A MESSAGE FROM THE POTENTATE

Well, it's officially summer. June 21, 1:16 P.M. EDT was the first day of summer—the summer solstice. This is the longest day of the year when the sun reaches its most northern point in the sky at local noon. After this date, the days start getting shorter and so does 2011.

Traveling around on Tabloid Day, everyone told me this year looked better than last year on collections. It's too soon to have everything tabulated. We should have totals next issue.

The journeys we have taken for the Cold Sand Ceremonials have gone well. We have created 46 new Nobles thus far. Don't forget, we will have a full ceremonial December 3.

Our summer programs are in full swing. Muirfield has come and gone. Thanks go to the Nobles who worked the parking lots, manned the gates, worked the gate cuts, or worked on the course. The Worthington Memorial Day and the Ulica Ice Cream Parades are behind us, but we have the Baltimore and Bucyrus Parades coming up next month.

Corky Talbot brought the fishermen back from Lake Erie with more fish stories to tell. This year, we tried something new and the Potentate's Family Fun Fest took the place of the Pote's Ball.

Don't forget Clippers Night on Tuesday, July 19 or the Stag Picnic at Aladdin on Saturday, July 23. You can invite a friend or neighbor to come with you on most of these events. This is to show them how much fun we have. The golf outing has helped to create a couple of Masons, hopefully Shriners. Our other events can have the same effect if given a chance. Try it.

The Divan visited Erie Hospital and was surprised to find nothing had been done with the renovation of the hospital. Perhaps, when we go to the Divan weekend at the Lexington Hospital, we may get an idea of what is going on.

More about the great 2011 Imperial in the next issue of the Lamp.

NEWS FROM CINCINNATI

Reconstructive Surgery for Dog Bites and Other Trauma Deformities Available at Shriners Hospitals for Children® – Cincinnati

Protecting children during summer activities conjures up thoughts of pool safety, bike helmets and sunscreen. But, the summer months bring a host of other safety concerns for children - many which are seen and treated at Shriners Hospitals for Children® — Cincinnati.

"Parents need to understand that lawn mowers, dog bites, and other traumatic injuries can cause devastating injuries to children's hands, feet or faces," said Pam Kresser, RN, clinical nurse coordinator. "The disfigurements can have an impact on them for the rest of their lives."

While the majority of these injuries are preventable, when an accident occurs, the Cincinnati hospital can help.

Recently, thanks to Jamil Shriners (Columbia, SC) a two-year-old boy recovering from a vicious dog mauling accident was flown to the Cincinnati hospital for extensive reconstructive surgery.

A member of Jamil Shriners saw the story about the boy's accident on local news and immediately called officers at his Temple.

The Shriners reached out to family members and the health care providers and within days, arrangements were made to transport the boy to Cincinnati. "This is our sole purpose to help children," said Fred Sharpe, Potentate at Jamil Shriners. "Knowing that we can play a role in getting this child under the care of some of the world's best pediatric plastic surgeons is extremely important to us and our members. To know that in some small way we are helping improve this child's life gives all our members a huge sense of pride. It is important for people to know the expertise we have in Cincinnati goes well beyond burns"

"You can't imagine how scary this is," said the boy's mother. "It was an awful accident and I thank the Shriners and everyone else for their support and prayers."

Kambri

by Dick Brixner

Were you there?

The Kambri Shrine Club hit the streets for Tabloid Day on Saturday, June 4, to raise funds for our 22 Shrine Hospitals. Our day began with a great breakfast at the Masonic Lodge which included pancakes, sausage, eggs, juice, and coffee. Thanks go to all who prepared and served breakfast.

President Buzz Ferguson (see photograph with article) accepted a check from Ayers Junior High School science teacher, Mrs. Dottie Ayers. Her class members collected pop tabs to earn the money. The students and Mrs. Ayers presented it to Kambri for the Shriners Hospital for Children.

We had 22 Nobles hitting the streets in Cambridge, New Concord, Caldwell, Senacaville, and Byesville to raise funds. We thank the mayors of each of these cities for permitting us on the streets of their communities. We also had another 7 Nobles who counted the monies collected. Thanks go to all the Nobles who gave their Saturday morning for the good of our hospitals and the children we serve.

To those Nobles who did not show, I will only ask, why not? The more Nobles on the streets, the more opportunities to raise additional money for our hospitals.

Are You Aware?

- We are a part of a philanthropic organization numbering 400,000 nationally with over 6,000 in Aladdin and over 150 in our own Kambri Shrine Club?
- Our first hospital began in 1922, and we have helped more than 800,000 children since our beginning. We provide a family-centered environment at no charge, regardless of financial need. We admit children, up to age 18, with orthopaedic conditions, burns, spinal cord injuries, scoliosis, and cleft lip and palate.
- In addition to providing state-of-the-art, excellent patient care, Shriners Hospitals for children conduct research that adds to the worldwide body of medical knowledge and provides insights that lead to improved treatment methods and better outcomes.
- The health care system also shares its expertise with the medical professionals of tomorrow. In the past 20 years, more than 9,500 physicians have received residency education or postgraduate fellowships at Shriners Hospitals for Children.
- This three-part mission to provide care, conduct research, and offer medical education has one purpose: to improve the lives of children." (Quotes From the Tabloid flyer, spring, 2011.)

Nobles, if you missed giving your donation on the Tabloid Day, you can still send in your check to Noble Tom Fisher, or by going on line: www.donate2shc.org and clicking on the "donate now" link.

The club participated in the Annual Children's Health Fair on June 16. This annual event is sponsored by Southeast Ohio Regional Medical Center and was held at the city park. We had eight Shriners show up to assist. They reportedly had their share of hot dogs and drinks, and at the same time, had 200-250 kids come by. We awarded two bicycles; one to Devin Maust and the other to Ashly Fordyce. Thanks to all who participated and made the event a success.

We had our annual golf scramble on June 18 at Wildfire Golf Club in New Concord. We had 9 teams participating, and the weather cooperated to make it a dry outing. "Special thanks" go to all Shriners who made this event a success. "Special thanks" go to Noble John for getting our 24 hole sponsors, to Nobles Buzzy and Ron for the door prizes, and to Nobles Ron, Dave and Buzzy for the steaks, baked potatoes, salad, and rolls. Another "special thank you" goes to Noble Lew Smith for the use of his propane grill. Nobles, please consider being more than just a "dues paying" member; come out and get involved. The more Nobles, the merrier. It is your club, make it grow and be a part of the growth. See you at the next event. Every one received a door prize, and we awarded skill prizes for the five golfers closest to the pins, and the three long drives, one for women, one for men 64 and under, and one for 65 and older. The winning team (John Lanning, Peg Bryan, Don Kasper, and Zack Nurkhart), was 11 under par for a score of 60. We had two teams tied for second place, at 10 under par for a score of 61. These teams were Norm Kahn, Gary Brown, Dave Ellison, and John Scurlock (they won the scorecard playoff). The other team was Ron Harding, Wes Harding, Ted Neptune and Lynn Bell. Please go to your calendar for next year and mark the third Saturday in June, 2012 for next year's golf scramble.

Another big "thank you" goes out to our local Moose Lodge for their donation to our Kambri Shrine and our Shriners Hospitals.

Kambri Shrine Event: Annual Fish Fry in our city park on July 30; Annual Steak Fry on October 20 at the Plumbers and Pipefitters Hall; Election of 2012 officers at King Pin Lanes.

Nobles, please consider being more than just a dues paying member; come out and get involved. The more Nobles, the merrier. IT IS YOUR CLUB, MAKE IT GROW AND BE A PART OF THE GROWTH. SEE YOU AT THE NEXT EVENT.

Medical Unit

Congratulations go to all the Nobles and their ladies who worked at Muirfield. We had mostly nice weather – hot but nice. Dr. Keith Blair called me and said we had a "first" happen – we had too many workers show up so one lucky guy got sent home. Thank you so very much, everyone, for your help. We really appreciate it!

We don't have any meetings until September, but we do have a lot to do. All you have to do is read the *Lamp*. Aladdin's Classic Car Cruise-In and Chicken And Corn Roast will be held at the Shrine Center on August 20. The cruise-in is from 1:00 - 4:00 p.m. and chicken and corn roast from 4:00 - 7:00 p.m.

On October 7-9, First Lady Betsy is having the ladies trip to Chicago. They will see shows, do shopping and more shopping. That sounds like a fun trip. Look in the *Lamp* to read about it.

Hope everyone is enjoying the summer. When September gets here and we have our first meeting, Dr. Blair hopes we will be seeing everyone there. You will hear more about that later.

I understand we should have had at least three from our unit attending the Imperial in Denver. They should have been able to handle everything there.

I hope in September we can work to reorganize and start to get things going again. The year is half over so now it is time to look ahead.

Well, I hope everyone has a nice summer. Be careful and hope to see you in September. Remember to read your *Lamp*.

Ross County

by David Duckworth

Greetings from Ross County! Our stated meeting on June 23 was another great evening with 44 Nobles in attendance, and of course, another great meal prepared by Noble Mike Haller and his crew. A great summer meal of hamburgers, brats, baked beans, and potato salad was enjoyed by all.

A "special welcome" goes out to our newest member, Randy Davis. It's great to see new members join the club. We all need to extend an invitation to our Masonic Brothers who are not members to attend our meetings, so that they may have an interest in joining.

Since our last meeting, the Black Camel has visited us taking three of our members. Noble President Jay Morgan reported the passing of Nobles Timothy D. Trego, David R. Carnes, and Jack E. Beeler. A moment of silence was observed for these Nobles. All who knew and loved them will sadly miss them.

It is good to hear that Noble Jim McCoskey is doing better. Our prayers are with you, Jim, for a speedy recovery.

This is a busy time of year for all of our committees. Tabloid Chairmen Nobles Brad Burns and Mike Haller still have donations coming in. Thus far, totals are over \$32,000 and counting. Wow! What a great job they have done this year! Let's congratulate them for all their time and efforts to make this year a great success. A "special thank you" goes to all the Nobles who offered their time to help out by taking donations on those two days of sales.

Building Committee Chairman Noble Brad Burns reported that our kitchen needed repairs to the wall behind the kitchen sink. With the help of Nobles Jay Morgan, Mike Bell, and David Duckworth, this was accomplished.

The Ross County Fair is approaching fast. As always, any help we can get for the ice and melon booth sales will be greatly appreciated. Heading the ice sales is Noble Don Morris and heading up the melon sales are Nobles Roger Remy and Steve Davis. These Nobles need all the help they can get to man the stations for the week. If any Nobles want to help this year and are not signed up, please contact them to get on the list. For ice sales, call Don at (740) 703-4979 and for the melon booth, call Roger at (740) 649-7369 or Steve at (740) 207-0932.

The committee chairmen are a vital part of the running and operations of our club. It goes without saying, that the time spent on these committees is not overlooked. A "big thank you" goes out to each and every member of our club who volunteers his time for different events. It is all a vital part of our club and being part of the Aladdin Shrine. A lot of hard work goes in to reach certain milestones in every endeavor we take. Lets remember, it's all about helping the kids.

Here are some dates to remember: July 23 - Stag Picnic; July 28 - next stated meeting. Don't forget to call in your reservation to Noble Secretary Dan Riddle at (740) 773-7433. I hope to see everyone at the next meeting!

First Lady Betsy Hathaway's Project

For the past several years, the Lady of the Potentate has sponsored a fundraising project to benefit the children in our hospitals. This year my project is to raise funds for the cleft lip and palate program.

Approximately 5,000 children are born with this deformity in the United States each year. This problem occurs when facial soft and hard tissues fail to fuse properly. This happens to one of every 750 live births causing conditions that affect, not only the child's appearance and self esteem, but the child's ability to speak, hear, and eat properly. In 2005, Shriner's Hospitals added this program which is a long-term commitment of care from birth to adolescence.

For a donation of \$20.00, you may obtain my shooting star pin. By doing so, you help support this worthy project. -Betsy Hathaway

Our unit is a performing unit and welcomes requests; contact our Director Zale Maxwell to schedule a performance. We love bagpipe music and want to share it with all who share the passion. It has been said the English gave the bagpipes to the Scots as a joke, but the Scots have not gotten the joke even after hundreds of years.

Don't forget that the annual Brutal Brothers Steak Fry will be at the usual place on August 6. The usual place is Dick Waller's lake and picnic grounds. We start with camel's milk at 4:00 p.m. and we eat around 5:30 or 6:00 p.m. Then, we just might milk those camels again. Come out and see all those friends you haven't seen since the last time. There might be a special treat from our chief and his staff, or maybe not.

Secretary Denny Feyh's leg is getting better, but it still aches if he stands on it too long. I just call that getting older. Hope everyone is enjoying the great warm weather, but not all the rain. Hug a farmer if you see one.

Chaplain's Corner

by Chaplain Zale Maxwell

I thought last month was going to be the end of the rain, and the weather would not be mentioned in my articles anymore this year. (Can you believe all this rain?) I have mentioned before that I live on a small farm and am a beekeeper. Well, last week I went out to the bee yard (apiary) and found the bees working and gathering honey so fast that I needed to add supers (stories) to the hives because they were running out of room. Wow, who would have thought that rainy cold, then rainy hot weather would lead to huge honey flows? In all of the flooding and windstorms we have been dealing with, including the loss of life and property, the honeybees have been flourishing. I am sure you can find beekeepers who will tell you a different story about how their bees are doing this year. Still, I am amazed at the plan the Great Architect has for us.

We get caught up in our busy lives and schedules, but He has a greater plan. Yes, we need to plan and schedule our lives, but let us not forget that God has a greater plan. A plan, which we may not know and are sometimes surprised by, but is a plan far greater than anything we can imagine. Each day we live is a present from the Father and we should

accept it as the gift it is, living it to the fullest. While humans may look at the weather as something to be overcome, the honeybee still gathers all that she can, storing for the future. She is taking advantage of the weather as best she can, not knowing what the future will bring, just knowing that the present is rich with nectar from the plants and trees and it is there to be gathered. The present is the time to build stores while the gathering is good. The future is unknown and will be lived when it becomes the present. Let the present be a glorious gift from God to be enjoyed to the richest.

For I know the plans I have for you, declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." (Jeremiah 28:11 NIV)

Tarhe Shrine

by David Mowry

Tarhe held its annual Brown Bag Auction on June 3 at Tammi Jo's in Lancaster. "Thank you" goes to all who attended and special thanks go to E. C. Babbert for agreeing to be our auctioneer once again. All of the proceeds from the auction will go toward our Tabloid totals.

Our next meeting will be on July 16. This will be our annual fish fry at the Baltimore VFW with a social hour at 6:00 p.m. followed by dinner and the program beginning at 7:00 p.m. Our program will be provided by Don Burns, a local magician and friend of Zale Maxwell. The fish fry is part of our effort to bring in new members to the club. If you know anyone who is interested in joining Tarhe, please bring him with you. All prospective new members will get to eat for free and we'll give them a free Tarhe T-shirt (while supplies last!). There is no limit to the number of guests you can bring. Anyone who is even slightly interested in joining will get the free meal. As I noted in last month's article, we need new members to ensure that our club can continue next year, and we need as many current members to attend as possible. So please make plans for the fish fry. Reservations for all meetings should be made by the Saturday preceding the meeting. Reservations can be made at 740-215-6849 or by email at tarheshrineclub@gmail.com. The cost of the meal is \$15.00 per person.

Our August meeting will be the afterglow for the Baltimore parade held on August 6 at the Baltimore VFW.

Remember, if you have questions about meeting dates, you can check Aladdin's website to see club and contact information, as well as upcoming meeting dates. Please take a look at it: <http://www.aladdinshrine.org/tarhe.htm>. You should also be getting reminder cards about all meetings in the mail. If you are not receiving your cards, please let us know so we can make sure we have an updated address for you.

Upcoming Meetings:

July 21, 2011 - Reservations due by July 16.

September 15, 2011 - Reservations due by September 10.

I hope to see you all in July!

Provost

by John Rohal

Well, here we go writing the article for the July Lamp. The 2011 Memorial Golf Tournament at Muirfield is now history, and surprisingly, the usual volunteer goofups did not live up to their past exploits. Only heard of one automobile mishap and that involved one of the Pros. Oh yes, there had to be at least one of those reports. On Friday, several of our Provost ladies were walking the course, and as they were walking past the party house gate cut on 18, they observed our security guard sitting on a chair, his shoes and socks on the ground, his feet high in the air, and he was applying sun screen to his legs and feet. (Good job, Jim.)

While checking some admissions jackets, we found several daily pairing sheets from June 4, 1992 in one of the pockets. And, of course, one of our volunteers had to get lost trying to locate his gate cut! (Sorry about that, Jerame.)

Our June meeting was opened with a prayer and the *Pledge of Allegiance* to our flag by Don Slemmer, which was followed by the usual excellent buffet dinner. Of course, some of our ladies went to their dinner at Max and Ermas at Easton.

Some of those attending included Dwight Radcliff, Robert Radcliff, Dennis Campbell, and recently reinstated Dennis Frey. Dignitaries included Past Director Bob Cannon and Past Potentates Dale Cline, John Rohal, and Dan Stainbrook. Noticeably absent was Assistant Director Mike Gray, who was making funeral arrangements for his dog.

Director Gene Steineman discussed the upcoming summer parades and will send emails for participation. He read a letter from Jim Hoops, Director of the Hospitality Unit, requesting donations for a roof top heat exchanger for our Shrine Center. The cost will be about \$16,000.00. Action on this was delayed until our September meeting.

Committee reports were given by Gary Hamre of the Initiations Committee about changes concerning what uniform equipment will be issued to new members, and raising the initiation fee to \$125.00. The changes were approved by the membership. Tom Rice discussed the Tabloid and advised that all monies were due by June 30. Dale Cline (clad in shorts and flip-flops) reported on the Muirfield detail and noted that this had been our 28th year on this detail. He advised that the 2012 Presidential Cup will be held at Muirfield in September and/or October, 2012. Charles Linek is still seeking volunteers for the Nationwide Golf Tour on July 18-24, and George Stowe reminded us of the unit's family picnic on August 6.

Celebrating birthdays in July are Robert C. Albright, Howard L. Beane, Michael R. Bowers, Donald L. Cox, John F. Demjen, Franklin D. Edwards, Herber M. Fellure Jr., Gary W. Hamre, Charles D. Law, Harry A. Lewis, James C. Light, Jon F. Rhoads, John W. Rohal, Malcom C. Talbot, William W. VanGundy, and Arthur L. Wilson.

Our condolences go to the family of member James W. Bell who was taken by the Black Camel, and to the family of our widow Marilyn Hill who passed away on June 14.

Hope you all have a great summer vacation. I am looking forward to our family picnic and the return in September.

Marching WITH THE LEGION

by Dick Luckay

Parade Report

Utica Ice Cream Parade - The weather was great, the crowd was of good size, and the Utica Ice Cream Parade lived up to its expectations and enjoyment. Ice cream was available prior to lineup and touched the spot as a mid-morning get-up-and-go. Aladdin was well represented and the Legion was present and accounted for. Leading the Aladdin contingent with the colors carried in full array were PC Dick Ollila and LNs (Legionobles) Jim Rock and Bob Krieger. PC Willie Fitchett and Commander Terry Kitchen were in the flag bedecked Jeep and accepted the applause and appreciation from the crowd as Aladdin passed in review. It was a good parade. The crowd was responsive and made Aladdin and the Legion feel welcome. An ice cream sandwich (or two) after the parade made for a very enjoyable and worthwhile venture for all who were able to be there.

Worthington Memorial Day Parade - The sky was a brilliant blue, the sun was shining in all its glory, and it was HOT! It was a big parade with a BIG crowd and Aladdin was there in full force. The Legion was at the head of the Shrine assembly with PC Dick Ollila, LNs Jack Davis, Bob Keieger, Jim Rock, and John Iben carrying the colors. PC Willie Fitchett drove the Jeep with Commander Terry Kitchen and LN Dick Luckay riding shotgun. It was a long parade and the 95° heat made it seem that much longer. But everyone made it through to the end – although there were several moments when a halt in the parade seemed to come at just the right time. There were American flags being waved by many in the crowd, and a number of signs thanking veterans for their service to the country were displayed. It is always good to be part of a parade when the crowd is large, enthusiastic, and appreciative. The Worthington Memorial Day Parade continues to meet those criteria and is a highlight of Aladdin's parade schedule. **Special Days for Special People**

Wedding Bell Memories will be the order of the day for Chester and Janice Van Horn (8/7) and Fred and Gail Kreutz (8/28). Hope you add a new chapter to your book of fond memories of the past. **Happy Birthday** wishes go out to Lucy Ozvat and Guy White, Sr. (8/5), Joann Bogart (8/9), Lil Woodworth (8/10), Judy Ferrone and Linda Pini (8/14). May all your special days be filled with love and happiness. God bless one and all.

Parade Report

What do you know – only one rainy day at Muirfield. But there was heat! Was there ever heat – especially on Tuesday! The troops in the parking areas and those sitting on the blacktop without any shade could testify to that fact without question. The crowds were down somewhat but it was still a special occasion. The Kinross Gate, the cart barn, the clubhouse, and several house pass-gates all were manned (and womanned) by Legionobles, their ladies, and friends. Special kudos are in order for all who worked out the schedule and plugged the holes when someone couldn't make it (at the last minute). Bob and Barb Faber deserve a special vote of thanks for their tireless – and ever present – efforts to ensure everything went in accordance to plan A – or plan B – or plan “ad infinitum” (which was the case). Thanks, Fabers, for a job well done. Of course, special accolades go to all those who were present and accounted for at their respective times. Thanks to PC Gary and Joann Bogart, Jack Davis, Glenn Ferrone, PC Willie Fitchett, Commander Terry Kitchen, Fred Kreutz, Bob, Nancy, Tim and Betsy Krieger, Dick Luckay and Sarah Wurdlow, Angelo and Mary Marinelli, Paul Nixon, Dick and Nancy Ollila, Harriet Allen, Jim and Linda Rock, Gary Schleich, PC Robert and Betty Jo Spencer, Bob Ward and Caroline Mullis, Fred Woodworth and Pam Boals and Jack Woodworth. Our special thanks and appreciation go to the twenty friends of the Legion who volunteered their services and stood their posts during the blistering hot, humid weather including the rain delay. We could not have done it without each and every one of you. Hope you all can assist us again next year.

PAST MASTERS

by Dick Bull

Many thanks go to those members who assisted in parking cars and working gate and fence cuts at the Memorial Tournament. We logged almost 1,000 man-hours for the week. Your help and dedication is greatly appreciated. The weather couldn't have been better.

Hazel James, first president of our Ladies Auxiliary, passed away at age 99 at Worthington Christian Village. She and her husband, Charlie Cummins, a charter member of our unit, hosted many unit summer picnics at the home on Flint Road in the 1970s and 1980s. After Charlie's death, she married Carl James who was a past president of our unit. She was a lovely lady and very supportive of our unit's activities. Our sympathy is extended to her family members.

Seven of our members and their spouses attended the Imperial Session in Denver. Our van was available for the parade and to shuttle people back and forth to events during the week.

We will be taking part in the Baltimore parade on Saturday, August 6. Lineup is at 9:30 a.m. and step-off is at 10:30 a.m. Afterglow will follow.

Be prepared for our annual unit picnic on Sunday, August 14 at Liberty Park at the southwest corner of Liberty and Home Roads in Delaware County. Dinner will be at 2:00 p.m. More details will follow in our unit's newsletter.

Art Lofton is in the process of undergoing corrective surgery for organ transplants they performed years ago. We wish him the best and trust that everything will be successful.

No unit meetings will be held during July and August. Have a safe and fun-filled summer.

Marietta Musings

by Don Chichester

Don't pay a ransom! The Marietta Shrine Club has not been kidnapped. We just couldn't capture a scribe to convey the activities of our club. Though not an experienced journalist, I shall endeavor to tell all in Aladdindom what is happening in scenic Southeastern Ohio.

First of all, the officers guiding our club in 2011 are President Derrick Wetz, 740 525-7338; First Vice President David Joy, 740 516-0691; Second Vice President Ray Haines, 740 629-5581; and longtime Secretary-Treasurer Elvin Tenney, 740-373-2900. Our website is www.MariettaShrineClub.org and was designed by Noble Todd Wetz.

As a point of interest, Noble Derrick is the fourth member of the Wetz family to serve as president of our organization. He follows his father, E. O. "Tag" Wetz, his Uncle Roy "Chip" Wetz, and his older brother, Evan Wetz, as leader of our club.

Some of our past activities have been our annual shrimp feed where our past presidents and P. P. Dale Cline prepared and served 500 pounds of nature's bounty to approximately 300 appreciative Nobles. On April 16 we held our 26th annual fundraiser. A huge “tip of the fez” goes to Roy "Chip" Wetz and Greg Heldman. These past presidents, with the help of their ladies Rilla and Jo, continue to make this a very successful event.

May found our Nobles on the streets of Marietta, Lowell, Beverly, and Newport distributing Tabloids. Thanks go to all who helped and to the businesses for allowing us to pass on our message at their establishments.

We participated in the Marietta Memorial Day Parade with the Shrine Belle, the little Fiat, and our yellow roadsters. Noble Orlan Bragg is to be commended for spending all winter repairing the Fiat. Thanks go Noble Orlan.

Second Vice President Ray Haines is our parade chairman. If you want to be notified of future parades, contact Noble Ray at 740-629-5586 and he will put you on his call list.

Potentate Steve Hathaway and his Divan made their annual visit to Marietta on June 17 at our facility. Everyone was served a superb prime rib dinner by Past President Garry Bonnette and his crew of trained chefs. Because of the Potentate's visit, our meeting on June 27 was cancelled.

The biggest event in the future is Family Night on July 25 at 6:00 p.m. This is always a huge event. Please bring your lady, kids, grandkids, friends, neighbors, and their kids. We always have a good time. We rent The Marietta Aquatic Center. As always, there will be plenty of burgers, dogs, and fixins' for everyone. This is a free event.

Other functions to keep in mind are the meeting on the August 22, the Washington County Fair Parade, Barlow Fair, Lowell Octoberfest, and the Parkersburg Homecoming.

As I said in the beginning of this ramble, I am not much of a writer. Hopefully, I will improve with experience. Until next time, keep the faith.

Gallipolis

by Frank Petrie, Jr.

It's summertime and the living is easy! Well, somehow that just doesn't compute around here with cutting grass, yard work, family get-togethers, club events, and social events. Where does the time go?

Even though we don't have the final tally on Tabloids, we certainly want to thank each and every Noble who helped this year. Our kids will appreciate your efforts.

Illustrious Potentate Steve Hathaway and the Divan came and put on a cold sands at our club on June 11. There were 19 candidates inducted. Sorry, I don't have all their names. We certainly wish to welcome all of them into the wonderful world of Shrinedom. Each candidate and about 30 Nobles were treated to a hearty breakfast of biscuits and gravy. Then it was right into the ceremony. Brutal Brother Brian Tabit gave each candidate a small taste of the warm sands. By the way, the full ceremony will be at Aladdin Temple on December 3 this year. Everyone is invited to attend.

On Thursday, June 16, a large crowd turned out to give a standing ovation and a plaque to Lady Jewell Evans, widow of Noble Bob Evans. Lady Jewell has been a great supporter of our Shrine activities – especially our annual fishing derby. Our fishing derby this year was another great success. One little girl caught a 6 ½ pound catfish – almost as big as she was. A “tip of the fez” goes to Noble Bob Donnett and his family and to Noble Eddie Fife, his family, and to all the Nobles who make the derby happen each year.

Don't forget the annual Stag Picnic on July 23.

Remember, Nobles and Ladies, don't let what you cannot do interfere with what you can do. See you for supper Thursday at 6:30 p.m.

NEWS FROM ERIE

Charity Golf Outing Was a Big Success

The third annual Shriners Hospitals Charity Golf Outing held Monday, June 27, was a huge success! Although the final figures are still being tallied, there is no doubt that Shriners Hospitals for Children® - Erie was the big winner!

A total of 95 golfers on 24 teams actually participated in the event, up significantly from last year. In addition, numerous Erie area merchants and businesses supported the golf outing by providing sponsorships or donating prizes, food and refreshments. Thanks to Rick Weaver Buick/GMC of Erie and Reed Jewelers, participants had a chance to win a new car, a Rolex watch and other great prizes for a hole-in-one on the par 3 holes. Although none of the prizes were won, their availability added to the excitement of the golf outing.

The Erie Shriners Hospital receives a great deal of positive community exposure through events such as this golf outing. While some Shriners play in the golf outing, many of the players are community businessmen and leaders. Having these individuals participate in the golf outing benefits the hospital in so many ways.

Make Plans to Attend Annual Hospital Education Seminar

Mark your calendars now for the annual Hospital Education Seminar at Shriners Hospitals for Children® - Erie, scheduled for Saturday, October 29. The program is tentatively set to begin at 10:00 a.m.

This educational seminar is designed specifically for the leadership at the 13 temples that are affiliated with the Erie hospital. Their ladies are invited to attend as well.

Specific topics for this year's seminar are still being developed, but you can be sure that participants will be receiving an update on the future direction of the Erie facility as it transitions to an ambulatory model. All affiliated temples are strongly urged to send representatives to this

October 29 seminar. You will be receiving more specific information in the mail soon.

Erie Hospital Begins Countdown To Revenue Cycle Implementation

The implementation of the Revenue Cycle process (third party payment initiative) is almost here at Shriners Hospitals for Children® - Erie. The hospital has been given a tentative "Go-Live" schedule of late September or early October. Erie will be the last hospital to "Go-Live."

A team of Revenue Cycle Committee members from Shriners corporate headquarters and PricewaterhouseCoopers (PwC) wrapped up a two-day visit to Erie in June, providing an overview of the initiative and meeting with key departments and personnel who will have important roles in the Revenue Cycle process.

To prepare for the implementation, the corporate Revenue Cycle Committee has reviewed and approved new processes and system changes, and has refined these processes based on "lessons learned" from the Phase I through IV hospitals. PwC utilizes the site visit to assess the hospital's readiness, create or recommend specific processes and finalize roles and responsibilities.

The Erie hospital's own Revenue Cycle Committee has been hard at work identifying operational issues that need to be addressed and getting the hospital ready for Revenue Cycle implementation. Staff specifically involved in the various Revenue Cycle processes will receive special training from the "Go-Live" team comprised of individuals from Shriners corporate headquarters, Information Services and PwC. This training will include area-specific desk manuals, process flows, education booklets for each function, webcasts and onsite training in specified areas. There is also a team of contact people at Shriners headquarters who will be available before and after "Go-Live" to answer questions and provide assistance as needed.

A great deal of preparation and hard work has gone into getting the Erie hospital ready for Revenue Cycle and the staff is excited about this new venture.

Aladdin Shrine Band

by Dave Haney

The cat and I have been banished to the garret to compose the monthly epic for the Aladdin Shrine Band. My Cleveland Indians are trying to avoid the "June Swoon," but they are teetering on the brink.

How many of you varmints knew who the first president to ride in an automobile was? Well, if you said it was anyone other than William McKinley, you would be wrong. Old Bill did it. He was from Ohio, too. I think it was probably a Honda, but I am not sure. Maybe a Chevy Volt? **Next Month's Question:** Who invented the first steering wheel? (It's what you steer your car with!)

In case you missed it, June has been "busting out all over." I'm talking about the weather, you big dummy—not Jayne Mansfield or Dolly Parton. More rain and wind stuff! Of course, the temperature goes up to the 90s just to dry up all of that stuff. Some old guy in a big boat with lots of animals in it went by my house the other night. I wasn't in there and I didn't see you either! We are in big trouble here!

By now you have survived Denver, Colorado. First time a group was given a prize to leave the city! Don't forget the "morning after the night before" picnic for all band members and their ladies.

We will now be entering the parade season, so fasten your seat belt. See if you can find that plumber's tool you blow in and get out there! The drummers of the world anxiously await your presence!

Schedule Things:

July 12 - Summer Picnic. Don't miss this one!!!

July 19 - Possible Concert – Clippers Night

July 26 - Possible Concert – Rest Home - I don't know what a "possible" is so I asked Green Eyes. I got the slow blink I get when I asked stupid human questions. "It is a small animal that everyone runs over on the road at night." So there you have it.

August 6 - Baltimore Parade for the Dixieland Band

August 19 - Bucyrus Parade. Music, beer and brats!

September 3 - Portsmouth River Days Parade - Dixieland Band

September 6 - Concert Band Rehearsal - 8:00 - 9:30 p.m.

September 13 - First Community Village Concert

September 20 - Dance Band - 7:00 - 9:00 p.m.

September 27 - Exec. Board Mtg. - 7:00 p.m. - Concert Band - 8:00 - 9:30 p.m.

Intellectual Stuff:

The word for this month was sent to me by Jim Strouse. Erstwhile trombone, baritone, trumpet, piano, and struggling Alpine Horn player, Jim said he didn't have enough wind! That ain't true brothers.

The Word of the Month: Paraprosookians. If you do this you will have to clean it up. Tear the top off a 2011 Buick and send it in with 500 words or less covering your explanation. Tune in next month for the exciting conclusion.

The Monthly Quote At the End: "The last thing I want to do is hurt you... but it's still on my list."

Reception Unit

by Don Owens

The last Reception Unit meeting of the season was held on Saturday, June 19, and consisted of a breakfast with the ladies present. Since the ladies have favored us with their presence for the last three meetings, it appears we have established a trend. In any case, the meeting was well attended, the breakfast was very good, and goodwill abounded.

A recent accident involving a folding table and a cart did significant damage to the unit's display case located in the Shrine Center hallway. Mike Johnson and Jack Davis volunteered to restore, clean, and update the case. Bill and Linda Loomis helped, too, and contributed a mannequin to display the unit's formal dress. The general assessment of the result is that it looks great, as attested to by the accompanying photos. Maybe the accident was a stroke of luck. Thanks go to Mike, Jack, Bill, and Linda for a good job.

To commemorate the success of our recent Vidalia onion fundraiser, Jack Bonn gave an onion cooker to all who participated. Having tried mine, I can report that it works well.

Upcoming events for this summer include the official parades at Baltimore (August 6) and Bucyrus (August 19), followed by the ever-popular Classic Car Cruise-in and Chicken/Corn Roast on August 20. The Stag Picnic is scheduled for July 23.

Birthday celebrants in July include Bill Bickel, Jack Bonn, Charlie Essex, Carl Riley, Richrd Sheridan, Ed Smith, Jim Sturgeon, and Ralph Vaughn. Congratulations go to all.

Licking County

by Franklin Bonner

Many Licking County Shrine Club Nobles have donated their time, talent, and free afternoons and evenings to make the 67th Annual Mound City Baseball Tournament another resoundingly successful, youth-orientated event.

Fifty teams of 8-10 year-old youths, coaches, and parents, and 36 teams of 11-12 year-old youth, coaches, and parents will have visited the Mound City complex for this annual event. Noble Terry Hill, first vice president of the Licking County Shrine Club and event chairman, reports that the following Nobles were instrumental in this year's successful event: Nobles John Rine, Dan Bounds, Ben Thomas, Lewis Unternaher, Robert Thomas, Herb Wise, Richard Carter, Rich Denny, Franklin Boner, Jerry Graft, Gene Gregory, O.K. Waters, Tom Cline, Mark Appleman, Jim Conrad, Terry Hill, and several wives and significant others.

The annual club sponsored appreciation dinner for all Nobles and ladies will be held July 16, 6:00 p.m. at Stacy's Homestyle Buffet, 833 S. 30th Street, Heath. Nobler Gene Gregory, MSA, PP, will be soliciting volunteers for the next major Club event, the Hartford Fair at Croton on August 6-13.

Hardin County

by Morris Johnson

On June 15, the Hardin County Shrine Club hosted Potentate Steve Hathaway and his Lady Betsy, along with 49 members of the Divan, staff and their ladies. Noble President Carl Musselman gave opening remarks. There were 81 Hardin County Shrine club members, spouses, and guests present as well. The event was held at the Community Building at the Hardin County Fairgrounds.

A round of applause was given to our kitchen crew for a delicious meal served and prepared by Nobles Matteson, Gilbert, Walden, Rice, Doombos, Jolliff, Wynegar, and Michels. Aladdin Chaplain Zale Maxwell gave the opening and closing prayers.

Divan Representative Michael D. Tyne introduced members of the Divan, staff, and their ladies. Noble President Carl reminded members that more Nobles and ladies are needed to sign up and work cooking and serving the Relay for Life Breakfast on July 23 at the Hardin County Fairgrounds. If you can help, contact Noble Carl at 419-673-0171.

Noble Morris Johnson gave a final Tabloid report. There were \$7,695.00 turned in for this year's Tabloid Day, about \$500.00 more than last year. Tabloid co-chairmen, Noble Ron Smith and Noble Johnson thanked all 47 Nobles who helped in any way.

Noble President Carl made a presentation to the Potentate for Aladdin. President Carl gave Lady Betsy Hathaway a donation for her project, the cleft lip and palate program. Lady Betsy presented Lady Nancy Musselman with one of her pins.

The Potentate gave a short report on the cost cutting efforts at the Aladdin Shrine Center. He also stressed the importance of getting new members to join the Shrine.

Aladdin's CHANTERS

by Deron Ponn

The Chanters have been practicing to participate in the choral competition at the 2011 Imperial in Denver. Those going to Denver to represent Aladdin are Danny Clifford, Bob Smith, John Iben, Arnie Fuller, John Ash, Larry Wills, Charlie Wesley, Deron Ponn, Al Nelson, Bill Wersching, accompanist Jenna Ash, and director Rosemary Renschler. The group will be singing "Black is the Color of My True Love's Hair" arranged by Victor C. Johnson, and "Joshua!" arranged by Kirby Shaw. The quartet, consisting of Danny Clifford, John Iben, Arnie Fuller, and Deron Ponn will perform "Darkness on the Delta" and "Yes Sir, That's My Baby."

In other news, some members of our group have recently been hospitalized. We hope that Dan Stainbrook, Ralph Hughes, Brent Wilson, and Roger Nelson are all back on their feet soon.

Just Clowning Around

by Wayne "Wayno" Shriver

Tim "Timmers" Jones Awarded the Bill Ralph Award

At our last meeting, Tim "Timmers" Jones was awarded the much sought after Bill Ralph Award. The Bill Ralph Award, for those who don't know, is awarded to the ring clown, who screwed up the most during the circus. Timmers won this year for creating a new type of classification of clown, the Light, White Face. On several occasions Timmers was so excited about the skits being performed that he left for the stage early. In his haste, he forgot to put his nose on! Say it ain't so!

Bobby "TUITT" Barton, who has been a clown since I have been in diapers, if not longer, decided the "ultra lite auguste" look was the way to go for the Utica parade this year. What is the "ultra lite auguste" look, you say? Well, let's just say Bobby forgot all of his make-up. I heard that before the Memorial Day Worthington Parade started, he was out in the crowd asking to borrow lipstick, eyeliner, and rouge.

If you are new to Aladdin Shrine, or have been a member for awhile, and haven't joined a unit yet, check us out. We play hard, work hard, and have tons of fun! Who knows, you might even find your name here.

Remember those who are under the weather with prayers and thoughts of kindness. I will be out the whole summer with a second surgery on June 29. We have some other Joeys who are on the mend as well. E. C. Babbert has been in the hospital; Bill Baker has been under doctor's care and Ralph Hughes is in an assisted living center after a fall. Please keep Tom Wade and his family in your prayers, as well. They have had a great deal of adversity in their family these last few months.

A journey of a thousand miles begins with a single step. Your Masonic journey started in your Blue Lodge, so please visit them.

Worthington

by Bob Stevenson

Well, we went dark after our June 2 cookout. So, in honor of that, we were "dark" in the last issue of the *Lamp*, as well. But now, I am reminded it is time to update the news from Worthington Shrine Club.

First is Tabloid. There was great success with \$12,625.00 turned in to Aladdin for this year's effort. Thanks go to all the Nobles and Ladies who made this happen and thanks go to Noble Jeff Bohenko and Lady Darla for leading the charge. It has been tough economically, and we are delighted with our results.

Second is Muirfield. We did it. Thanks go to Nobles Ken Sparks and his faithful companion—oops, that was Tonto—understudy, Darren Harder. This year was tough filling all the slots but it looks like we made it. We will await the financial results of our efforts in next couple months. By my estimate, the crowd was much smaller than in years past. It was too bad, as the weather was about as good as Old Chief Leatherlips permits. Those who worked, or attended, saw a lot of good golf.

Coming Attractions - The August 4 meeting will be our picnic at Noble Wade and Lady Lucy Grosz's backyard. I assume, since the police did not have to come last year, they felt it was safe to host it again. Watch for details in the coming newsletter (and hopefully no film at 11!).

The September 2 meeting will be calling all college football fans. Our guest speaker will be Don Bauer who, for many years, has been a Big Ten referee and also served as a supervisor and other jobs. He will discuss what goes into each game, and what it takes to be a Big Ten or major conference referee. There is so much to it, it is hard to believe. I guess I always thought they just left their glasses in the locker room for safe keeping and went out and blew whistles and threw yellow thingies. How wrong I am! Join us at Brookside that evening. I know you will enjoy hearing Don and meeting Lady Paula. Those who have lived in the Worthington area for any length of time will probably know them. Come say hi and have an enjoyable evening.

Worthington Shrine Club meets the first Thursday for dinner at Brookside Golf and Country Club.
