NOTES FROM THE POTE

Just to recap on a couple of things that happened last month – if you did not attend the Air Force Band Concert on October 17, you missed an incredible show. There were 11 brass pieces and two percussionists. They produced music that sounded like a symphony at one time and a pipe organ at another. Their ability to play was amazing.

Big “thanks” go to the staff for the Halloween party. They worked hard on this project and we had over 300 attend. We hope that all had a good time.

Speaking of good music, don't forget the **Harvest Ball** on November 20. The Aladdin Band and the Chanters will put on a great show for you. If you haven't listened to their music in a while, come out and bring a friend. We are blessed to have such talent at Aladdin. Come and support them. Details are in the *Lamp*.

The Circleville parade is over and our last parade of the year will be in Washington C. H. on December 4 in the evening. As Frank Habeker and I discussed earlier in the year, if the temperature is freezing cold, we will not go. Washington C.H. is aware of our thoughts on this.

Thanksgiving is upon us, and as this year winds down, Carol and I are thankful of all the relationships we have built with the Nobles and wives of Aladdin in the past seven years. We are thankful to live in this country, which, despite its faults, is the greatest country on the planet. We are thankful to God, our Creator, who has given to us and sustained us. We are thankful for our family and our health. When you sit down to Thanksgiving dinner, stop for a moment and reflect on those things for which you are thankful. Have a wonderful Thanksgiving.

Upcoming Visitations: November 18, Marion; November 19, Northeast Shrine Club; December 3, Brutal Brothers; December 6, Past Masters; December 10, Licking County Shrine Club; December 14, Band. ~Potentate William Estell

Election of Officers and Directors

The regular stated meeting, dinner at 5:15 p.m. and stated meeting at 6:00 p.m., will be November 15 at the Shrine Center.

The stated meeting AND election of officers will be December 20 at 6:00 p.m. at Aladdin Shrine Center. We will be electing two new member to the Trustee Board Advisory, officers for the Board of Directors, Aladdin representatives to the Imperial Council Session in Denver, Colorado, 2011, and Aladdin Shrine Hospital Association for Children board members.

Nobles intending to run for A.S.H.A.C. or trustee positions at the December stated meeting should contact the interim executive director at Aladdin Shrine Center.

Nominations for all elective offices must be made from the floor. Nominators shall ascertain in advance the availability of his nominee and that there is a willingness to serve, if elected. In the interest of conserving time, all nominators are asked to be brief and shall limit their statements to the qualifications of the proposed candidate. And, as a reminder, Robert's Rules of Order do not require seconding of nominations.

Notice From The Imperial Council Code:

Election of Officer, Article 25 (Officers; Their Election or Appointment)

Section 325.11 (Election Regulations) – (a) Electioneering. The printing, publication, circulating or distribution of resolutions, letters, telegrams, tickets, email or other devices, by a Noble, suggesting, recommending, opposing or containing the names of proposed candidates for office in the temple is prohibited. (b) Violation. For any violation of (a), the Imperial Potentate may suspend any offending Noble, and he may declare the election of the officers void and order a new election. (c) Notice. At least one week prior to the annual meeting or any election the temple Recorder shall mail to each member a notice thereof containing this section. Yours in Faith,

Donald G. Goodman

MEMBERSHIP ON THE MOVE

by Calvin Smith / Membership Marketing Director

I Must Share These Shrine Experiences

On Sunday October 17, Aladdin and The Columbus Valley AASR sponsored a free concert by the United States Air Force Brass Ensemble. For 90 minutes Aladdin was filled with the most wonderful music one could ever hope to enjoy. Those attending were wowed by the performance. It was truly a wonderful experience.

Second, on October 27, my Lady Terry and I visited with the Hocking Hills Shrine Club in Logan, Ohio. They celebrated their 20th anniversary as a club. The evening was filled with memories, good food, and lots of fellowship. A special pin was minted for this occasion and given to those attending. It was good to be there.

A Restoration Bargain - I am repeating this "can't miss" bargain. An inactive Noble who is currently suspended can restore his membership now for \$94.00. If he were to restore himself by December 17, his 2011 dues will be paid as well. This is a savings of \$54.00. **It is almost unethical not to pass this along to others who would benefit.**

One More - Pay Attention - Have you moved? Do we know it? If you gave us your new address, what about your phone number, your email?

Please contact us at the office: 614-475-2609 or at 800-475-3850; extension 10 or 27. You can also use our website, aladdinshrine.org. The "button" is on the home page. This also applies to anyone you know who may have moved.

Thanksgiving - When you receive this edition of the *Lamp*, Halloween will have passed. We will be looking forward to Thanksgiving. Jim and I wish you and yours the very best Thanksgiving possible. Try to find room in your prayers and your thoughts for those who may not have as much this year as last. If possible find a way for your family to assist these individuals and their families. Bless you for whatever you do.

2011 Dues Notices

You should have received this notice. There are two items for thought:

- Please pay your dues early.
- If you owe for two years, you may pay for 2010 and wait until later to pay for 2011. By doing this you will avoid being suspended from the fraternity.

Gallipolis

by Frank Petrie, Jr.

Fall is in the air. It sure feels good after the heat of summer. Leaves and footballs fill the air and festivals are in full swing. We wish to thank all Nobles who helped man the bean concession at the Bob Evans Farm Festival and all who pounded the pavement this year. The weather was beautiful and business was brisk.

Congratulations go to our Lady Shrinettes on their successful basket bingo party. Donna Craft, president, and Bonnie Cargo, secretary, did a great job pulling everything together.

On September 22, the Gallipolis Shrine Club lost one of its fine, young, energetic members to a tragic farm accident. Noble J. C. Glassburn was always working hard to help our Shrine kids. He was the one to suggest our first annual trail ride that turned out to be such a success. Noble J. C. was always a willing worker for the Shrine. He will be sadly missed by family and his many friends.

There was a nice turnout for our Hillbilly Hog Roast. We took in two new cussins. The band just about blew us out of the dance room. I guess we are going to figure out how to turn down the sound or give up on bands.

Mark your calendar for December 4 for the club's Christmas party. Gallipolis Christmas Parade is the same day.

Remember, Nobles and Ladies, never look down on anybody, unless you are helping them up. See you for supper on Thursday at 6:30 p.m.

Flying Nobles

by Lee McKelvey

The officers for the 2011 Flying Nobles were nominated at the October meeting. Terry Kitchen was nominated for commander, Lee McKelvey for deputy commander, Don Shartzter for operations officer, David Ray for secretary/treasurer and Jim Paddock will be our chaplain. The officers will be installed at our December meeting at the Shrine Center.

Don Shartzter is a charter member of the Flying Nobles who moved from Columbus to Georgia and has returned back home. We welcome Don back with us.

Terry Kitchen was taught to fly by PC Ralph Bryson at Lancaster Airport. Ralph passed away several years ago and was commander in 1982. Ralph encouraged Terry to join the Flying Nobles when he had the opportunity. Ralph was a very good pilot and a nice guy and a great friend. Terry is a photographer for *Warbird Magazine* and a good man for our Commander. He is active in Aladdin and is a friendly gentleman with a sense of humor.

It's good to see Bob Cahill at our meetings since he drives all the way from Raymond, Ohio. Long drives are nothing for Bob since he used to drive a semi for eight hours at a time on the oval test track at Marysville for several years.

What happened to Dave Ackison, John Strayer, Ed Grover, Jerry Vance, Gene Gerhart, Bill Higgins, and several more whom we haven't seen for a while?

The Florida Reunion is at Fort Myers on February 5. I have attended several of the reunions and you get to meet some friends there you don't see in Columbus too often. Several are snowbirds, several fly down just for the reunion, and there are many who live in Florida. We always have an enjoyable evening. Last year it was moved to an earlier time and I'm told not many attended, so it was moved back to a later time.

I read where Cessna is coming out with a new single engine turboprop but everything is a secret. You know what happens when the competition finds out what is in the making.

Try to get to a lodge meeting and a Shrine meeting. We are needed in both places to keep things going. Things have to get better and I was told long ago there are better days ahead. Enjoy every day, stay well, and I'll see you next time.

Birthday Corner

Aladdin has 25 Nobles with a very special birthday in this month. They have lived for a total of 2,320 years and have spent 1,062 of them as Shriners.

Shrine Band

by Jim Allen

Don't Rain On Our Parade, Please!

The Aladdin Band finally dried out after last year's Circleville Pumpkin Show parade. Fortune smiled this year and it was a beautiful fall evening with acceptable temperature.

The band arrived on Big Red and our band president, quartermaster, and parade marshal, Frank Habecker was dashing hither and yon attempting to get everyone in the right order and Big Red parked in an acceptable space. Frank keeps everyone in line, more or less. The great advantage of playing in the band is that you arrive on a bus, ride on a trailer, and depart on the bus, never having to deal with the crowd.

We were able to trailer both a non-marching (concert) band and a Dixieland band. If anyone out there plays or has played in your past and would like to join the band, see Jim Esswein, and we can probably find a place for you. The chops will come back in time. It is like riding a bicycle. You never really forget how to play an instrument. We even played "Men of Ohio" and "Them Basses" on the parade route this year and didn't get them mixed up. Jim Esswein, our director, joined Clyde Compton and Jim Allen playing Sousaphone (bass) on the concert band trailer. They were ably assisted on the bass part by Tim Keller on the baritone sax. Dave Colburn played Sousaphone with the Dixieland Band. We are blessed with Sousaphones and are a little light on clarinet (hint - hint). Doc Holbrook, Jim Shackson, and Roger Donohoe need company. A good time was had by all.

Mentioning a good time, the band and the Chanters are sponsoring the Harvest Ball on Saturday, November 20, 8:00 - 11:00 p.m. at the Shrine Center. Bring some friends to hear the excellent Aladdin Dance Band under the baton of Tom Dale. See a member of the band or the Chanters for tickets or the ticket office at the Shrine has tickets.

We have a money making event coming up - ringing bells at grocery stores for the Salvation Army. If you can help out, call Jim Esswein, 614-203-8447, or Tom Dale, 614-457-0597, or sign up at rehearsals.

Our Potentate's Visitation will be December 14.. Mark your calendars now. Let's have a good turnout for these events.

Go, Band.

Chaplain's Corner

by Chaplain Zale Maxwell

I was recently looking at a computer website listing dates of importance for November, and I have reached the conclusion it is a very interesting month. For example, it is Aviation Month, Child Safety and Protection Month, and of interest to our Potentate, National Model Railroad Month. Also, it's Peanut Butter Lover's month.

Moreover, November 1 is All Saint's Day followed on November 2 by the Sesame Street character, Cookie Monster's Birthday. This date also happens to be National Deviled Egg Day. Wait, it gets even better. Sandwich Day is November 3 and November 4 is National Candy Day. November 5 is National Donut Day. How can any month top this? There are even more.

The 15th is Pack Your Mom Lunch Day, the 17th is Homemade Bread Day followed by Mickey Mouse's birthday on the 18th and Woody Woodpecker's birthday on the 25th. A month this full of fun and food

just has to be at the top of anyone's list of importance. Is it any wonder that obesity is a problem in this country with a month like this?

Oh, there is a serious side to this month of November. The 9th is Parade Day, the 10th is Establishment of the U.S. Marine Corps and November 11 is Veteran's Day. I do not mean to take anything away from these very important remembrances of those who have served our country.

Remember the day after Thanksgiving is National Cake Day.

When you sit to dine with a ruler, note well what is before you, and put a knife to your throat if you are given to gluttony. Do not crave his delicacies, for that food is deceptive. (Proverbs 23: 1-3 NIV)

Provost

by John Rohal

The October Provost meeting was, as usual, very well attended and we were served with the usual well prepared dinner. There were two of our unit's Past Potentates in attendance, as well as Aladdin's Chief Rabban Steve Hathaway.

The secretary's reading of the previous meeting was dispensed with, however, Treasurer Charles Linek provided an interesting report. As a result of our providing additional security for Sarah Palin, the unit received and sent a check in the amount of \$3,617.33 to our Shriners Hospital in Cincinnati. As a result of our work at the Nationwide Golf Tour, we presented a check in the amount of \$1,800.00 to Aladdin Shriners Hospital Association for Children.

Director Kinney reported on our work at the recent Ceremonial where five law enforcement officers were members of the class of 48 new members.

Jon announced he will retire as the director of our unit at the end of this year. He will be succeeded by Gene F. Steineman who will be appointed as director by the 2011 Potentate. Gene announced the appointment of the unit officers for the year 2011. Assistant directors will be Michael Gray, Gary Hamre, and Donald Campbell.

The secretary will be James Light, treasurer will be Charles Linek, and the reporter will be John Rohal.

Approved for membership were Phillip Haskins, an Inspector with the Public Utilities Commission of Ohio, and Christopher Doomy, an assistant analyst at the Huntington Bank. He is the grandson of Leon Taylor and great nephew of Danny Augg.

Director Jon and Ron Hobensack reported on last month's devastating fire at the home of Jack and Judy Bope. They lost their two dogs but are now in the process of rebuilding.

Celebrating birthdays in November are Fred M. Crow, Larry A. Davis, Danny H. Leadingham, Robert L. McCullough, Russell F. Miller, and James F. Roberts.

Our congratulations and best wishes go to our member James M. Liebherr and Kendra C. Kinney who were united in marriage on October 16, in Circleville. Kendra is the daughter of Director Jon and Lady Cindy Kinney.

Remember our 2011 yearly dues are now due, and must be paid for inclusion in the unit roster. Guess that's enough for now. Most of our Snowbirds are either already there or on their way.

Pickaway

by Jack Sauner

Well, here we are in November. The summer has passed with pretty hot days. Now, we can just hope the winter will bring us more of the same. As you read this, the great pumpkin show will have been here and gone for another year. We'll see how that turns out this year as our menu has changed some. The club would like to thank those of you who worked.

The building is in good shape. There was a work party to complete some of the items on our "to do" list. Hopefully, another will be done soon.

A large rock was donated to the club for the plaque to honor the Elsea family for their donation of the property and those who have contributed to this club – either by working or through donations or both. The plaque has been ordered. Rex Emrick, Bill Dountz, Charlie Galloway, Doug Cook, and Robert Radcliff picked the rock up and placed it in its location at the building. Stop down and take a look.

Nominations of officers will be one of the topics discussed at this upcoming meeting. The election of officers will be on November 22 at our regular meeting. A nominating committee has been formed

and has had a meeting. They will have a slate of officers and trustees.

The Club had another fantastic golf outing again this year. The tournament was chaired by Carl Hemming with the help from Doug Cook and Larry Mosley. There were other members who turned up to help too. There was a great prize offered for a hole in one on a par-three hole. It was either a new car, truck, or \$20,000 cash. There were two other par- three holes with prizes of a \$500.00 Visa card and an under cabinet radio. The tournament was held at the Pickaway County Country Club. There was a good turnout and all had a good time with everyone receiving a gift. I understand that the K of C will hold the tournament next year so our next one will be in 2012.

Don't forget that the building is open for those parties you may want to have. Members can rent it at a good price for their personal use. Let your friends know about it. Their cost will be more, but still a good price. There is a PA system and a serving area. This money goes a long way for the upkeep of our building. Contact Glen McFarland for details, 740-474-1652.

Just Clowning Around *by Matt "Nutt" Knight*

Our Season's Grand Finale

Wow! Talk about finishing with a BANG. We had several events this past month. We participated at the Ceremonial and at the Buddy Walk for the Down Syndrome Kids. The young man posing with our clowns was very happy that we were there. The Autism Speaks was held October 10 at The Schott. We put on a show for our kids at the Shrine Burns Hospital in Cincinnati on October 20. The last event for the month was the Circleville Pumpkin Show Parade.

I have few birthdays to mention: Greg "Pozi" Osborne and Don "Babe" Lynne. I would like wish to both of them "happy birthday."

Two of our clowns won awards with their cars when they participated in a car show sponsored by the South Gate Potter Lodge. Fred Gischler and Bill Amspaugh both walked away with trophies for their fine classic cars.

This is a reminder that our website is up and running. Mike Clark is maintaining it and the address is www.aladdinshrineclowns.org. Please take the time to visit us.

We accepted petitions of two new apprentices this past month. I have not received all of their information, but look for more about both of them in upcoming articles.

On a sad note, Jack Bope and his Lady Judy lost their home and many cherished family heirlooms in an electrical fire. In addition, Jack had some health issues and spent a few days in the hospital. Our prayers go to them and their family.

Boss Clown Don Tootle has been under the weather lately. Please remember him in your prayers.

George Kosbob and his Lady Shirley, who are very dear to the clowns, are ill. They both have been under the weather and need our prayers.

As I mention our brothers and their families, I ask that, as you say your prayers, you keep your brothers in mind. God Bless,

WORTHINGTON

by Bob Stevenson

With Thanksgiving Day almost here, we know the Annual Christmas Dinner is just around the old Christmas tree! Mark your calendars on Thursday, December 2. Dinner will be in the large room with the large tree at Brookside. If you can please bring one or two toys, UNWRAPPED, for under the tree, they will be delivered to the kids in our hospitals. In addition to installation of officers, our entertainment will be members of Dublin Jerome High Schools music programs. There is probably nothing better than starting off the season of love and giving with a lot of presents under a large tree and the voices of kids singing songs of the season. Watch for your newsletter and be sure to join us.

DATE CHANGE - The JANUARY MEETING will move from January 6 TO JANUARY 13, 2011. We will be at Brookside and our featured program is incoming Potentate, Steve Hathaway and his Lady Betsy. We can expect a few members of the Divan. This is an excellent time to get a look at the upcoming year. Worthington Shrine Club needs to get more involved at Aladdin and this is a great time to come and select your interest areas.

Nobles and Ladies, these programs are times to meet old friends, make new ones, celebrate the season of Christmas and kick off 2011. See you there!

Chanters

by Deron S. Ponn

The Chanters are keeping quite busy, as usual. We participated in the parade at the Circleville Pumpkin Show.

Besides practice every Monday evening, we have several performances scheduled. On November 14, at 7:00 p.m., we will travel to Circleville to perform at Pontius United Methodist Church. Pastor John Ash is the pastor at Pontius and is also a Chanter. John sang bass in the quartet during the award winning performance at the Imperial this year. On November 22, the chanters will sing at Trillium Place.

Tickets are on sale for the Harvest Ball which is November 20. They can be purchased from any Chanter or band member.

Be sure to mark your calendars for the Chanter Christmas Dinner on December 16 and the cost will be \$25.00 per person.

Don't forget November is "dues" season. Be sure to get them turned in on time to avoid getting letters and/or dirty looks from Bob Larson.

Please keep fellow Chanters with health issues in your thoughts. John and Alma Ervin are recovering from injuries sustained in a car accident. Keep Jack Harris and Jack Leeson in your prayers as well. Mr. Leeson is recovering from a bar stool injury. I'm sure there is a great story there, but you will need to discuss that with Jack.

Hospitality

by Gary Harding

Howdy, Hospitality. All my brothers from different mothers, I am proud to report 20 new members and 100 members showed up at the Hospitality Dinner meeting. (Loud buzzer!) Wake up, Gary. This is the newsletter, not wishful thinking.

We have a new member and he promises to work some events. Our unit could really use a dozen or so new members. We only want you to volunteer one or two times a month for five or six hours. Back in the late 80s and early 90s, the unit worked three to five times a week. Sign up, work a few hours, eat a good meal, have a drink, play cards, swap stories, and enjoy the festivities. The events are posted online. Call Jim Hoops, 740-246-5912, and tell him which event you can work.

I am sending out too many get well cards. You better take your vitamins and stop burning the candle at both ends like we used to back in WWII. (Straighten up and fly right.) Song!

I rode in our 1954 Dodge firetruck in the Circleville Pumpkin Show. Record crowds but only four guys from our unit showed up. Can't some of you guys ride in a parade and wave at the pretty girls? It's not that tough. We can do better.

I turned 60 years old this month. Whatever your age, I hope you have laughed twice as hard as you ever cried.

Reception Unit *by Don Owens*

The final parade of the year occurred on a beautiful evening in Circleville before a large and appreciative Pumpkin Show crowd. The weatherman has not always been as kind to us for this event.

The Reception Unit Christmas Party on December 11.

The first Unit meeting of the season was held on October 21 with 21 members attending, which is a respectable turnout by recent standards. However, there is no denying the fact that our ranks are thinning, and a look around the room foretells further losses. Speaking to this point, Jack Davis rose to emphasize the need to recruit new members before the trend is irreversible. The Membership Committee, headed by Ralph Vaughn, welcomes your leads and ideas.

Mike Johnson reported the rescheduling of the Aladdin's Cup competition to Tuesday, November 30. Doors will open about 6:15 p.m. and the event will start at 7:00 p.m. Admission is open to anyone, so bring the neighbors and cheer for the guys in the green coats.

Harry Webster reported on the proposed project to sell Vidalia onions. The project has been demonstrated to be viable, based on success elsewhere by other Shriners, and it remains only to work out the details of a plan for consideration. A committee has been

formed to do that. Timing will be one important element, since the production season is from April to June, and storage life is limited due to the high water and sugar content of this wonderful vegetable. A trip the website, www.vidaliaonions.org, will leave you wondering why we don't eat these things at every meal.

Tom Keller, always a source of good ideas, has noted the need for benches along the brick walkway in front of the Temple. He has some thoughts on how to meet that need – watch this space. Moreover, pancake lovers will like his ideas for some future breakfast.

Finally, Director Jack Bonn announced that Ken Russell has requested veteran status. As we all know, Ken is an irreplaceable asset to the Reception Unit. To completely list his many attributes, let alone his contributions, would embarrass him, so we reserve the right to do that in private. Of course, we wish Ken the best of good fortune. We take solace in the hope that he will still be among us, more often than not, at future gatherings.

Ray Crane, James Cherrington, and Don Kindler celebrate birthdays in November. Happy birthday, guys.

KAMBRI *by Dick Brixner*

The Kambri Shrine Club held its annual steak fry on October 21. Our newest member of Kambri, Tom Tipton, started his tenure with getting involved in this event. We had nearly 40 people attending for fun, fellowship, and great ribeye steaks, baked potatoes, salad, donuts, and drinks. Our chefs were Nobles Buzzy Ferguson and Dave Black. Thanks for a great job. A "special thanks" goes to Lew Smith for the use of his propane grill.

President Lynn Weekley opened the meeting with a welcome to all. Tom Fisher gave the invocation. Our speaker for the evening was Steve Stolarik, representing the Byesville Scenic Railway.

The railroad in Byesville has been around since 2003, and is run by a volunteer organization. They started with one big loan to purchase a 1948 steam engine and two 140 passenger cars. They are a qualified, non-profit organization with an annual budget of \$140,000.00. They are open from May - December, and will make special arrangements for groups of 20 or more. They have 148 tour buses visiting this year, coming from all over the United States of America.

It takes 12 volunteers to operate each train trip, from the ticket booth personnel, the engineer and brakeman, and the living history tour guides on the train. During the ride south, you will pass the remains of 12 coal mines, and you will be told about the historical perspective of the mines. Each coal miner worked and was paid by the ton of coal mined.

Did you know that there were 382 deaths in the Guernsey County coal mines? Did you know the width of the rails is four foot, eight inches? Did you know that each person is using 7,242 pounds of coal each year for electricity and various other products we consume?

The goal of the Byesville Scenic Railway is providing a historical perspective of years past. Our own Noble Ron LePage became the designated train engineer for the evening and led the group in singing a couple of related songs.

The volunteers for the Byesville Scenic Railway have started a major project to place a six-foot bronze statue of a coal miner at the

site. The statue will be created by Zanesville sculpter, Allan Cottrill. Donations will be gladly accepted toward this first statue in Ohio to honor the coal industry.

Nobles, you missed a great program, and hoping you will be in attendance at the next events, here are the dates to remember:

Our annual club election of officers will be November 16, 6:30 p.m. at King Pin Lanes with bean soup and corn bread. Come and be sure you are not on the ballot.

Our Annual Christmas Party will be December 9, 6:30 p.m. at the Plumber & Pipefitters Hall. Bring your lady and watch for the jolly Noble to arrive with sleigh bells ringing.

Looking way down the road, next year's steak fry will be October 20, same time, same location. Next year's Christmas party will be December 8, same time, same place.

We hope to see the Nobles of Kambri Shrine Club come to all events, support your officers, enjoy the fun, fellowship, and great food. The more we have in attendance, the more we can get done.

Aladdin's CAR CLUB

by Jim Allen

Ten members of the Aladdin Car Club made the trek into northeastern Ohio Amish Country. It was organized by Bill and Mary Ross of Utica. Jim and Lois Allen, Louis Ardit, Larry and Karin Jarvis, "Dee" Mowry, and Ron and Ginnie Brubaker met at the Pioneer Restaurant in Utica for breakfast at 10:00 a.m., October 16. The food was sumptuous and plentiful. No excuse for going away hungry. The weather had been unsettled on Thursday morning so the antique cars, with the exception of Ron Brubaker's "new" 1985 red Chevrolet short-bed pickup, were absent. We don't like to take them out in the rain and then clean them up. You might say we are lazy.

We made a stop in Utica to view the wall murals on the Masonic Temple that portray earlier days. Utica was settled by people from Pennsylvania, Maryland, and Virginia. The downtown area is reminiscent of Pennsylvania and Maryland towns where the buildings are built right on the street with overhead balconies and shelter for the sidewalks. Several of the balconies and sidewalk covers still exist today.

We departed Utica for Kidron via Martinsburg, Millwod, Danville, Brinkhaven, Killbuck, Millersburg, Benton, Mt. Hope, and Mt. Eaton. Millersburg is the center of the largest Amish settlement in the United States. It was a lovely drive through some beautiful farming country. The farms and communities in general are maintained with pride and perfection. The objective of the trip was Lehman's Hardware store in Kidron. This is just not the run of the mill downtown hardware store that is the staple of every farming community. It has more stuff than

you can imagine. It is comprised of several buildings and the main store is divided into departments that are stores in and of themselves. Unbelievable – normal hardware items, kitchen utensils, canning supplies, toys, camping equipment, appliances (both electric and gas), stoves of every description, etc. Oh yes, food and ice cream to eat as you sit and rest from the shopping overload. Lois Allen was able to find something she didn't have. She was looking for a mantle

for our Aladdin Lamp in Maine. The machine that manufactures these was broken and awaiting a part. They were currently out but will be back in stock as soon as the machine is fixed. This was unbelievable in this mass of merchandise. The Amish may be "backward" by our standards, but they sure know how to merchandise. I think Walmart may have learned from them. The store was crowded, but we were glad that we had

come on a week day rather than on a Saturday. I doubt that you could have gotten through the store.

After becoming saturated with shopping, we adjourned back to Mt. Hope for a late lunch at Mrs. Yoder's Family restaurant. More good food and lots of it. Dee Mowry said that he has been fighting anorexia for years and winning and a place like this is a great help. We all felt this trip will be hard to top, but I am sure we will come up with something. We will do our next outing on a weekend or evening so more people can participate. Remember, if you don't have a vehicle or don't want to drive yours, come along, like Dee Mowry and Lou Ardit, and ride with someone else. You are always welcome.

Marching WITH THE LEGION

by Dick Luckay

PUMPKIN PARADE REPORT – The weather was cool but comfortable. The crowd was large, warm and friendly and the Circleville Pumpkin Parade was indeed a big success. The Legion led the way with a full color contingent and a flag bedecked jeep with three riders. Commander Gary Bogart, PC's Willie Fitchett and Dick Ollila with LN 's Terry Kitchen, Bob Krieger, Chris Rock and Jack Davis provided a Legion contingent that made a great showing for Aladdin. Thanks to all who participated for a job well done.

CHANGE OF COMMAND – The official Legion of Honor Change of Command Ceremony will take place after the dinner on December 13 at Aladdin. Outgoing Commander Gary Bogart will pass the flag to incoming Commander Terry Kitchen. Gary is to be commended for an outstanding job during his year of leading the Legion. He has been the right man in the right place at the right time. Incoming Commander Kitchen is certain to carry on the outstanding leadership of his predecessors.

SPECIAL DAYS FOR SPECIAL PEOPLE -- Another anniversary celebration for: PC Lou and Vi Snyder (12/19) and PC Don and Marjorie McCoy (12/31). Another birthday candle for: Irene Schleich (11/18), PC Clancy Lanthorn (11/24) and Sharron Lehman (12/4). Congratulations to all.

HOSPITAL REPORT – LN Angelo Marinelli has seen the inside of too many hospitals. A serious heart condition has made him a visitor to several emergency rooms with accompanying hospital stays. Our thoughts and prayers are with you, Angelo, and our hopes for a speedy recovery. God Bless.

HILLTOP

by Ray Pendell

The meeting was held October 13 at the Hometown Buffet and was not very well attended. Emails and newsletters were sent to remind you of the change of date so many of us could attend the Randy Riggle Show on October 6. The meeting on November 3 was at the Hometown Buffet for the nomination and election of officers for 2011. Hope you voted on November 2 and the results were to your liking.

The December meeting will be on Sunday afternoon, December 5 at Ann and Tony's in West Jefferson. Complete details will be in our November newsletter. New Officers for 2011 will be installed, scholarships will be awarded, and Santa will be there to make sure you behaved this year and take orders for Christmas.

Noble George Kosbab reported that a \$500.00 check was received from the Walmart store in Grove City for the Shriners Hospitals. This is as a result of our application made for our charity during the Tabloid Days this past June. Our 2011 Tabloid Fund now stands at over \$1,700.00 which includes our donations with dues and the Jug money collected to date. The Jug Program is ongoing and our Jug runners are Duane Hivnor, David Ray, and Al Williams. If you see a Fez Jug at a local merchant, thank him and drop in a coin or a bill for the "kids."

We are saddened to learn of the passing of one of our members, Larry Davis. Our sympathy and support goes to his family. We will miss him.

Tarhe Shrine

by David Mowry

Tarhe's September meeting was held at Tammi Jo's in Lancaster. We would like to thank Mina Ubbing from Fairfield Medical Center for being the speaker.

November's meetings will be at Tammi Jo's restaurant. It is located in the Plaza shopping center on Memorial Drive by Slater's Hardware and Carnival Foods. Many members may remember it as the former site of the Kane's and Woody's restaurants. We are thinking about booking Tammi Jo's for the 2011 meetings, so be sure to come out and tell us what you think.

For the November meeting, our speaker will be Past Potentate Dee Mowry, who has agreed to share pictures from his travels. The social hour will begin at 6:00 p.m. with dinner to follow at 7:00 p.m. Guests are always welcome, so feel free to bring your friends.

Reservations for all meetings should be made by the Saturday preceding the meeting. Reservations can be made at 740-808-4210 or at tarheshrineclub@gmail.com. The cost of the meal is \$15.00 per person.

Don't forget the holidays are coming quickly and so is Tarhe's Christmas party and Potentate's visit. It will be held on Saturday, December 11 at the Eagles in Lancaster. We will also have the installation of the 2011 officers at this meeting. It's our last meeting of the year, so please make plans to attend.

Remember, if you have questions about meeting dates, you can check Aladdin's website to see club and contact information, and upcoming meeting dates. Please take a look at it at: <http://www.aladdinshrine.org/tarhe.htm>. You should also be getting reminder cards about the November and December meetings in the mail. Please make sure we have an updated address for you and let us know if you or someone else doesn't get one.

Upcoming meetings:

November 21- Please make reservations no later than November 16.

December 11 - Tarhe's Annual Christmas Party at the Lancaster Eagles.

Hocking Hills Celebrates 20 Years *by Richard Aldridge*

Last night was our 20-year celebration. Our club was started in 1990 by 124 charter members. We had 15 of those members in attendance plus 75 Nobles and Ladies. They were served beef tenderloin, chicken, scalloped potatoes, green beans, celebration cake, and ice cream.

The night started with a social time and appetizers. It was a great chance to connect with some Nobles we hadn't seen for a while.

Ross County *by Jay Morgan*

We had a great meeting in October. Attendance was 36 but was down a bit because of the date change but it was enjoyed. The dinner was chicken and noodles, green beans, rolls, and apple pie and was prepared by Noble Mike Bell, with help serving by Nobles Miner, Patterson, and Baranick.

The Black Camel visited our club and a moment of silence was observed for Nobles Don Grimes and Joe Parker. Cards were circulated for Nobles sick or under the weather: Brad Burns, Dave Medert, Harold Immell, and Ralph Immell.

Tabloid Chair Mike Haller presented two checks to Noble President Terry Morris for the 2011 Tabloid count. We are well on our way for a good year in Tabloid monies. Noble Ron Harper gave a report on the yard sale, and Noble Gary Scott gave his report on concession sales at the yard sale. They both thanked all who helped with the sale and the donated items. Noble Mike Haller extended a thank you to

The meeting was opened by President Rich Aldridge who called first charter member, Noble Don Farrow, to the podium. President Aldridge thanked him for starting the club and presented him with a 20-year celebration pin. The rest of the charter members were asked to come forward and were thanked and were given their pins.

Charter members in attendance were Nobles Don Farrow, Lawrence Blair, Willis Dicken, George Edwards, Jim Bartow, Karl Grant, Larry Jarvis, Bruce Johnson, Larry Kornmiller, Jack McVey, Harry Shaw, Jimmy Stewart, Paul Stivison, Harry Dickerson, and Gene Dennis. All the charter members are in the picture. Thank you, Nobles, for starting a club here in the Hocking Hills. The Nobles got to eat first and were served cake first. Illustrious Sir Dee Mowry sent a letter to be read for the Nobles. We missed you, Dee, congratulating them on 20 years. Noble Michael Tyne said a few words on behalf of our Potentate Bill Estell. The meeting was closed and the Nobles had a little social time afterwards, too.

Just a reminder that November's meeting is changed to November 16. Be sure to mark your calendars.

Dane Straub from the Old Canal Smoke House for the donation of a stove. The stove works very well for us and is appreciated. Noble Mike also thanked Arselli's Landscaping Services for the work they did around our club. It should help with the maintenance and really looks good. The officers elected for 2011 were Treasurer Noble Rob Coolidge, Secretary Noble Dan Riddle, Vice President Noble Dave Duckworth, and President Noble Jay Morgan.

The last week of October was really busy – we had a meeting, prep day, spaghetti dinner, and Halloween parade. I would like to thank all who helped with the spaghetti dinner. It takes weeks to put it all together and lots of help on the two days to set up and clean up. "Special thanks" go to the ladies who helped and for making the fine desserts. The next meeting is Saturday, November 20; it is the Thanksgiving and Appreciation Dinner. All Nobles and their Ladies are welcome to come. See you there.

Brutal Brothers *by Ron Martino*

Forty members attended the regular October, a briefing meeting/dinner at the Wolfe building. We were treated to hamburgers, brats, hot dogs, potato salad, and a variety of snacks. The meat was cooked by Chief Brian Tabit with help from our Director Dave Williams. Bo Williams took care of the camel's milk.

Bo Williams was voted in as our newest, regular member. Welcome Bo, and I hope you enjoy all the friendship and benefits of the best unit at Aladdin.

On October 2, Aladdin held a full ceremonial. There are now 44 new Nobles in Aladdin Land and we welcome all of them to a great organization of brethren. The best way of getting the most out of being a Shriner is to get involved with clubs and/or a unit. There are many great clubs and we also have 16 great and different units. I will tell you all to check out the Brutal Brothers Unit. We have members from all walks of life – from plumbers, electricians, city workers, state workers, and retirees from many backgrounds like teaching, firemen,

railroad engineers, telephone personal, and etc.

We have had judges, owners, and reporters of newspapers. We even have a lawyer, although we try to down play the fact. No matter your occupation, if you like to have fun, then you will fit in our unit. Call Aladdin's office for information about joining.

As you read this it will be almost turkey time, and shortly after we will have our Annual Ladies Christmas Party and Potentates Visitation on December 3. It will be held at OSU's Scarlet and Gray Golf Course.

Our election of new officers was held in November. A new chief, assistant chief, sergeant-at-arms were elected. Names of the new officers will be in the next *Lamp*.

Many of the snow birds are looking south and will soon be leaving for the sunshine state or other states to the south. Ralph and Barb Braun are planning to spend a couple of weeks in Texas and then go on to sunny Florida. Those Nobles who are going to be in Florida during February should plan to attend the Aladdin Reunion on the February 5. Look in this *Lamp* for the form to get your tickets. Guests and friends are welcome.

Bucyrus Welcomes Potentate *by Gene Diller*

President Tim Miller welcomed Aladdin Shrine Potentate William E. Estell, the Divan, and their guests. The special night opened with prayer lead by Noble John Miller. President Miller led the Nobles and guests in the pledge.

Gus' Grill and Grog prepared Salisbury steak, fried potatoes, green beans, salad, cake, and pie.

President Tim called for a moment of silence for the troops overseas. He presented Lady Carol Estell with a Pickings copper kettle from our club. Potentate Estell presented President Miller with a personalized Aladdin

wallet. Chief Rabban Steve Hathaway spoke of the 2011 events at Aladdin Shrine.

Potentate William Estell spoke about visiting Shriners hospitals in Cincinnati, Lexington, Kentucky, and Erie. He gave each hospital money from the Tabloid sales.

It was a great night. It was great to see Potentate Estell and the Divan.

The next meeting will be November 29.

The club met Thursday, October 6, at the Teheran Grotto Hall with 25 members present. Following lunch, the proposed bylaws were read and, following discussions, Article II, Section 3 was changed to eliminate club meetings in January and February, and to establish meetings in July and August. All are subject to club and Aladdin Shrine approval.

The maiden run of the club's new sound system was successful and was appreciated by all hearing challenged members.

Future events for the year include the November and December meetings with the Potentate's visit on Friday, December 10.

For those youngsters who "believe in Santa" and all the wondrous things he conjures up in their minds.

Steubenville *by Anthony Violi*

The meeting on October 7 of the Steubenville Shrine Club was called to order at 7:30 p.m. with President Noble Richard Hazelip leading the Nobility in the pledge to the flag of our great country. Prayer was offered by Ill. Noble Henri Albert asking God to grant us wisdom and guide us in all we say and do for the good of the Shrine.

Noble Russ Barker, building chairman, said he is repairing the radiator on the grass cutting tractor and doing maintenance to keep it in top-running condition. He has installed sheeting on the floor of our band shelter. He was thanked for keeping our outdoor facility in top condition.

Transportation Chairman Noble B.J. Johnson reported that an Amish child would be taken to Erie for evaluation and admitted for an overnight stay. B.J. was commended for his interest in carrying out our philanthropy and recognized for holding the position for more than 28 years.

We were informed that Noble Ken Gorney attended the board of directors meeting in Erie. Nobles Jerry Williams, Bill Bell, Tom Windland, and Wayne Fulmer are meeting to review our by-laws and bring them up to date. They were last revised in the 60s.

Reported ill were Nobles Herald Cook, who was in the hospital with serious injuries caused by a fall. Our President Richard Hazelip is having back surgery. Robert Moffatt, Gene Groves, Bill Alexander and Jim Halstad were also ill. Jim is recovering from surgery. The Nobility wish them a speedy and successful recovery.

Because of the injury of Noble Cook, who is the secretary of the Scottish Rite, Noble Jack Kibble agreed to temporarily assume the position of secretary of the Lodge.

At the next meeting, the nominating committee will offer names of candidates for next year's offices. We were reminded by Noble Jerry Williams that the Annual Children's Christmas Party would be held at Aladdin Land on December 4. He and his Lady Jo Ann have chaired the event for the past six years.

Noble Albert offered a closing prayer. Delicious refreshments, prepared by 2nd Vice President Wayne Fulmer, were available. Fellowship followed. GOD BLESS AMERICA!

Patrol Marches on...

The Fall Ceremonial was held October 2. The Patrol had the Arch of Steel and presented the flowers. "Thank you" goes to Neal Dorsch, Bob Simpson, Leo Stacy, and Tim Bailey for helping out. David Wolfe, 1st Ceremonial Master, did a commendable job.

The Patrol lost Patrolman Bill Perman who passed away in October. He hadn't been active the past few years, but will always be remembered. Our sympathy goes to Ruth and the family.

The breakfast at Plank's was held Saturday, October 16. About 14 Patrolmen and their Ladies attended; a good time was had by all. A big "thank you" goes to John Plank and his crew for making this event a good one!

Mark your calendar for the Patrol Holiday Party to be held at the Bridgewater Conference and Banquet Center on Monday, December 6. Details will be coming soon, or you may have already received your invitation in the mail. Make sure you make your reservations with Chi Weber, as you won't want to miss the party!

GO BUCKS!

Steel Drum Band

by Phillip Harbarger "JR"

Well, the parade season is over and next on the calendar is the Annual Christmas and Ladies Party. It will be held at Aladdin Shrine on Friday, December 4. Look in your mail for further information, and if you don't receive anything, contact Dick Westinghouse.

We are back to rehearsals again and only meet on the first and third Wednesday of the month, starting at 7:00 p.m. and ending at 8:00 p.m.

Jeff Jones (JJ) is back with us and is working on three new numbers to add to the oldies. Stan and his Lady are heading down under for a trip and he will be happy to tell you all about it when they get back.

We still have some vets who we would like you to keep in your thoughts. Dick would love to hear from everyone because he communicates with the rest of the band and lets us know what going on with your lives. It's good to sit around and hear the old stories that are told about members in the past. So, come for the Christmas party and help keep the stories correct, because I think sometimes they grow like when a fish tail is told.

Northeast *by Calvin Smith*

The theme of our October meeting was OSU "Scarlet and Gray" for all the good it did. Sorry, I'm still upset at the upset. In any case, we were spirited.

The meeting was a keystone beginning for our 2011 efforts. We ate well and after our meal and the invocation by Chaplain Dick Westinghouse, President Rohal began by asking Charlie Linek to begin our annual cheese, sausage, and nut sale promotion. This is our annual fundraiser and requires the assistance of all members. Charlie was his usual, thorough self and after the meeting, initial sales were brisk. Order forms are available by emailing Calvin Smith at csmith@aladdinshrine.org or by emailing Frank Habeker at habeker@sbcglobal.net. Also available in the Aladdin Shrine Center lobby.

Russ Miller was asked to report on the nominating committee

results for 2011. All offices were filled and the following members were elected for the ensuing term:

President: Tom Rice

1st Vice President: Lou Snyder

2nd Vice President: Jeff Kopp

3rd Vice President: Jim Bodi

Treasurer: Terry McLaughlin

Secretary: Frank Habeker

Directors:

Aaron Dominey

Ken Beckholt

David Haney

Jack Davis

Charlie Linek

The club will be served well by these talented and experienced Nobles.

President Rohal introduced two new members to the club: Brian Tabit of Washington Court House and Stewart Webster of Columbus. They were warmly welcomed.

The meeting was given over to Present-Elect Tom Rice who spoke on the upcoming year. He had an exciting program with speakers, entertainment, and fun for all. He emphasized the Potentate's Visit on November 19 at Aladdin. Introduction followed and the benediction sent us home feeling good about this year and excited about the prospects for 2011.

In December, we will begin looking forward to Tom Rice's program. *President Rohal welcomes new member, Brian Tabit.* Read the column. Efforts at "forward reporting" will be the rule.
