up the slack? You don't have to get a ring mat sale, an eighth page ad works. Banners are nice also. Please help us out, Nobles.

The 2016 circus will once again have R and D Circus United handling the show. Fletcher and Shane are excited to be coming back to Columbus. Once again the Chicago Boys will be coming back. Fletcher has informed me he is working hard and signing new acts to bring to us.

Meals will be served on the stage again for 2016. Last year we did just a lunch meal and for next year will also have a dinner meal. These will be served for a small donation.

**Here is where we have to be real serious.** As you all know the circus provides an adult beverage on the stage for when we all get done working. Nobles, I can't stress this enough: PLEASE, please, do not drink adult beverages before or while you are working around the public. Thanks for your cooperation.

I would like to thank Past Circus Director John Morris for his years of service. John did an excellent job for Aladdin. He set up a program that works. I am making very few changes to the circus plan. "If it's not broke, don't fix it!"

I will conclude by saying I look forward to serving Aladdin. This circus belongs to all of the Nobles, not just me. I hope you will all find the time to help with ad sales, ticket sales and of course coming out and working at the circus.

# First Phase of Move Complete

by Mike Johnson

By the time you read this, the first phase of the move to our new home will be complete and some activities are taking place. The move into the new portion of the building took place around the middle of the month.

The preparation for this move has taken a couple of months but could not have been accomplished without the help of several people.

Art Puetz and Phil Clouse have been invaluable since early in the process. Toward the end of the month, they were joined by Bill and Carol Estell, Fred White, PP Garol Rogers, Dave Kerst, Ed and Carolyn Bell, Bob Stevenson, PP Bill and Kathy Amspaugh, Bob and Tamara Warner, Sue Feyh, Glenda Wolfe, John Keller, Mark Walsh, Russ Ward, PP Calvin Smith and my wife, Nedra. Thanks go to all of you for your time and effort.

A special thank you goes out to Juergen Klimke for his work packing up old pictures and artifacts. Integrity Moving and Storage and its representative, new Shriner David Runyon, did a wonderful job with a complicated move. My apologies to anyone whom I might have forgotten to mention.

Both treasures and trash were uncovered while preparing for the move and the auction. It has been difficult to decide on what we need with our new home and culture. A lot of our assets were devoted to the business of event rental and not really relevant to our mission as Shriners. On the other hand, many historical pictures and other items were unearthed and should be restored for display in our new home.

Remembering our heritage reinforces our pride in the Shrine and will generate new enthusiasm in our activities.

Lastly, it has been a joy to work with Executive Director Chad Dennewitz and our staff of Amber Crosby, Kim Luckeydoo, and Elizabeth Shoemaker.

Thanks for your help.

# Provost

by Rob Hartsell

The fall of 2015 has been a busy time for the Provost Unit. We had a great turnout for the Cornerstone Ceremony with 20 Provost members who attended the ceremony and provided parking assistance. We also handled parking and security at the annual Aladdin Car show which was very well done and deemed one of the largest in recent years.

The Grove City Parade was next and the first in which our fully "decaled" parade trailer was towed behind the Paddy Wagon. The design matches the Paddy Wagon and it really looks sharp! And thanks to the efforts of Ted Hall, Chris Baer and Bob Albright, horses were included in the Shrine portion of the parade. Ted and Chris wore their Provost colors on horseback and our Potentate David Wolfe also rode a horse in the parade. Don't know whether that was a first or not, but they were certainly well received by the crowd. Those following us in the parade also knew there were horses amongst our group!

Many Provost members worked the NationwideWeb.com golf tournament at Ohio State during the week of September 21-27. Thanks go to Charlie Linek for all his efforts in organizing, scheduling and working the tournament!

Although we stepped off late in the Jackson Parade, the rain held off long enough to keep us reasonably dry. For the first time (and hopefully the last) we had a large contingent of Provost members visible during the Aladdin Auction on October 17. That was a busy day and a unique experience with three auctioneers working in various locations of the building.

The last regular Provost meeting in our present building was held on October 13 and we had pizza and wings. We held our annual election of officers for 2016. Jeff Rannebarger will be our new Secretary and Bob Warner our new Treasurer. Thanks go to Jim Rohal and Charlie Linek for their long tenures as Secretary and Treasurer! We also held a special moment of silence in honor of all those Nobles who had helped build the current building and participated in activities there over the years. Leaving this great building should be an emotional event for all of us!

The weather for the Circleville Pumpkin Show Parade on October 23 was outstanding and, as always, we wore our Tangerine Blazers, had a great turnout and looked sharp. The crowd was large, welcoming and appreciative. We were prepared to have horses among us again, but Frank informed us that horses were not permitted in that parade. Probably for obvious reasons...

Provost members on the mend include John Rohal, Gary Hamre, John Bivens, Harold Nairn, Jim Cooper and Charlie Dozer. If you get a chance, give them a call or send a card.

Our meeting on November 10 was our first in the new Shrine Center in Grove City. We look forward to the new chapter in the history of Aladdin and continuing the work of supporting the kids!

# Flying Nobles

by Lee McKelvey

The Flying Nobles made a trip to the Air Force Museum on Veterans Day. Our last trip to the Museum was three years ago. We made a visit to the Masonic Home at Springfield and we traveled on Big Red. It was an enjoyable trip and PP Steve Hathaway was our driver. They are always adding new planes and new displays at the museum and everybody does a first class job at the museum.

When you read this *Lamp*, we will have moved into our new Shrine location at Grove City. There will be a lot of work to do before everything is in its place. A lot of changes will be taking place and we all will be adjusting to a new way of doing things before we settle into the new building. The Potentate and the Divan will have a lot of responsibility to handle. We all hope for the best for everyone.

I remember when we moved into the Shrine on Stelzer Road in 1978 and that seems like yesterday. Bruce Jenkins was the Potentate that year.

One of our Flying Nobles, Jim Patrick, had foot surgery and will be laid up for about three months. Jim is a security guard at the Shrine. We wish him a speedy recovery. Jim is a fine gentleman and a loyal member of the Flying Nobles.

Our Shrine dues will increase for 2016. Our Flying Nobles dues will not increase. I think everyone increased their dues either this year or next year. How much do they think we can take without hurting? Our Lodge dues increased 70%.

Our Flying Nobles meeting will be on December 12 at the OSU Airport at 10:00 a.m. That will be our installation of officers. Our January meeting is the same Saturday as the Shrine Seminar for 2016. Our Flying Nobles meeting will probably be canceled that day so the officers can attend the seminar.

We hope everyone has a Merry Christmas and a Happy New Year. Everyone stay well and I hope to be with you next month.

# Aladdin Car Club

by Dan Stainbrook, P. P.

This is my last *Lamp* article for the Aladdin Car Club in 2016. As noted in the November *Lamp*, the club has new officers to carry it on to a bigger and better 2016 with new and fresh ideas.

The club will hold its after Christmas party at Stacy's Restaurant in Heath as it has been the last couple of years on Sunday, January 3, 2016. More information and directions will follow in a separate notice to each club member.

I want to thank you for a good 2015. Have a Merry Christmas and a Happy New Year. Yes, I know this isn't politically correct in today's world but it is in mine.

# Aladdin Shrine Band *by Steve Titus*

Well, hello to all of my readers. This has been one unusual year. I haven't written lately as things have been so up in the air due to our move. By the time this article comes out, our last parade will be over at the Pumpkin Show. Several of us had a great time at Shifty's Bar and Grill before the parade. I have some incriminating photos that can be returned for a small fee. Ha-ha! You know who you are!

Our Christmas party was held on December 1.

Below is the list of the latest band dates as of this printing. They are subject to change.

## December

21 - Aladdin STATED MEETING & ELECTIONS – Dinner - 5:30 PM; Stated Meeting - 6:30 PM - GROVE CITY LOCATION

## January, 2016

9 – Shrine Leadership Seminar and Installation at the GROVE CITY location

19 – Band Annual Meeting 7:30 PM in the West Ballroom at the GROVE CITY location

26 – First Band Rehearsal – 7:00-8:30 PM at the GROVE CITY location

This month I am featuring Jim Strouse. Below is his copy of a biography he sent me. It is presented word-for-word but I am adding on to it at the end.

JIM STROUSE is recognized as a national leader in the field of printed music retailing. He played in the 30<sup>th</sup> Army Band in Munich, Germany and was a high school band and orchestra director in Columbus, Ohio for five years. He holds a B.S. in Music Education from The Ohio State University and is a member of Kappa Kappa Psi, Phi Mu Alpha, American Bandmasters Association and Phi Beta Mu.

In 1999 he had the honor of being elected as a 33° Mason. Jim is a member of the Aladdin Temple Shrine Concert Band and the Shrine Dixieland Band. The past several years he has played trombone in a Dixieland band called the “Ragtime Strutters.”

Jim helped found the national organization, Retail Print Music Dealers Association (RPMDA), upon whose board of directors he has served twice. At the RPMDA Convention in 2001, Jim was awarded the highest honor in the print music industry, the prestigious “Dorothy Award.” In 2001 at the Mid-West Band and Orchestra Clinic in Chicago, Jim received from the American String Teacher’s Association the first ever Traugott-Rohner “Leadership In The Music Industry” Award from the American String Teachers Association.

In October, 2006, he also received the first ever Outstanding Retailer Lifetime Achievement award from Hal Leonard Publishing. In February, 2007 Jim received the Industry Service Award from the Ohio Music Education Association. In May, 2007 he was awarded the Distinguished Service In The Field Of Music Award form The Ohio State University School Of Music.

He has had experience as the president of a board of education and is now the retired Director Emeritus of the Scottish Rite Choir as well as being the owner of Stanton’s Sheet Music in Columbus, Ohio. Under his leadership Stanton’s has developed into one of the leaders in supplying printed music to band, choral and orchestra directors all over the USA. In May of 2006 Jim retired from day-to-day operations of the company.

Jim plays with the Hilliard Community Band, The Aladdin Shrine Band, The Aladdin Jazz Band and the Aladdin Dixieland band either on trombone, baritone or piano.

I would also like to add that Jim, in spite of his achievements and awards, is one of the most down to earth and friendly members we have. He always has a story to tell (sometimes funny, sometimes just an experience). We are glad to have him with us.

BTW - Wish Jim a happy 80<sup>th</sup> birthday!

# Marching With The Legion *by Dick Luckay*

PARADE REPORT – The Legion was out in force for the recent parades.

BUCYRUS had a great parade. Yes, it was warm (almost downright hot) but there was a large and enthusiastic crowd and the Legion responded with its usual precision marching. The colors were proudly carried by PP Mike Tyne, PCs Dick Olilla and Robert Spencer and Legionoble Bob Ferrell. Commandeer Dave Quinn drove the jeep with the rest of the flags. As usual, the Bucyrus afterglow featured brats, sauerkraut, baked beans and liquid refreshments for the hot, but happy and satisfied, marchers. We always appreciate the great food and hospitality that is a hallmark of the Bucyrus community.

The BALTIMORE PARADE, reinstated after a year’s absence, was (as always) a grand event. The crowd packed the parade route and though it was HOT, it did not diminish the enthusiasm of the crowd or those in the parade. PP Mike Tyne and PC’s Robert Spencer and Dick Ollila were the color bearers and Commander Dave Quinn followed with the flag bedecked jeep. The afterglow was exceptional with copious quantities of food and libations to satisfy one and all. Hats off to all those who made our visit a truly memorable one.

SPECIAL DAYS FOR SPECIAL PEOPLE – Special Happy Birthday wishes go out to Legionoble Bob Krieger as he celebrate another birthday October 16. Haven’t counted up the candles but this one should light up the room quite nicely. Happy Birthday and God Bless!

# Medical Unit *by D. Dee Mowry, P. P.*

The Aladdin Shrine Medical Unit held its annual meeting as required by the by-laws during the last week of October. The date was October 29, the meeting was held at the TAT Ristorante on James Road. Six members and three Past Potentates, Ill. Sirs Calvin Smith, Mike Tyne and Dee Mowry, were in attendance. The meeting was opened with prayer by PP Mowry and the pledge to our flag. President John Kean, MD, ably handled the meeting in the absence of Director Dr. Keith Blair.

Dr. Blair’s “Dearly Beloved” had undergone a cardiac procedure a few hours prior to the meeting and was reportedly doing well. The unit members wish Peggy the best.

As this was the annual meeting, a new president was elected. It is David E. Mowry. Other officers, including a vice president, will be selected at a later date. Richard “Dick” Helfrich will continue as Secretary/Treasurer as will Ill. Sir Mike Tyne as Quartermaster and Ill. Sir D. Dee Mowry as Chaplain. Dr. John Kean has been selected as Assistant Medical Director of the unit.

It was noted that it has been five years since the by-laws have been reviewed. Past Presidents Tom Bascomb and Dee Mowry will update the bylaws at a later date.

Ill Sir Mike Tyne gave an update on the new facility in Grove City. Ill. Sir Calvin Smith agreed to look at the possibility of publishing our new directory. *Lamp* Editor, Frankie Foster, has been an invaluable help in putting the directory information in the proper format.

The annual formal visit of the Potentate and his guests was November 5 at the Columbus Club. Dr. Kean made the arrangements and this is always a first class event.

# Southeast *by Cecil Moore*

On Thursday October 22 we had our regular meeting night at the MCL Restaurant. We had a pretty good group—23 in all. Bill Ampaugh, Past Potentate, was in attendance. He didn't have much to discuss, but he did speak of the Aladdin auction and the money. He also spoke of the move to our new temple in Grove City on November 7. It will be great to be in our new temple although our old temple has been a great place to be.

President Pete Ransburgh discussed a number of things including the election of officers for the coming year. He also talked about our coming Christmas party and said plans will be finalized and will be in the newsletter. He talked about our fish fry and said we had a good turnout and profit. Thanks go to all who came to help.

We have a number on our sick list: Henry Morris, Nancy Schleppi, Bob Lazenby, Bob Wilson and I know there are more but I do not have a list of them. If you would give me a call (614-759-9357) when you are having a medical problem we could talk and then I would mention your name in the *Lamp* and everyone would know. Hope everyone is feeling better and doing well.

By the time you read this we will have moved into our new temple so everyone should come down to enjoy it.

Will try to be back with you next month. So long for now.

# Pickaway *by Roger Fausnaugh*

Our regular monthly meeting was held October 26 and was called to order by our President John Demjen at 7:10 p.m. Noble Mick Riley gave the opening prayer and led us in the Pledge of Allegiance. "Thanks again" goes to Noble Chef Bob Baranick for another fine meal served before the meeting. He informed the Nobles that November would be his last time for preparing our meals. Noble Bob and his wife will be retiring and heading for Florida. He will be greatly missed.

Minutes of September meeting and the financial report were read by Treasure Rusty Green. Motions were made and seconded and all Nobles voted in favor.

During the business meeting we were informed of the illness of Noble Leo Genders who is battling cancer. Our prayers go out and a card was sent to him.

Reports on standing committees were given by Noble Mick on rental of the building, Noble Rick Blankenship will take over mowing chores next year, and Noble Bill Dountz will be heading the nomination committee for next year’s officers. Finalizations of Pumpkin Show results were not ready at this meeting because of the short time between the show and meeting and waiting on all bills and receipts.

A “tip of the fez” goes out to a few of our Nobles for their accomplishments and contributions: Noble Bill Dountz for signing up his 100<sup>th</sup> Noble, Noble Sonny Chester for his volunteer work with Red Cross in South Carolina during the floods and Noble Rick and Nancy Blankenship for their donation to the club. Thanks also go out to everyone who worked during the Circleville Pumpkin Show.

The holidays are coming so everyone have a Merry Christmas and a Happy New Year.

There were a total of 15 Nobles at the meeting. Meeting was closed at 7:58 p.m. by President John and closing prayer was given by Noble Mick.

Our next regular meeting will be November 23. Remember, our regular meetings are always the fourth Monday of the month.

# Reception

by Don Owens

As this is written, we are enjoying wonderful weather—surely the end of a most enjoyable autumn season. When the December *Lamp* is delivered, Thanksgiving will have come and gone, Christmas will be upon us, and the Temple move will have been completed. Moreover, we will have staged the 2015 Potentate’s Visitation as the first Reception Unit event in the new Temple. It has been an eventful year for the Aladdin Shrine, and for those of us sucked into the vortex of the “Big Move.” Most notably, our Treasurer and Past Director Mike Johnson was tasked with planning and orchestrating the job. We shouldn’t jinx him with premature congratulations, but early thanks for a stupendous effort and best wishes for survival are certainly in order. Early signs are promising. In any case, Mike, you’ve done the unit proud.

For the Reception Unit, we have had a year like no other in our history as we realized we are no longer able to function at the level we have been able to achieve in the past. Our customary events, parades, onion sales, etc., are too demanding for many or most of us. We have had some limited success in adapting. For instance, Quartermaster Clark Buck has made a golf cart available for those no longer able to march in parades. By and large, participation overall has continued to decline and volunteers are hard to find. We continue to say goodbye to old friends. So far been unable to replace, as if we could replace the irreplaceable. That is not to say that the Reception Unit’s future is hopeless as long as we continue to have core members who still enjoy relationships of long standing with good friends and believe in the unit’s purposes and in the great charity which it supports. It is reasonable to hope that the new Temple venue will attract new members and that we can recruit unit members from their number. In the meantime, keep coming to our unit meetings as frequently as you can and have faith that the future will take care of itself.

Speaking of the future, the Ohio Sled Hockey Association is conducting its annual Aladdin Shrine Tournament on Saturday and Sunday, January 16 - 17, 2016 in the OhioHealth Ice Haus at the Nationwide Arena. The unit’s traditional role has been to man the doors of the facility and to provide assistance and directions to the competitors. This is a worthwhile event, featuring boys and girls 4 - 18 years old who don’t know they are handicapped, competing their brains out. It’s fun to watch and worthwhile supporting, so volunteer for a morning or afternoon shift.

Note that our annual dues remain the same at \$20.00. You may pay your dues at the next meeting or by mail to Mike Johnson, 957 Arcadia Boulevard, Westerville, Ohio 43082-7089. Checks should be made payable to the Reception Unit.

The unit’s plans for Christmas are not yet complete, so stand by for further information from Director Jack Bonn on this subject.

Past Potentate Bill Estell, Bill Loomis and Bill Stelzer have birthdays this month—like it or not. Happy birthday, Men.

# Bucyrus

by Steve Bowman

The Bucyrus Shrine Club held their regular monthly meeting on October 26 at the Crawford County Fairgrounds as there were 20 Nobles in attendance. President Tracey Achtermann started the meeting and led the group in the Pledge of Allegiance and Noble Pastor Don Neumann led the club in prayer. The meal was catered by Katering Kountry Style. It was a delicious dinner consisting of beef and noodles, mashed potatoes, salad, corn, rolls and pumpkin pie.

The secretary and treasurer reports were read. Noble Howard Bard, from the Marion Shrine Club, gave a report and their latest updates.

The Scottish Rite reunion in Columbus was Saturday, October 31.

The election of officers for the year 2015-2016 was held at this meeting. The results were: President Don Neumann, Vice President James Leuthold, Secretary Steve Bowman and Treasurer Dave Crum.

The meeting adjourned with closing prayer by Noble Don Neumann.

# Ross County

by Roger A. Remy

Meeting was called to order by President Noble Randy Davis and the invocation was offered by Lloyd Trego. President Noble Randy Davis led the Pledge of Allegiance. There were 35 Nobles who enjoyed the evening meal of pork loin, sauerkraut, mashed potatoes and dessert of ice cream with cookies provided and served by Nobles Howard Schuenaman, James Williford and Mike Carroll.

Our Spaghetti Dinner was October 29 and our Halloween Parade Open House was October 31, 2015. The Appreciation Dinner was November 14, 2015 with a social hour that began at 6:00 p.m. Our Christmas Party will be December 12, 2015.

Our next year's officers who will serve the Ross County Shrine Club will be President Noble Roger Remy, Vice-President Noble Bob S. Jones, Secretary Noble Howard R. Schuenaman, and Treasurer Noble Rod D. Collidge, Sr. Elected to serve four-year terms on the Board of Directors are Noble Steven R. Davis and Noble Jimmy D. Newland.

The Black Camel visited our club and carried off Nobel Donald F. Coppel.

Please notify Noble Bob Jones for your reservations for the December 12, 2015 dinner; phone is 740-779-0928.

# Worthington

by Ed Badger

The Worthington Shrine Club met stag on Thursday, November 5, 2015 at 6:00 p.m. for dinner at the beautiful Brookside Country Club.

We are saddened to report that George James and Bob Roof, two long-time members of our club, were recently met by the Black Camel.

Following a tailgate style buffet, we held our annual election of officers and continued our discussion and planning for Tabloid and other fundraising. We decided to continue to collect for Tabloid from one intersection in either Worthington or Linworth and to ask more merchants if we can collect in front of their stores that day. In addition, we will be promoting our ongoing fundraising effort with Bob Evans restaurants in the Worthington area.

At our last meeting, we elected Jeff Bohenko as our President-Elect, Frank Henderson as our First Vice President, and Gordon Bond as our Second Vice President. Ed Badger and Wayne Miller were re-elected as Secretary and Treasurer.

Our holiday party, installation of officers, and musical entertainment was the first Thursday in December. Members brought unwrapped toys to donate to the children in our hospitals.

**Year-Round Fundraiser:** Please help us with our new year-round fundraiser! The first and fourth Fridays of each month have been designated “Worthington Shrine Club Days” at the four Bob Evans restaurants in northwest Columbus. All you need to do is purchase food at any of these locations at any time during the day and mention the Worthington Shrine Club, and a percentage of your total will be donated to our club and earmarked for Tabloid. The donation includes food ordered for dine-in or takeout. The participating locations are Graceland, Lewis Center, Campus View, and Sawmill just south of I-270.

**2016 Dues:** Our club dues are still \$15.00 per year, payable now or at least before our November meeting. In addition, you may contribute to Tabloid, club operations, or both. You can send your check to your secretary or pay at an upcoming meeting. If you choose to make a contribution, please let us know which cause you support (you can support both if you like). Make your check payable to “Worthington Shrine Club” and send it to Ed Badger, 1661 Rushing Way, Columbus OH 43235

# Past Masters

*by Dick Bull*

Our unit's visitation by Potentate David Wolfe and his Divan was held on October 26 at York Golf Club with over 60 in attendance. First Vice President Bruce Kinsey (and his wife, Kim) were in charge of arrangements. Jim Stelzer was presented with the Meritorious Service Award for 2015 by the Potentate. Jim is very deserving of this honor and has been active in all activities of the unit and the Shrine for many years.

Our next big event is the annual Christmas Dinner and Installation of Officers on Monday, December 7 at Brookside Golf and Country Club.

Congratulations go to Dave Percival and John Jones who were among those elected to office (Secretary and Tyler respectively) at Sunrise Lodge #783, F. & A.M. recently. Also, Art Lofton was reappointed as Chaplain.

Results of our unit's annual meeting and election of officers on November 23 will be reported in the next issue of the *Lamp*.

Pat Walsh is getting around with the aid of a walker following his motorcycle accident last summer. He is progressing slowly. Suzy Stevens is improving following surgery and a week's stay in the hospital. The doctor has pronounced her as being cancer free which is great news. Charlene McLeod continues to have back pains. We wish all of our distressed speedy recoveries to good health.

# Licking County

*by Mike Hammond*

Nobles, the year end is fast approaching. The officers for 2016 have been elected and were installed on December 4 at the Potentate's visitation.

I want to thank all the Nobles for giving me the opportunity to serve you as president for this past year. It really was an honor for me to lead you.

With the sale of the Grotto Hall, the Nobles voted to change the location of their meeting site. As of the first Thursday in March, we will be meeting at the Heath Lodge. The "shed" was moved to the site, so we have a new site for our meetings.

This newsletter may reach you after the December meeting, but on December 3 we had our regular stated meeting at noon at the Grotto Hall. On Friday December 4 we hosted the Potentate's Visitation and installed new officers at the Hall. The new owners are honoring all pre-set dates through December.

As we will be dark in January and February, news may be slim but will try to keep getting notes of interest out to you through the *Lamp*. That's all for now.

# Thea Court

*by B. J. Gischler, PHP*

Merry Christmas and a Happy New Year to all. The year 2015 has been a busy and very different year for Thea Court # 5 Ladies Oriental Shrine of North America. But we successfully held our ceremonial last month and initiated a new group into our band of ladies.

The last meeting of 2015 will be Friday, December 18, at Sunrise Lodge, 211 Johnstown Road, Gahanna. Lunch is at 11:30 a.m. with a cookie exchange. Please bring three dozen cookies to share. It is a good time to come and bring your special recipe and to try some new recipes from your friends.

Lunch will be from City Barbecue. It will consist of pulled pork, beef brisket, buns and barbecue sauce, as well as macaroni and cheese, green beans, and corn pudding. There will be iced tea, coffee, and water. The cost is \$10.00 per person, payable at the meeting. A count is needed. Contact Mary Jo Jones with your reservation. Her phone 614-568-8375 and email is ckmjones@gmail.com.

There will be no meeting in January. Because we held extra meetings in August and September, we can skip a meeting and January is a good time to do so with the possibility of bad weather.

# Hardin County

*by Ken Rossman*

Our regular meeting was held on November 18, 2015 at Veteran's Memorial Park Clubhouse. Thirty-eight Nobles were present.

Noble Rossman opened our meeting with a prayer then Pressident Hinebaugh led us in the Pledge of Allegiance.

We received a thank you card from Noble Earl Rice for the ramp to his house.

Noble Garmon reported the Nominations Committee named Noble Bud James as our Second Vice President for 2016.

Noble Don Doll will serve as Membership Officer. All Nobles will receive a notice of when dues are due. A complete list of officers for 2016 will be noted in our next report.

The Christmas Kenton Parade was held on Tuesday, November 24. After the parade repairs were made to our fire truck.

Our December meeting will be our Annual Christmas Party on December 16 at the Hardin County Fairgrounds.

We had no new members or visitors at our meeting.

We gave a big hand to our kitchen crew before we ate our meal prepared and served by Nobles Williams, Rice, Musselman, Codee Morris, Walden and Garmon. Good job, Nobles.

# Kambri

*by Dick Brixner*

Your Kambri Shrine Club met at the Deep Cut Tavern on Thursday, November 12, 2015 with the sole intent to elect officers for 2016. We had 12 Kambri Nobles and our Divan Representative, Assistant Rabban Jon Kinney in attendance.

The following Nobles were nominated and elected by a unanimous ballot:

President - Joel Weekly	Treasurer - Tom Fisher
First Vice President - Dave Black	Tabloid - Buzzy Ferguson
Second Vice President - John Polascak	Membership - Ron Lepage
At Large - Tim Oliver	PR Chair - Dick Brixner
Secretary - Don Huston	

Noble Jon Kinney shared with us the progress of the move from Columbus to Grove City and highlighted the differences between the two buildings. He shared the challenges of down-sizing by two thirds the size of Columbus. He updated us on the upgrades, the building of the 11,000 square foot garage facility, and what is available at the new facility. The new address is 1801 Gateway Circle, Grove City, Ohio 43123.

Here a few important dates to put on your calendar:

- December 8 is the target date for total occupancy;
- December 21 is a stated meeting, the election of officers and the official ribbon cutting;
- January 9 will be the Leadership Seminar and Installation of Officers at Aladdin.

Noble Tom Fisher thanked Noble Jon for the update and thanked him for coming. Noble Tom gave us a financial report on the funds with Kambri Shrine Club and presented a proposal for the reinvestment of funds for a better return.

Nobles, you missed a great opportunity for fellowship at Deep Cut, and by missing the meeting you took a chance of being elected to an office. You also missed good food, drinks and hearing a first hand report on the Aladdin move. In order to find out what else was missed, you need to find out who was there and ask for details.

Your Kambri Shrine Club will hold its annual Christmas Party at the Plumbers and Pipefitters Hall on December 12. We will have the "Jolly Santa" make an appearance and the entertainment will be by "One-Acord." Shirley Dolan will cater the meal and there will be refreshments provided. Watch for details.

There are a couple of events upcoming at Aladdin, Grove City: December 31 is the New Year's Eve event with a Monte Carlo theme. Refer to the *Lamp* (page 12) for details. Please be aware that there is a limited space at the new facility. On June 13-24, 2016 Chief Rabban Ron Leonard and his Lady Elaine will be leading a group on an European River Cruise and on September 10-18, 2016 visiting parks of Colorado. Watch the *Lamp* (page 12) for details.

Nobles, if you have not sent in your dues, please change the address from Stelzer Road, Columbus, to the following: 1801 Gateway Circle, Grove City, Ohio, 43123.

Nobles, if you have any suggestions for events in 2016, please contact Noble Joel Weekly. He will be working on next year's calendar and all suggestions are welcome. It is your club, take part in the meetings, fellowship and great food and drinks.

See you at the Annual Christmas dinner.

# Steubenville

*by O. Wayne Fulmer*

The meeting was called to order at 7:30 p.m. We opened with the Pledge of Allegiance to our flag and prayer was given by Noble Mark Yocum. We had 20 Nobles present including our newest Noble, Jeff Proya, here for his first meeting.

Reports were given. The Motor Patrol has eight Christmas parades lined up. We need all Nobles to help. The Children's Report included three trips made to Erie Hospital. There was also a report on the Board of Governors at Erie Hospital. Building and Grounds talked about winterizing the building and the shelter house. The new by-laws were discussed and voted on. They will be sent to Columbus for approval.

Nominations for new officers for the Steubenville Shrine Club for 2016 : President Noble Chuck VanDyne, First Vice President Noble Don Truax, Second Vice President Noble Wes Darling, Secretary is open , and Treasurer Noble Jerry Williams. The slate of officers for 2016 was unanimously approved.

The Christmas Party is planned for December 5, 2015 from 12:00 - 3:00 p.m. Santa will be in attendance.

And last, but not least, in January we will be having an event called the Cabin Fever Corn Hole Tournament. More information will follow.

The next meeting will be held on December 17 with refreshments and fellowship at 6:30 p.m. and the meeting is at 7:30 p.m.

Be safe and God Bless.

PS: *The writer of this article forgot to say we had a great meal this month provided by our First Vice President Chuck VanDyne. It was Taco Thursday with all the fixins and assorted beverages.*
