Shriner Imperial Session 2010 Recap

by Donald Goodman P.P., Recorder

In an attempt to keep the Nobility up to date on what comes from the Imperial Council each year, I will synopsize some rather interesting and important concerns.

First, it would be remiss to not say thanks to Illustrious Sir Bill and Carol Estell for hosting a fine session and breakout time. The hotel was fabulous and the work done by Chief of Staff Art Wilson and his Lady Kim, Housing Chair Jeff Kopp and Donna and all the members of the staff was most delightful. Thanks go to all who contributed to a great session and time together. The parade was a day parade and was well attended and hot!

Some Announcements of Importance

Imperial Session July 3-7, 2011 - Denver, Colorado with Imperial Sir Mike Severe

Imperial Session July 1-5, 2012 - Charlotte, North Carolina with the parade tentatively scheduled for evening time of July 4 - Imperial Sir Al Madsen will be hosting.

Imperial Session June 30 - July 4, 2013 - Indianapolis, Indiana with Imperial Sir John Cinotto

Imperial Session July 6-10, 2014 - Minneapolis, Minnesota. with Imperial Sir Dale Stauss

Imperial Session July 5-9, 2015 - Houston, Texas with Imperial Sir Jerry Gantt.

Delegate Attendance

There were 780 delegates in attendance for the Iowa Corporation (fraternal side) and 485 representing the Colorado Corporation (hospital side) at this session.

East-West Shrine Game Emphasized

The East-West Shrine game will be held on January 22, 2011 and will be televised across some ESPN stations. If you can't attend in Florida at the Citrus Bowl, then it could be watched on television. As we all know, this is referred to as the Shrine's window to the world and helps raise both attention and resources for our hospital programs.

New Imperial Sir

Imperial Sir George A. Mitchell from Rameses Shriners was installed as the new Imperial Sir and chief executive officer of Shriner's International. He is a spirited and high charged person who has high hopes for the fraternity, and with the support of his lady Deanna, who is emphasizing membership, we all can expect great things this year.

Congratulations also go out to Imperial Sir Jack Jones who served in splendid fashion and will be returning to the position of Imperial Recorder (elected).

Two New Shrine Centers

We now have two new Shrine Centers which were under dispensation and at this session were granted official charters. They are Al Rai'e Saleh Shriners of Puerto Rico and Mabuhay Shriners of the Philippines. Our total number is now 193.

Under dispensation for the coming year is Emirat Shriners of Heidelberg, Germany. If all the requirements are met, they may become our 194th center at the next year's session in Denver.

NOTES FROM THE POTE

RANDY RIGGLE will be at Aladdin on October 6. This will be a wonderful show and one not to miss. The cost of \$25.00 per person will provide you a nice dinner and a walk down memory lane with Randy. I would like to see as many Masons and Ladies in attendance. We are working with the Scottish Rite to try to bring everyone together for a night of Masonic unity. Please go back to your lodge, club, or unit and tell members about this event. Details are in the *Lamp*. I would like to see a capacity crowd in our ballroom.

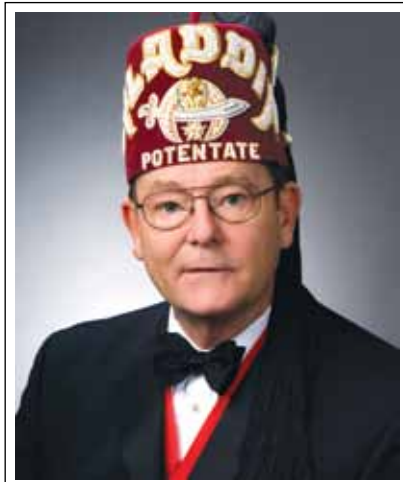

Don't forget the Chicken and Corn Roast, the family movie night, and the family Halloween party. These are all nice events to which you can bring a non-member and his family. Details of these events are in the *Lamp*.

The fall, full Ceremonial will be October 2. Get a petition and bring a new member to the Shrine. We need new members to keep our Shrine going strong. Visit your lodge, talk about our events, give an educational program on what we do for children, and ask someone to be a Shriner. This is what has to be done to get a new member. We are all ambassadors for the Shrine.

To the directors of Aladdin units, there will be a directors meeting on September 22 in the Aladdin Room. There will be a social at 6:00 p.m. with cash bar, and the meeting will begin at 6:30 p.m. with pizza provided. Bring any items you wish to discuss.

Upcoming Visitations:

Aug. 25 - Gallion Visitation, Aug. 27 - Baldwin Visitation, Sept. 1 - Hilltop Visitation, Sept. 7 - Flying Nobles Visitation, Sept. 16 - Motorcycle Visitation, Sept. 24 - Reception Unit Visitation.

Birthday Corner

This is a special month for 16 of our Nobles. Think of them as they celebrate. These Shrine Masons represent 1,505 years of life and 659 years of service to Aladdin. Best of all and a lesson to us all, every one of these Nobles has paid his 2010 dues. Many have done so for fifty years or more.

MEMBERSHIP ON THE MOVE by Calvin Smith / Membership Marketing Director

It's already the middle of August. Hot, humid and lazy times are on us. Youth and high school football, Ohio college and university teams are hard at it, and the NFL is ready to go. They'll be playing for keeps soon. I know I'm ready. I have a wide screen, a comfortable chair, and a bigger snack table. Talk about ready! However, I'm still available on my cell phone, if you need to talk, 614-580-1220. You'll need to use it on home OSU dates for sure. I intend to be in the "SHOE."

The Fall Ceremonial - I am not just ready for football, I am also ready for our October 2, full-dress Ceremonial. Now is the time to get that candidate ready for creation as a Noble in the Aladdin Shrine. The Ceremonial fee is \$204.00 if a fez is not required, and \$274.00 if one is needed. Both fees include \$74 for the candidate's 2011 dues. The petition deadline is 4:00 p.m., Monday, September 27.

We can no longer leave the business of membership to someone else. Each one of us must help.

I have said it before and I will not stop reminding you that our membership is critical to the future of Aladdin and to those children who need our assistance. Many lodges have held one-day classes and others will conduct them this fall. There are numerous new Masons who represent prospective Shriners. Need recruiting materials? Contact me at the phone numbers below or by e-mail, csmith@aladdinshrine.org. I will respond.

Become a recruiter supreme. Earn a reduction in your dues for each new candidate you top-line sign who completes the October

Ceremonial.

Time to Pay Your 2010 Dues is Getting Short - If you do not have a dues card for 2010, you should send us your 2010 dues now. Jim and I are here to assist you with your questions. Give us a call at 614-475- 2609 ext. 10 or 27. If you live outside Franklin County, call us toll free at 800-475-3850 at the same extensions.

Annual Housekeeping Stuff

- Be sure you maintain your current postal address and phone number with the office. You can do this by calling, emailing, or by using the website.
- If you are snowbird out of state, call and talk to us about your winter address.
- Do we have your proper email address? Just email me at csmith@aladdinshrine.org. I will check it for you.

Calling All Ladies - Fun Night Continues

Hope you all have had a great and fun summer, but all things must come to an end. The fun can continue!

Come out to the Shrine Center on the third Monday for fun. We start back up on Monday, September 20. A light supper will be 5:00 - 7:00 p.m. (Please make your reservation with Lady Carolyn Dickson, 614-878-0529 by September 15.)

Fun and games are from 6:00 - 9:00 p.m. Bring your Noble to this meeting and join us in the Oasis Room.

Come when you can and leave when you must! Looking forward to seeing you then.

Helping children and still having fun!

Aladdin's *Tabloid Times* by Bob Stevenson

"Either this wallpaper goes, or I do!" - said to be the last words spoken by Oscar Wilde

Literally, I have held this quote for years, just waiting to use it. Let me assure you that, unlike Wilde, I am not dying but just stepping down as Tabloid Chairman. What a great excuse to use this quote!

I would like to give Noble Tom Rice my best wishes in chairing the very best activity in all of Shrine, not just Aladdin, but everywhere! I stand ready to help him in any way he might need me and I know each of you do as well.

The Nobles and Ladies of Aladdin have worked hard to become one of the premier Temples in money raised via Tabloid (or paper sale as its known at Imperial) in all of Shrine. You are all to be congratulated for so much effort for so many years. Let's review the numbers:

2010	\$ 253,860.91
2001 -2010	\$3,255,413.78
1978 -2010	\$6,204,107.85

Any way you slice it, those are awesome numbers, so TAKE A BOW!

In last month's issue, I promised to do a top 10 list of things to really do with leftover Tabloids. We miss a big opportunity when we just pitch them. So here goes (and by the way, any you choose are the automatic #1 ideas; hence, the number system).

1 - Leave in barber or beauty shops. 1 - Leave in doctor/dentist/vet offices. 1 - Leave at auto repair and oil change shops. 1 - Leave

with principals and staff of local schools (Who better to know who might need help?). 1 - Leave with local pastors, priests, rabbis, for same reason as last one. 1 - Leave at local Blue Lodges. 1 - Leave at local golf courses, bowling alleys, anywhere where people play and also sit around and wait. 1 - Leave at dry cleaners, grocers, and other places where local type newspapers are left. 1 - Leave at urgent care places. 1 - Leave in drug stores where you wait for your prescriptions.

Finally, the 11th of the top 10 (that's big 10 math!). If you have a business, have some there where your customers can see them and take them. And the bonus idea, put some stickers on them with a local contact name and phone number. Who knows, you might get a new Noble out of it.

As George Gobel used to say, "Well, I see by the old clock on the wall, it's time..."

But I do want to leave you with this one final challenge as Tabloid Chairman. In the coming years, please redouble your efforts, do all you can year round, do new things, try new ideas, and make Aladdin Tabloid under Tom Rice so successful, no one will recall that Bob Stevenson ever had anything to do with Tabloid. To me, that would be the greatest reward of all!

Gads, this wall paper really is awful....I'm outta here!

Shriner Imperial Session 2010 Recap

Continued from page 1

Protocol Committee

The Protocol Committee, under leadership of Imperial Sir Jeff Sowder, announced that for all other Shrine centers, the national colors of the United States should be displayed along with the colors of other countries which have charters.

At the Imperial Council sessions, all flags from the United States, Canada, Mexico, Puerto Rico, and the Philippines will be displayed. At Association meetings, only the flags need to be displayed of those attending.

Items Voted Favorably

Article 101.3 - The definition of "state" was expanded to include locations outside the North American borders and be more consistent with Imperial by-laws.

Article 208.6 - This creates a new standing committee, the International Standing Committee, that would reevaluate, modify, or establish jurisdictional lines in states where a Shrine temple hasn't been chartered.

Article 327.8 - This article defines the elected board of directors having the power and responsibility, similar to other boards of directors, for non-profit organizations except as would otherwise be provided for by law or by-laws of temples.

Article 337.1 - This gives the Imperial Potentate the authority to authorize and supervise the organization of Nobles into Shrine clubs in states where no temple is chartered.

Resolution Passed to Allow Corporate Name Change

Resolution passed that authorizes the General Counsel to follow all procedures and file all documents necessary to change the corporate name for the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America to simply Shriners International.

This was also approved by vote to pertain to the Colorado Corporation as it pertains to Shriners Hospitals for Children, to accommodate the name change in respect to the Iowa (fraternal) Corporation adoption.

Proposal Defeated

A vote defeated a proposal that would have considered the Temple Recorder as the chief operating officer under the direct supervision of the Potentate. This was submitted by Al Bahr temple.

There were some other minor items that were either withdrawn or tabled. But, all in all, it was a productive session. Any questions on items on the call should be referred to the Potentate, or Recorder.

These notes are provided for the general Nobility of Aladdin and are only as recalled during the entire session.

Past Masters

by Dick Bull

Sadly, we report the recent death of Lyn Marsh who struggled with cancer for some time. He was not too active in our unit but was well-known for portraying Zerubbabel in the Scottish Rite 15 °

-16 ° reunions for many years. This is one of the most difficult parts in the ritual. Our deepest sympathies go to his family. He was only 67 years old.

Many thanks go to Gary Fortner for driving our van to Toronto for Imperial Session and to P.P. Gary Parks for arranging our unit's dinner at Badah's Restaurant. It was one of our best get-togethers we have had.

Seven of our members participated in the Plain City Steam Threshers Parade. Again, Gary Fortner was in charge of the van in the absence of Don Forquer.

We attended the parade in Baltimore on August 7 and will attend

Bucyrus on August 20.

Our annual summer picnic will be at Liberty Township Park on Sunday, August 15 with John Sanborn in charge of arrangements. Charlie Neff is in charge of bingo in his own inimitable way. Many thanks are extended to all who assisted in preparations and to all the ladies who will furnish the pot-luck food and desserts.

We need members who are interested in participating in the Reception Unit's sponsored "In The Know" competition in September. Please call Dick Bull, 614-451-3920 (H) or 614-296-9267 (Cell) if you are willing to participate. So far, we have two who have agreed to be involved. We need four more. Call Dick by the end of August.

Jim Stewart in Logan is experiencing some walking problems. He is now 89 years old and uses a walker. Daryl Metcalf is recovering from two out of his three hernia surgeries. The "velcro" let loose on one repair job and is needing to have that replaced.

Alice Bontrager is still awaiting some serious back surgery to repair three vertebrae. Pat Whittington is improving from a bacterial infection. Ed Holter continues to struggle with multiple health issues. John Price is experiencing health problems and is utilizing a walker at Scioto Retirement Village. All our people with illnesses need your thoughts and prayers, as well as phone calls and cards.

Chanters

by Deron Ponn

The Chanters Chorus and Quartet have done it again. For the second year in a row, both were judged to be the best in each of their categories at the 2010 Imperial in Toronto, Canada.

The win by the chorus was by a very narrow margin – 5 points separated them from second place. The quartet, which consisted of John Iben, Danny Clifford, Arnie Fuller, and John Ash, was so awesome that there were no other groups willing to challenge them.

Both groups put in a lot of hours learning the music and practicing. Of course, none of these accomplishments could be possible without our director, Rosemary Renschler, and our accompanist, Jenna Ash. Congratulations go to everyone who participated.

The Chanters will get a short summer break and then must prepare for sing-outs in the fall and start preparing for the Denver 2011 Imperial. Can we hold both trophies for three consecutive years? Only time will tell.

Bill Wirsching is recovering from open heart surgery. Bill, we all wish you a quick recovery and hope to have you back with us very soon.

The annual golf outing will be at Willow Run on August 18.

REGISTRAR

by Buck Boyd

It's late summer with lazy, hot, steamy days that have almost everyone trying to find the coolest spots. Pools are full; cold drinks are in demand; shorts and tank tops replace slacks and button-down collars. Even when going to dinner or church, dress attire seems to be a thing of the past with summer trends finding a foothold year round. Most of us are guilty of going with the trend instead of taking the time-honored way and dressing up for an occasion.

When I was a youngster, every man in church wore a suit and tie; women wore dresses and hats, and you knew it was a special day and place. Now, I'm not suggesting that today's church goers are not just as reverent as those in the past, but it seems society is going for the easy relaxed way. Pride in a job well done, pride in appearance, pride in family, and pride in the values that makes us the most precious thing on earth, seem to have eroded to the point that some think everything on this planet is more important than man. Just look at the people, young and old, any nationality, race, or creed, how overweight we have become. TV dining has replaced the family meals and fast food quick stops have replaced the family outings. There seems to be no end to our compromises for convenience, time, and money.

I am not writing to create controversy, pass guilt, or disrespect anyone, but I see a need to look at our situation as men and women, and suggest maybe we should slow down, enjoy the little things in life, get back into dressing for the occasion, and show our children that sometimes we need to put in that extra time and attention.

As members of one of the greatest organizations of brotherhood and charity, I am proud and respect the traditions we hold dear. When someone suggests we don't need to wear unit colors or dress in formal wear for an event, let's remember that is what separates us from being just a club. We should be proud of our difference.

With participation in parades, community events, fairs, and such, we set an example that everyone can see. Tradition is alive, and because of that, take comfort in the knowledge we will always be there to help our fellowmen.

Ross County

by Jay Morgan

We had a great meeting of the club on July 22. Despite the high temperatures and the humidity, we had 53 Nobles present.

The pledge was led by President Terry Morris and the invocation was given by Noble Brad Burns. We had a great meal prepared by Noble Mike Haller. The help in the kitchen was provided by Nobles Dave Patterson, Dan Riddle, Graham Thompson, and Ron Miner. The dinner consisted of rib eye steak, corn on the cob, mashed potatoes, gravy, and pie. We circulated a birthday card for one of our oldest members, Noble Ronald Montgomery, who was 92 on July 24.

The summer months are very busy for our club. As of this writing, we are preparing for the Ross County Fair. Noble Don Morris heads up the ice sales and Noble Gary Scott makes sure the concession trailer is running up to speed. I would like to thank all Nobles who help with the ice sales and the melon booth. This is one of our major fundraisers for the year to help keep the club up and running.

On October 2, we will have a yard sale at the club. Members are urged to see if they have anything they can contribute. More details will be available.

Brutal Brothers

by Ron Martino

The Black Camel has visited again. On July 1, Robert K. Mullins demitted to the Celestial Lodge. He was 92 and became a member of our unit in January, 1969 and served as our treasurer for 14 years. He was a true gentleman in the truest form. Our condolences go to Betty who will forever be a Brutal Brother sweetheart. Bob was a retiree of Battelle Corp. where he was employed for over 47 years. My personal feeling of Bob was that he was the sweetest man I have ever met.

I got word from Bev that Frank Healy went back to the hospital to get scar tissue removed from an earlier operation. That happened on July 9 and as I write this, he is doing well and getting better at home. Get well quick, Frank.

Harold Linebaugh went to Riverside Hospital on the July 11 with pneumonia; as of July 20, he is in the Arlington Court Rest and Rehab Center. He doesn't like the fact they don't have a happy hour.

Dick Slagle is still recovering at home. Get well quick.

Our condolences go to Honorary Member Ted Eisleben on the passing of his father.

PP William Selsam, Secretary Denny Fyfe, and Chief Brian Tabit attended the meetings and parades at the Imperial. It seems they had a hot ole time as the temperature was higher in Toronto than Columbus.

Letters have gone out for the trip to Cincinnati hospital visit and Red's game.

By the time you read this, our annual Steak Fry will be history and again we had great fun and hooked up with those folks we see all too little of during the year. Yea, I'm talking about myself.

Thanks go to our Chief Tabit for bringing his golf cart to give rides from and to the parking lot for those who needed it.

While attending Bob Mullins visitation on July 5, we got to visit with Bob Radcliff who was an active member for years. Bob, it was great to visit with you.

Bucyrus Parade is August 20 and Jake and Larry will need drivers.

Steubenville

by Anthony Violi

The meeting of the July 1 Steubenville Shrine Club was called to order by Club President Richard Hazelip at 7:30 p.m. in our own Aladdin Land. He led the Nobility in the Pledge of Allegiance to our great country. Prayer was offered by Chaplain Noble Richard Moffatt.

The Black Camel visited our club taking Noble Mike Wadas to his eternal resting place. May God watch over him and grant him eternal peace.

The minutes of the June meeting and the treasurer's report were accepted as presented. The Nobility was informed that more riders are needed in the Motor Patrol in order to make a good appearance at the parades. Nobles, if you are able, consider joining. Bikes are available.

Noble B. J. Johnson, transportation chairman, informed the Nobility that he transported a child from Steubenville to Erie on June 22. The child was admitted for an overnight stay. B. J. had to return the next day to bring the child home. The child returned to Erie on July 2 for further treatment.

President Hazelip complimented B. J. for aiding our children for 27 years. He informed the Nobility that, because of age and health problems, B. J. needs help in driving the children to the hospitals.

Hocking Hills

by Richard Aldridge

We hope all our Nobles are enjoying their summer.

I want to thank Noble John Hockingberry for doing the meeting for me this month. I know we have short meetings during the summer, but we needed to get some information out to you.

On September 25, we will have our golf outing at Brass Ring golf course in Logan. The cost is \$60.00/person and will be a 4-man scramble format to benefit the club. You can call Nobles Jim Swain, Dave Driscoll, or Dave McDonald for more information.

In October we will have our 20-year celebration for the club. Details, as they are finalized, will be in the next edition of the *Lamp*.

Enjoy the summer, Nobles, and see you next month!

Nobles, remember our philanthropy; offer your services if possible. B. J. also informed us that June 6 was hospital day in Erie and that Noble Craig Gorney, the Potentate, and members of the Divan attended.

We discussed methods to increase our membership. A committee will be formed to contact newly raised members of the "One-Day Class" to inform them of the Shrine. Those interested will be transported to Aladdin Land to show them our great facilities.

Building Chairman Noble Jim Halstead said he worked on electrical switches in the upstairs kitchen, replaced belts on the tractor, and mowed the area. He should be commended for all the work he does to keep our facilities in top condition. On behalf of the club, "Thanks, Jim."

Tabloid Chairman Noble Bill Alexander reminded the Nobility that an extended Tabloid Day would be held in July at a local establishment and help would be needed to make the day a success. Again, Nobles, do some volunteering.

Local lodge reports were given. The 25- and 50-year Shrine members were acknowledged. A closing prayer was given by our chaplain. Delicious refreshments were available. Fellowship followed. GOD BLESS AMERICA!

Patrol Marches on...

August is here; that means Ohio State football is not far away. Let's hope the Buckeyes come home with a National Championship this year!

We had our Appreciation Get-Together on July 12 at Aladdin's Oasis Room. Great food and friendship was the order for the evening with 21 in attendance. "Thank you" goes to all for volunteering and to those who attended.

Jerry and Nadine Hampson were both in a nursing home. Nadine is home now and doing well. She is still having a little trouble but getting along okay.

Patrolman Bill Perman was med-flighted from Palmetto, FL to Columbus on July 12. Bill is under hospice care and on oxygen 24 hours a day. Bill hasn't been active in the Patrol for a long time, but many of you may still remember him and Ruth. Not much else to report, but if anyone has anything, please call or email Arlan Thorley. Try to stay cool until next month.

Hardin County

by Ken Rossman

Our regular meeting was held on July 21 at Veterans Memorial Park Clubhouse with 50 Nobles in attendance. Noble Roger Rosebrough opened our business meeting with a prayer. President McKee led us in the Pledge of Allegiance.

McKee asked all of us to help find a Noble to take over the Relay for Life project. Noble Musselman has had this job for several years.

Noble Don Doll noted that we sold 457 bags of onions and did well financially. He noted it's possible that we may have other Shrine Clubs join in this project. A motion was made and carried to sell onions next year.

We are doing well with our Cans for Kids project and the price is up for the cans.

President McKee read a thank-you letter from Potentate Estell and his Lady Carol. McKee read a note about a golf outing on September 23. Anyone interested should contact McKee for more information.

Noble Rossman gave his final Tabloid report. We ended with more money but the Cans for Kids greatly increased over last year. Rossman noted that we needed more help in the city. Hopefully, we will do better next year. President McKee said he thought we should have more help for Tabloid Day. He also said he understands that there are many reasons why some people don't help, but he is sure that next year we will do better.

Noble Rossman closed our business meeting with a prayer.

We then dined on a great meal prepared and served by Nobles Doornbos, Rice, Osborn, Matteson, Gilbert, Ridgeway, Garmon, and Tim Jolliff. Thank you, Nobles, for a great meal.

We must always remember the words of our Potentate - Aladdin, Building a Man - Helping a Child.

Just Clowning Around

by Jeff "Cee-Jay" Carter

Can you believe the dog days of summer are here? Hello, again, Nobles, It's been hot, humid, and it still beats snow. Your clowns are still moving right along.

The Clown Ladies Party is over. Hope everyone had a good time. The food was pretty good and most folks enjoyed the entertainment. What else can you ask for?

Congratulations go to Skippy Degonia for receiving the Aladdin Shrine Meritorious Service award. He has worked very hard this year for the unit. Thanks, Skippy, your fellow clowns appreciate all your hard work. Thanks also go to Ill. Sir Bill Estell and his Lady Carol. The ladies party is also our annual visit from the Potentate and his Divan members. They all seemed to have a wonderful time.

Oh boy, the Hall Of Fame Parade is here. By the time you read this, your clowns will have made the trip to Canton for one of our biggest parades of the year. We all look forward to this trip. We have four-star accommodations each year – that is if your A/C works and you're not over powered by the mold.

We have picked up a couple of apprentices, but we still have room for more. If you would like to be a member of the Clown Unit, check out our website – aladdinshrineclowns.org

In closing, I would like to thank all of you for the encouragement you have given me while writing this article. I am turning the duties back over to Matt "Nutt " Knight. It's been real, it's been fun, and some times real fun. Thanks all!

Flying Nobles

by Lee McKelvey

Our July meeting was scheduled to be held at Urbana. We had planes flying into Urbana but the airport was overcast and nobody could make a safe landing so they returned home. The sky was clear in the Columbus area but Urbana was not good. I'm told this often happens in that area. Our August meeting will be at the OSU Airport.

By the time you read this, the Oshkosh trip will be over and we hope everything went well. I'm sure David Ray will be planning another trip back to Oshkosh. He has made over 30 trips.

Dave has been our secretary/treasurer for 15 years and he is a worker for anything he gets involved in and is always working the Shrine jugs. Dave will be wanting to retire from the Secretary's job and we will be looking for a replacement for him. Dave was Commander of the Flying Nobles in 1995.

When the Ford Tri-Motor was at OSU Airport, I took a ride in it and enjoyed the flight. The pilot flying the Ford was a retired Delta pilot and has been flying the Ford Tri-Motor for about 10 years. They took nine passengers on every trip and I got on the third flight.

The Potentate will visit our club on September 7 at the Shrine Center. The weather will be nice and cool, so try to attend and enjoy the fellowship with your friends. Dave will send invitations in August.

The car show and chicken and corn roast at the Shrine Center is on Saturday August 21 and the Stag picnic is August 28.

Let's hope for some relief from the high temperatures we have been having so we can enjoy some of our outdoor activities.

Stay well, I'll see you next time and try to do something special to enjoy your day.

Marching WITH THE LEGION

by Dick Luckay

IMPERIAL REVIEW – Toronto is a great place to visit. Just ask over two hundred Aladdin Nobles and Ladies who made the trip to take part in the Shrine Imperial Convention. There was plenty to see and do and our Aladdinites managed to cover most of them.

An unplanned added attraction to our event was the official visit of the Queen of England to the city. It was easy to get caught up in the excitement as her twenty-car motorcade passed by, or we craned our necks to get a glimpse of her getting into her limousine.

The cold libations in the hospitality room after the parade were consumed with gusto and appreciation. Competition-wise it was a simple story. If Aladdin entered a competition – Aladdin won it. The Chanters put their best vocal cords forward and swept all the top awards in the singing categories. The instrumental musicians played themselves into the winner's circle in all five of their ensembles (the Concert Band was aided by several ladies who made significant musical contributions). So, Aladdin's Trophy Case added eight more mementos from the Toronto Imperial.

SPECIAL DAYS FOR SPECIAL PEOPLE – Those wedding bells are ringing out again as they look back and remember that very special day for PC Clancy Lanthorn and Shy (9/10), Commander Gary and Joann Bogart (9/15), PC Clyde and Marjorie Dames (9/20) and PC

Dick and Nancy Ollila (9/23). May those memories be good ones and the year ahead even better. More candles and less icing for Bill Gatton (8/23), Marjorie Dames (8/25), Judy Wilson (8/30), Janice Van Horn (9/4), and Phil Pini (9/16). Another year of maturing means you can ignore the candles and just enjoy the cake and the day. Congratulations to one and all. God Bless.

PLAIN CITY PARADE REPORT – It was hot. The crowd was big -- but not too enthusiastic or responsive as the flags went by. The five-dollar charge to get-in didn't sit too well with the Aladdinites who volunteered to participate. The half-mile trek through the fair grounds, before the mile-and-a-half parade even began, could have had a negative effect on the attitude of the troops. It didn't. The Plain City Steam Thresher Parade, once under-way, was a good one. The Legion led the way for Aladdin with PC Robert Spencer, PC Dick Ollila, LN Dave Ozvat, and our newest member, LN Jim Rock, carrying the national colors and PC Willie Fitchett driving and LN's Dick Luckay and Terry Kitchen greeting the crowd from the jeep (with all the service flags proudly waving in the breeze). Yes, it was long and hot, but it was a good parade. That made the after-glo at Fred Kile's beautiful backyard even more welcome and appreciated. Thanks, Fred and Linda, for being such kind and generous hosts.

Provost

by John Rohal /Cindy Kinney

The Provost Nobles turned out in force for the Imperial Council Session in Toronto with 22 members, 16 ladies, and two children. This month's article will be slightly different, we have an added feminine touch.

Those of us who traveled to Toronto on the Paddy Wagon experienced a memorable trip. We arrived on time for our 6:00 a.m. departure; however our director, who went by his new nickname of "Jim" on this trip, forgot we would need some ice. Therefore, we departed 15 minutes late.

Our renowned bus operator, Howard Beane (who had to room with Harold Nairn), invented a new game of dodge the deer on I-71; we had a couple of very close calls.

We had to pick up Gene and Betty Steineman near Wadsworth. Shortly after they boarded the Paddy Wagon, we had the right rear inside tire blowout on I-271; no spare tire was on board. Of course, everyone knew this was Harry

Lewis' fault for sitting on that side of the vehicle with his "you know what" over the tire. Being a Sunday on a holiday weekend, finding a tire proved to be a little difficult. Our problem proved to be a little more severe than expected – all four rear tires were rotted because of age and had to be replaced.

This problem cost us three hours but proved to be fortunate for the Steineman's. Betty received a phone call from their son in Pittsburgh. His wife was in labor. The Steinman's grandson, Jack Urban Steineman, was born at 4:02 p.m. on July 4. (This was their second firecracker grandchild). Since Betty was so close to Wadsworth, her daughter came and drove her to Pittsburgh. She joined Gene in Toronto on July 5.

After we got going again, our mixologist, Director Jon "Jim" Kinney kept bumping his head on the overhead luggage compartment and commented he "needed a hard hat." An unnamed lady replied, "He doesn't need a hard hat – it's a non-vital part."

I have to add that the two Gray daughters were excellent travelers – both going and returning home.

After our arrival, we all had a great time. The weather was pleasant but unusually hot. In Toronto, you can stay out of the heat and do all your shopping in the underground.

The Shrine parade was led by the Rameses Shriners Pipes and Drums and followed by the remaining Shrine Temples. Because they were short of hands, our own Angelo Marinelli participated in the parade as a flag bearer with our Legion of Honor.

Speaking of being short on participants, how many of us have ever seen an Aladdin one-man-band? That's right; Band Director Jim Esswein was our only band member to march and play his tuba in the

parade. Of course, we all know how he prepared himself; he laid on the grass with his head in his tuba and promptly fell asleep. Needless to say, the Provost Unit was well represented with our marchers and the Paddy Wagon with our few non-marchers on board.

The Provost annual pizza party in Toronto was great, even though Charles Linek may have ordered more than needed. The Nobles and Ladies in the Aladdin hospitality room appreciated the little treat.

Director Jon wants to express his appreciation for the excellent turnout for the parking detail at our Shrine Center on July 9 after our return from Toronto.

The Muirfield Appreciation Dinner on July 16 was well attended and the dinner was excellent. Tom Charles finally surrendered his Muirfield issued cellphone; of course, he waited until Brigitte was on her way to Arizona. Dale Cline and Jim Rohal both expressed their appreciation for the volunteers.

Celebrating birthdays in August are Dennis E. Campbell, Clyde L. Cook, William P. Fieger, David R. Grannon, Michael P. Gray, David S. Herb, William A. Laff, Richard L. Saunders, George H. Thompson, Mark J. Ulloa, Michael D. VanHuss, Herbert A. Wise, and David Zeis.

We offer our condolences to the families of Margaret Nedveski, wife of retired member, Frank, who passed away on June 27, and to the family of retired member Kenneth Jay Licht, who passed away on July 5.

Congratulations go to Past Potentate Owen and Joyce Johnson who celebrated their 50th wedding anniversary on June 18.

We continue to hope everyone has a great summer; see y'all at the Provost picnic and then again in September.

The No Problem Place®

Chaplain's Corner

by Chaplain Zale Maxwell

Lately, I have been hearing the phrase "random act of kindness" referring to some action of kindness done by someone for no apparent reason.

Now, Webster defines the word "random" as haphazard movement, (or) without careful choice. As a college professor, I am confused by what is a "random act of kindness." You see, when researching something, we use the word random as Webster defines it, for the purpose of determining outcomes and finding casual events or agents. Thus, my dilemma. If an event is random, how can it also be an act of kindness? You see, these events described by this phrase are not random at all; rather they are intentional acts of kindness.

Examples are things like opening a door for people who have their arms loaded with bundles or stopping to pick something up and returning it when it has been dropped unnoticed by its owner. Even opening a door for someone to enter a building, for no other reason than you got to it first, is a "random act of kindness."

Now, years ago (the number is not important), these might have been called acts of chivalry on the part of men. Chivalry was taught to young men as a lesson on how to treat a lady, the fairer of the sexes. I am thinking that because of our society striving for equality of race, gender, and everything else, we have simply replaced the word "chivalry" with the phrase "random act of kindness."

My point is that these acts are in no way random but intended acts of kindness and that chivalry is not dead in our society, just renamed. It is considered a random act because the person receiving the kindness does not expect it. Therefore it has even more meaning because the receiver does not take the act for granted. By renaming these acts, they can be done wherever and whenever we can to whomever is there at the time. So, although I am old school, I think this new phrase is better because it is all-inclusive and can be practiced at will or at random for the betterment of all. When was the last time you were chivalrous or committed a random act of kindness?

The following verses from the Bible speak to the issue of "random acts of kindness:"

The desire of a man is his kindness. (Proverbs 19:22 NIV)

Thus speaketh the Lord of hosts, saying, Execute true judgment, and shew mercy and compassions every man to his brother: And oppress not the widow, nor the fatherless, the stranger, nor the poor; and let none of you imagine evil against his brother in your heart. (Zechariah 7:9, 10 NIV)

Kambri

by Dick Brixner

The Kambri Shrine Club held its annual fish fry, hosted by Freeport Lodge, with Guernsey Lodge #66 also in attendance. Freeport Lodge Education Officer Tom Zechman welcomed all to Freeport Lodge, followed by the invocation by Ken Warnock.

We had nearly 50 persons attend this event. Noble Chefs Buzzy Ferguson and Ron LePage prepared the fish, while others from Freeport Lodge prepared the french fries.

In addition to the fish and fries, the pot luck included, casseroles, fruit, vegetables, and, of course, tastee treats. The food was great, and if you want to know how good, ask Ron Herman!

Thanks go to Tom Zechman and his lodge – we had over 20 door prizes that were distributed.

We had a guest from our neighboring Shrine club in Zanesville, Steve Jones. (He read about this event in the *Lamp* under Kambri Shrine news.)

Thanks go to Freeport Lodge for hosting this event and to all those who attended, thanks for the fun evening.

Kambri Shriners, if you were not at Freeport, shame on you. You missed a great time of fun and fellowship.

Remember, this is your Shrine Club, come out and get involved. Please mark on your calendars for some of our coming events:

- Aladdin Shrine Stag Picnic - August 28 - Venice Club, Columbus.
- Annual Kambri Steak Fry - October 21
- Annual election of officers - November 19
- Annual Christmas Party - December 9

For those of you who have not paid your dues, both to Aladdin and Kambri, you should refer to the June edition of the *Lamp*. It gave you five solid thoughts for paying your dues – most importantly: "our aid to children has never been greater."

Kambri Shrine Club had a very disappointing year with Tabloid,

raising way less than \$1,000. If you would like to make a donation, you can still send cash or check to Secretary Noble Tom Fisher.

Speaking of the Tabloid, did you see the article in the June newsletter of the "top ten things to do with leftover Tabloids?"

By this time next week, we will have completed another annual Shrine Golf Scramble. Watch for the results in the next *Lamp*.

Kambri Shriners, here is the same plea once more. Come out and get involved, enjoy the fun, fellowship and great food at our club events. See you at the next meeting.

Bucyrus

by Gene Diller

Bucyrus Shrine Club invited their ladies and widows to a steak fry. Noble President Tim Miller opened the meeting with prayer followed by the Pledge of Allegiance led by President Noble Tim Miller.

The Bucyrus Shrine Club had sweet corn and steaks. The steak frying and corn cooking was chaired by Nobles Rick Zaebs and Rob Zaebs. Helping were Nobles Rick Miller, John Clime, Steve Bowman, and Pete Roll. Noble Gus' Grill and Grog prepared baked potatoes and salad. Nobles had ice cream for dessert served by President Noble Tim Miller. The food was "deeeelicious!"

The Bucyrus Shrine Club is getting ready for the Bratwurst Parade on August 20. Hopefully, the road will be back to normal after the construction downtown.

The Sunshine reported Nobles Bill Blum and John Miller having some health problems. Noble Carl Diederich is in Altercare Nursing Home, Bucyrus, Ohio.

Noble Richard Frederick will be celebrating his 103rd Birthday August 19. Bucyrus Shrine Club wishes Richard a happy birthday. He collected many dollars for the Tabloid through the years.

Everybody had a good time. Next meeting will be September 27.

HILLTOP SHRINERS

by Ray Pendell

Coming up next month, Wednesday, September 1, will be the Potentate and Divan's Visitation and Ladies Night at JP's Restaurant at Bolton Field Airport. You must have a reservation, so buy your lady a new dress and plan to be with us for this gala event. Complete details will be in your August newsletter.

This next newsletter will also contain a scholarship application for our Joe Wharton Scholarships awarded to any college student who is a relative of one of our members. Awards are made at our Christmas Party in early December. Last year, we were able to award only one scholarship – we had only one application so get the applications in to us.

Again, we remind you to look for the "fez jugs" at various business locations in the area and drop in a coin or a bill to support the Shrine Hospitals. We are very grateful for these merchants who allow us to solicit at their businesses 365 days a year. Our Tabloid contributions in June of this year included over \$7,000.00 in JUG money. Thanks go to these merchants and our JUG committee, Duane Hivnor, David Ray, and Al Williams for their efforts.

We are looking for a few good men to lead our club in the coming years. If you are willing to serve as an officer, contact any officer and make your wishes known. If you are asked to serve, be prepared to give a positive answer. New officers are elected in November and installed at our December meeting.

As this goes to press, we look forward to another great Buckeye football season so "ROOT FOR THE BUCKEYES" and I'll see you at the September 1 meeting at JP's Restaurant.

Licking County

by Frank Boner

The Licking County Shrine Youth Baseball Tournament has been relegated to the history books and will be remembered as one of the most successful in recent history. The object was teaching sportsmanship and cultivating camaraderie. Hundreds of local youth, coaches, parents, and adults realized these goals while raising funds for the less fortunate through the Shrine's philanthropies.

Under the direction of the Chairman Noble Terry Hill, the events culminated with the championship games, Tuesday, July 13 and Wednesday, July 15.

Noble Hill extends a "tip of the fez" to all connected with the Mound City Baseball Park facility and to the following Nobles of the Shrine Club who gave unselfishly of their time and talents: John Rine, Gene Gregory, Tom Cline, Danny Bounds, Melvin Cunningham, O.K. Waters, Franklin Boner, Lewis Unternaher, Boyd Black, Herb White, Jerry Graft, Kelly Rains, Ron Williams, Rich Denny, Sherwood, Conners, Larry Tuller, Jerry Ashcraft, Bob McCullough, Ed Roberts, Bob Stradley, Richard Wright, and Ben Thomas.

Following the Hartford Fair, all Nobles and their Ladies are invited to Ladies Night, a covered dish dinner, August 20 at McPeeks Lodge, 3447 Raccoon Valley Road. Social hour is 5:00 - 6:00 p.m.; dinner is 6:00 p.m. Entertainment, meat, and drink will be provided by the club. Prospective members also welcomed. If additional information is required, call Chairman Fred Palmer at 740-398-6380.

The Shrine Club will resume monthly noon meeting's at the Teheran Grotto, Thursday, September 2. By-law changes will be discussed.

Pipes & Drums

by Jim Bradham

New band members participated in their first mass band parade. What a first time it was with the queen at the beginning of the parade!

It was a special day for Bob Parsons. After 21 years, he returned to Toronto with his son; both played snare drums and because of his skills, Rob was appointed lead drummer by all the snare drummers in attendance. Fred White was there watching Aaron play the bass drum. It's gratifying for me to see the fathers bring their sons to carry on the traditions of the band.

We were told by the pipe major of Rameses that the mass band participation was down because of the economy, cancellation of the night parade, and band competitions.

We were disappointed that some of the pipe bands marched with their Shrines instead of the mass band. We had a good time and good food in Toronto and wouldn't have missed it.

We celebrated the next night by doing a room crawl. Now, it's a well known fact that the Pipe Band doesn't drink; but the young guys wanted to do this and the old guys couldn't look like wimps. After visiting many rooms, the winner had to walk a straight line of toilet paper in the hallway of the Sheraton. Some of the residence

of the hotel couldn't get out of their room without walking the line.

Zale and Susan Maxwell decided not to participate – we said a prayer for them. I told him we wouldn't tell; he didn't believe me.

The band had their annual picnic at my house on July 18. We

had lots of good food with everyone bringing a dish. It was a hot day with popup showers so we decided not to play the pipes and drums. Instead, we had a meeting to discuss the upcoming trip to Chicago for the G.L.S.A. Pipe Band Association on September 10 - 11. Most members voted to do it; should be a fun

experience and a chance to compete.

On August 17, we will resume practice at the Shrine Center. The Bucyrus parade is August 20. We have plans to visit Mike Smith's Pub which is in Marion after the parade for pizza and drinks. If you haven't been to his pub, you must see it. Scottish Pub – everyone wears kilts with Gaelic decor.

Hope you all enjoy the rest of this hot summer. When you are sweating, remember this winter when you were shoveling snow.

Tarhe Shrine

Tarhe's annual June fish fry was held again this year at the Baltimore VFW. As usual, it was well attended by members and guests. We would like to thank the VFW for providing another excellent meal with more than enough fish for everyone.

Tarhee hosted the afterflow at the Baltimore VFW Post after the Baltimore Parade on August 7. The Divan and other units from Aladdin parade participants attended the afterflow.
